## FROM MISSION CONTROL

BY BILL BOMBERGER, PRESIDENT

It is now November and there has been some snow falling in Colorado. I hope that everyone has signed up for all of the trips that they wanted. This year has been a great year in terms of sign ups for our trips. From the club's perspective, selling out trips is a good thing financially. As a club we historically have never raised our prices after they have been published for issues that are completely in our control. Usually the few times that we have had to adjust prices up were for currency float and fuel surcharges on our international trips. If we are able to reduce our costs, we pass them along to you or spend more for your enjoyment on the trips.

We have to bid for our trips in April and May for the next year. We cannot book our trips a month in advance and decide to go to a destination. We also have to make our best guess on the number of participants that might want to go to a certain destination at that time. That is why some of our trips have sold out so early this year. Our membership has exceeded our expectations this year in the number of participants wanting to go skiing.

In order to be able to increase the number of trips and participants, we have to have volunteers to coordinate them. Without volunteers Space City Ski and Adventure Club would go nowhere. We also need volunteers to lead the club. No it is not too early for us to be looking for next year's officers. I will not be returning as President next year.

## COUNTDOWN TO LIFTOFF

BY BEVERLY ROBERTS, VICE PRESIDENT OF TRIPS

Hello from the trip desk!!

Ski trip sign up is winding down. If you have not yet signed up for a ski trip, check the SCSC web site. We will keep it updated on trips with availabilities. The SLC Sampler will stay open for a while, because of favorable drop dates for lodging, so no need

to gamble on availability – sign up, sign up!! For the other trips, please join the wait lists. If there are cancellations, you will be positioned to grab the open places. If you have a confirmed spot on one or more ski trips, watch for important communications from your TCs. They will be passing along important information, including pre-trip party arrangements, payment deadlines, and other trip-related info.

We also have three outstanding non-ski trips that will take you to all points on the globe.

- See the wonders of the Far East with the Experience China trip. You will see the Great Wall, the Terra Cotta Soldiers, and so much more
- Explore the southern European coastline on the Croatia Bike and Barge trip. You will cycle through the beautiful landscapes of the Croatian coast, or, if you feel like a relaxing day, enjoy the changing scenery from the boat deck
- Join the TSC on the Summer Expedition to Patagonia in South America. There, you will marvel at dramatic landscapes, waterfalls and glaciers, as well as experience the cosmopolitan world of Buenos Aires. You may also choose optional pre and post trips to Easter Island and Mendoza.

## HAVING A BLAST

BY LYNN BURCH, VICE PRESIDENT OF ACTIVITIES

The Sugarland Skeeters Game on September 16 was attended by fifteen of us. Because of all the flood issues and other reasons we had five tickets left that we did not sell. I decided to give these tickets to the first responders so they could enjoy the game. I took the tickets to the Cypress Fire Station and they were very excited. The tickets we provided let 2 families

with their 2 children attend. The Skeeters facility is really nice and very family-friendly.

The September 28 Happy Hour was at Beaver's on Westheimer. They provided us our own room and most of the covered patio. We had 50 to 60 people who attended. The Happy Hours are really bringing in great attendance. Be sure and join us for the October Happy Hour at FM Kitchen and Bar on Shepherd a couple of blocks off Washington. Plenty of parking and a big indoor and outdoor area.

We had a hike at Hershey Park October 14 and the pictures and short article are below. The Dance Party at Armadillo Palace was on October 17, and had around 20 attendees.

Dance classes continue every Wednesday night thru November.

The October Dinner on October 21 was at Rudi Lechner's for Oktoberfest and I will also report on that in the next Sitzmarke.

For our dinners, you must sign up in advance even though you put no money down and get separate checks that night. I have to let the restaurants know a week in advance the amount of people that are coming.

I handed out our schedule of events for September thru De-

cember at the September and October meetings.

In November we have:

November 5 a Dance Party at Wild West

November 12 a Bike Ride along West White Oak Bayou

November 18 Dinner at Benihana on Westheimer

November 30 Happy Hour at Post Oak Grill

The Holiday Gala on December 2 at Blue by Massa's is on the website for you to sign up.

Please check the website often for new activities. This is where you learn about them and can sign up.

Thank you to all the members who participate in the events, as long as you keep coming and signing up for activities we will keep having them and adding new ones.

## HERSHEY PARK HIKE REPORT

LED BY DON MACKEN

On October 14, Don Macken had 12 Space City participants and 8 from the Woodlands Hiking Club join him for a 6 to 7 mile hike in Hershey Park. They hiked part way and some from each club decided to add an extra mile and go to the Barker Dam which was the cause of so much destruction after Harvey. They sadly ended up seeing a lot of the flood damaged homes along Buffalo Bayou. The rest of the group decided on the 6 mile hike and headed back to the parking lot. It was a little warmer than they would have liked but a good time was had by all. Don did a great job making sure everyone had plenty of water.

### Vail – Like No Other Place on Earth

December 9-16, 2017

Land only \$1404 (no full packages)

TC Dave Stotz [Dave@Spacecity.org](mailto:Dave@Spacecity.org)

Photographer: Daniel Milchev

At 5,289 acres, Vail is the largest single Ski Mountain in North America, featuring seven powdery bowls, the back-country skiing of Blue Sky Basin and the front side. 1,500 acres of "corduroy" each day means the most groomed terrain on the planet. Combined with a yearly average of 346

inches of snowfall and 300 days of sunshine, Vail is a skier's paradise. But more than that, off the slopes, head to Lionshead or Vail Village with world-class dining, shopping, galleries, après ski, nightlife and spas all just steps away.

Photographer: Jack Affleck

Vail is certainly the largest ski mountain in North America, stretching seven miles from east to west. Vail is consistently ranked tops on the continent and among the very best in the world.

**WHY CHOOSE THIS TRIP?** Vail consistently has good early season snowfall. While there are never any

guarantees when the weather is involved, you are highly likely to enjoy good conditions at Vail in early December.

Enjoy ski-in, ski-out luxury as our lodging is at the Lion Square Lodge, only 50 yards from the Eagle Bahn gondola. We will be staying in deluxe 3 and 4 bedroom condos. Complex amenities include an outdoor pool and hot tub, a fitness center, free ski check and an underground parking garage. El Sabor, an excellent Latin-fusion restaurant, is located onsite at the Lion Square Lodge. Other amenities include a 24-hour front desk, onsite concierge and daily housekeeping.

Imagine stepping out of your condo in the morning, making the short walk down to the complimentary ski valet, grabbing your skis and walking across to the gondola. World class skiing is literally at your door! Vail doesn't get any easier to do than this!

Photographer: Jack Affleck

**WHAT DOES THIS TRIP INCLUDE?** This is a land only trip, so it includes your round-trip bus transportation from

Denver International Airport to Vail, seven nights accommodation at Lion Square Lodge and a Welcome party on Saturday night to hand out lift tickets and meet everyone.

You will need to acquire your round trip airfare to Denver. Make sure that you get air that arrives in Denver no later than 11 am on Dec. 9, 2017, and leaves no earlier than 2 pm on Dec. 16, 2017. The travel agent that we are using for this trip can also acquire airfare for you. Please contact Randall Howard at SnowVentures directly. Full Pkg: \$1366 Land Only \$907

TC Betty Donnellan [bettyrelaw@gmail.com](mailto:bettyrelaw@gmail.com)

**EXPERIENCE THE BEST SKI TOWN IN NORTH AMERICA** (Colorado's Best Ski Town, Readers Choice and Travel & Leisure, 2016, Most Authentic 2016). Also known as Colorado's last great ski town. PLUS WE ALWAYS HAVE THE BEST TIME.

**The Mountain:** Crested Butte has plenty to offer everyone, including the longest run at 2.6 miles, Peak to Treasury. From the abundant wide open green and blue groomed trails to more advanced long cruisers and the famous extreme limits of the North Face and Headwall, this mountain truly has it all. The area boasts 23% Beginner, 57% Intermediate and 20% Advanced. That does NOT INCLUDE the EXTREME

terrain of the upper steep which has bowls, chutes, glades and cliff jumps! No wonder this area is host to the Freestyle Championships held here every February. Take a guided tour of the area or test your relationship with gravity on Rambo, said to be the steepest-cut ski run in North America, at up to 59 degrees in pitch. More than half of Crested Butte's groomed trails, however, are rated intermediate. If fast cruising is your style, there are buffed runs like International and Upper Keystone, area has 15 lifts with a capacity of 20,310/hr. NO LIFT LINES AT THIS RESORT. The lifts run from 9-4 pm with East River and High Lift closing at 3:30pm and North Face closing at 3 pm. There are also two terrain parks, Gold Link and Cascade, part of a complete freestyle haven.

**If you haven't been to Crested Butte lately, you are in for a treat!!! Space City Ski club was even in the CB Mardi Gras parade on last visit and featured in their local Newspaper!**

**The Town:** In Crested Butte, there are no traffic lights, no chain stores, there is a difference here. There are few places remaining that can be called a true Colorado ski town; this one is the way others USED TO LOOK. Look no further because THIS IS Colorado's Last Great Ski Town!! Crested Butte oozes charm as a National Historic District. A Victorian town dating back to the late 1800's, it was a bustling mining town and today it embraces a laid back lifestyle for locals and tourists alike. They come here to ski, others come to experience some of the most extreme skiing in North America, and others come to enjoy all this beautiful area has to offer year round. It is located 231 mi. SW of Denver and 28 mi. north of Gunnison, CO. Beautiful colorful buildings offer the visitor everything from over 40 restaurants and bars, art galleries, and plenty of shopping. You won't go hungry as there is everything from sushi restaurants, many pizza places, and everything in between, and prices are reasonable. There is also live music almost every night so you can dance to your heart's delight at places like Eldo bar or the Princess wine bar. Check out the Ice Bar. Free shuttles take you to town every 15 minutes until 9:40 pm, then every 30 minutes until midnite. Then, there are taxis to get you back to your home, only minutes away. Crested Butte and Mt. Crested Butte, that is, the town and mountain, are everything you seek in a ski town and more, and that includes a local friendly sense of community where you can be as casual as you want and seek as much adventure as you and your body can handle. If this town

doesn't stir your inner spirit and sense of adventure, we are not sure what will. Come with us and experience the fun and adventure.

**The Accommodations:** The Plaza condominiums are located just 100 yards from the lifts. They feature 1055 sq. ft. of living place with warm fireplaces, comfortable living and dining areas and full kitchens. A short stroll takes you to the slopes or the action at the base with its restaurants, shops and Happy Hours. You have all the comforts and amenities of a hotel.

**What Else to Expect:**

- Optional Group Dinner - Slogar Bar and Restaurant-Family style dinner in Historic Old Saloon
- Optional great deal on ski lessons
- **The parties.** We'll have a welcome party, a dinner party with games and prizes during the week, and an optional dinner at one of the oldest saloons in town. Don't hesitate. **Be one of the first 20 to book your trip and you'll be entered into a raffle.**

**BIG SKY, MONTANA - IF YOU'VE NEVER BEEN, YOU MUST GO. IF YOU HAVE BEEN, YOU ARE COMING BACK!**

Photo by Mark Davidson

If you have never experienced Big Sky, Montana, this is the opportunity you have been waiting for to play in the snow with your Space City friends at a low price you will proba-

bly never see again! We are staying at the fabulous Huntley Lodge, a slope side hotel. Depending on the amount of snow, and where your room is located, you can ski right up to your room! I know because I did just that the first time I stayed there! Worst case scenario, it is a 55 yard walk to the Explorer lift. Are you sick of trying to adapt to high altitude? Big Sky is your answer as we stay at 7510 feet above sea level vs. the 10,000 to 12,000 feet of many Colorado ski resorts. This package includes the best breakfast buffet you will ever experience, with just about anything your stomach desires, including omelets made to order. Meeting for breakfast daily makes for a most cohesive club trip. New members can meet new ski buddies at breakfast, so no one skis alone and everyone is immersed in the fun!! Sick of lift lines? What is a lift line? They are nonexistent in Big Sky. Your lift ticket includes the massive front and back side of Big Sky; a full 5800 of skiable acres. If you are skiing several trips with SCSC this coming season, use your Max Pass for your lifts. We have an incredible round trip flight on United, non-stop into Bozeman leaving at 10:00 a.m., at a price I dare you to beat! We only have 36 seats, so sign up immediately to secure the full package as they are expected to go extremely fast!

**THE SKIING AND BOARDING:** Whatever your level, you have plenty to ski/board at Big Sky! Beginners and Interme-

diates can choose from 2295 skiable acres while advanced and experts have 3515 acres for their skiing/boarding pleasure. Big Sky consists of four mountains connected by chairlifts galore. Lift tickets are good on both sides of the four mountains touted as the biggest skiing in America. There are a total of 23 chair lifts, including the infamous Lone Peak tram for access to the steeps. There are also 11 surface lifts. With over 400 inches of average snowfall per year, we are not going to run out of snow! The average winter temperature is 25 degrees. The longest run is 6 miles!

#### THE RESORT STATISTICS:

**THE LODGING:** We will be staying right at Big Sky's Mountain Village. Ample nightlife and restaurants are contained inside the cozy Huntley Lodge. Take the Huntley shuttle into town where there are other excellent dinner options for all price ranges. We are staying at the popular slope side Huntley Lodge decorated with Montana antlers and wildlife galore. Did I mention the best full breakfast buffet I have ever experienced on a ski trip is included every day? Located in the heart of Big Sky's Mountain Village, this historic hotel was part of the

late NBC New broadcaster Chet Huntley's original vision for Big Sky Resort. The Huntley is steps from the Explorer lift just out the back door. Under the same roof is concierge, dining, shopping, ski storage, meeting rooms and the Solace Spa for a true massage treat. The Huntley Lodge features Boyne Beds and convenient access to a heated pool and two hot tubs. Your comfortable room includes a wet bar, a small refrigerator, a HDTV, free Wi-Fi, a coffee maker, a seating area, daily house-keeping and access to a free ski valet. Access to community washers, dryers and microwaves are also available. Our rates are based on double occupancy. Porterage is also included.

**TRAVEL:** We have secured 36 seats on a DIRECT flight right into Bozeman leaving at a leisurely 10:00 a.m. on United Airlines from Bush Intercontinental airport. The difference in price from the full package (with air) and the land package is only \$488.

Like short bus rides? We aim to please. The typical bus ride to Big Sky from our airport on our luxury private coach is one hour (50 miles). Since we have included a short grocery/liquor stop along the way our travel time will be a little more. Land package participants are welcome to ride our bus as long as your flights coincide with ours into Bozeman and back to IAH.

**THE FUN:** A wine and cheese welcome party is included as part of this package as well as a top notch club party with more details later. In addition to the usual after ski events (relaxing in the 2 Huntley hot tubs, daily announced Apres' Ski events, etc.) we will be offering an optional snowmobile excursion into Yellowstone National Park. The last time I did this we hovered 20 feet away from two male bison's clashing horns in a fight usually only witnessed on T.V. on the Wild Kingdom! If there is enough interest we might also arrange a group dog sledding option. Along with the usual optional winter activities of sleigh rides, snowshoe tours and Nordic skiing, Big Sky offers unusual optional excitement including Zipline Tours and Snowcoach tours. So bring along that non-skier adventure seeking significant other because it will be impossible to be bored on this trip!

*Featured in James Bond "For Your Eyes Only". Beloved for decades by society types for its après-ski scene.*

High in the Dolomites with 140 ski runs and over 50 miles of cross-country pistes.

This is a TSC trip with all the wonderful activities with our Texas friends from around the state. When we arrive on Saturday, we will have a welcome reception at the Terrazza Viennese in our hotel Ancora. The Cortina Tourism Board and a very charming Italian ski instructor will greet us with canapes and local wine from the region. SCSC will gather during that time to collect lift tickets and be given the specific itineraries for the week. Monday SCSC will have our own welcome party.

We will be staying at the Hotel Ancora Cortina d'Ampezzo which was built in 1826 and has been in the same family for four generations. It is located right in the center of Cortina and it offers its guests the best of mountain hospitality with wood balconies and typical furniture in Ampezzo style. Many years it was awarded the "Three Golden Key" prize by Gamero Rosso for being one of the best 11 hotels in Italy. It has also won awards for one of the six best restaurant and hotels. The hotel's "Terrazza Viennese" which faces the famous Corso Italia is the meeting place for important people

from all over the world. The sunny terrace is classically decorated in perfect Biedermeier style in honour and memory of Francesco Giuseppe, Emperor of Austria.

Day trips include Castel Brando, followed by wine cellar and tour with tasting. This is the land of Prosecco. We will have a tour of the castle and brunch. Afterwards we will shuttle over to a nearby winery for a tour of the wine cellar and vineyard and tasting of 5 different wines accompanied with local cheeses and salami. The picturesque capital of Val Gardena will include a tour of this fascinating town famous for its ornate woodcarvings and lovely pedestrian area with great shops and cafes. Skiers will be guided to Sella Ronda Skiing at Val de Gardena.

A "hands on" session learning the art of cheese making will be conducted at a lovely restaurant located in the mountains above Cortina. The views are indescribable and worth the visit on their own. Another day will feature Hotel Ancora cooking demonstrations after which we will all enjoy a glass of Prosecco and appetizer and bruschetta.

Other activities in the area include cross-country skiing, ice skating, snowkiting and ice sledding.

On Friday, we will have our Farewell Party with wine and more and Saturday depart for Venice to either catch your flight home or to enjoy a few more days in Venice, Italy.

The Extension to Venice, Italy is February 3 through February 6. We will be staying at this Hotel. The Hotel Carlton is a 4 Star hotel located on the Grand Canal and what more is there to say. Many tourist spots are within walking distance as well as the train station. The hotel has free Wi-Fi and breakfast.

SKI UTAH – THE GREATEST SNOW ON EARTH! Ski the fabulous snow of Snowbird, Alta, Deer Valley, Park City, Canyons, Solitude and Brighton – all during a one-week ski club trip. You have the opportunity and challenge of skiing a different resort every day.

We will fly to Salt Lake City on an American flight leaving Houston on Saturday morning at a great 10:25 a.m. flight. (No early morning!) and arriving Salt Lake in the midafternoon. On arrival, we will be taking vans and a shuttle to our accommodations located in Midvale. This is close to both Cottonwood Canyons. That will leave time on Saturday for getting settled-in, picking up discounted rental skis, and joining your ski friends for a Saturday evening welcome party.

Our American departure flight on Saturday, Feb 10 leaves Salt Lake around noon arriving Houston IAH late afternoon.

We will be staying at the Homewood Suites by Hilton located in Midvale, Utah (south of downtown Salt Lake City). Our rooms will be all suites with separate bedrooms, living, and full kitchen. Homewood Suites offer a complimentary hot breakfast each day and a complimentary light meal and beverage (wine & beer) during happy hour Monday – Thursday.

During our 2010 stay at the Homewood Suites, many of the group did not buy dinner Monday through Thursday, completely satisfied with the Happy Hour. If the happy hour is not enough, and you do not want to cook in your rooms,

there are eight restaurants within easy walking distance and several others a short van ride away. There is also an indoor hot tub, swimming pool, exercise room, coin laundry, and in-room high-speed internet.

The Homewood Suites are located 15 miles from the Cottonwood Canyon ski areas and 32 miles from the Park City Areas. On the days we ski the Cottonwood Canyon areas (Snowbird, Alta, Brighton, Solitude) we can take the Utah Transit Authority “ski bus” or use the two 15 passenger vans rented for the entire week for our convenience located at our hotel. Our discounted lift tickets from UTA include complimentary access to the UTA ski bus, with its bus stop very close to Homewood Suites. Ski shuttles run frequently during ski season and you will be able to depart and return as you wish. Our two 15 passenger vans will give us great convenience for either trips to the resorts or for use in Midvale. For the day trips to Park City and Deer Valley the club will use the rented 15-passenger vans. Lift ticket prices are not yet confirmed, but they will be discounted. Join a group that will have fun, great snow, at a great price.

In the morning, the ship sails to Vodice where your cycling tour for today will begin. You will then cross the bridge to the island of Murter. In Slanica, in the Northwest of the island, the boat awaits to cross over to the island of Dugi Otok. On the way, you pass by the National Park Kornati - an archipelago in crystal clear water which is known for its rich, underwater world. Today's destination is the Telašćica Bay. The Mir salt lake is situated in this nature park. At the end of the day, you can take a short hike to the impressive cliffs
