FROM MISSION CONTROL

BY BILL BOMBERGER, PRESIDENT

Winter Weather Advisory...Houston, Texas January 16th, 2018. Slip, Slide and Away!!!!

Right now we have 44 skiers in Steamboat Springs with 20 more skiers leaving this weekend for Crested Butte. We are now seriously into Space City Ski and Adventure Club's ski season. The week after that the club will be going to 2 destinations, Cortina with 35 Adventurers and Big Sky with 55 skiers. Please keep snow in your wishes for all of our skiers and boarders.

As I sit in my office writing this President's Article, the nominating committee has informed me that we have a full slate of candidates to run the club for next year. Thank all of you for volunteering for these jobs. But it is not too early to start volunteering to be Trip or Activity coordinators for next ski season.

We do have some other opportunities for volunteers, especially our Webmaster. It will be some tough shoes after the job Chuck Pena has done. The website will be the future of our club and a primary tool in reducing the amount of work our volunteers are currently doing in managing our club.

See you on the slopes and remember.....NO INJURIES other than beer drinkers elbow.

COUNTDOWN TO LIFTOFF

BY BEVERLY ROBERTS, VICE PRESIDENT OF TRIPS

Hello from the trip desk!!

It's here, it's here, it's here. Ski season is here!!

The first trip is already completed! Despite sketchy snow conditions, our skiers on the December Vail trip reported that they had a great time! They had to hunt for snow, but there was always some to be found. And the group spent their off-the-slopes times apre-skiing, playing games, and enjoying the fabulous dining and shopping in Vail. It's all good!!

The January trips are ready to roll. Steamboat is our first trip. It's a TSC trip, so you know there will be on and off-slope activities with our club and the other TSC clubs. Bonus - as I write this, there has just been a 10 inch dump of snow! Crested Butte is next on the schedule, and they have also had new snow. Big Sky is crazy with snow. Cortina/Venice will have so many options (skiing, touring, dining) that the participants will have a hard time deciding what they want to do! And that's just the schedule for January!!

Then we have the February trips. We start off with Salt Lake City, where participants will have the luxury of choosing the best snow conditions from multiple ski resorts - Park City, Deer Valley, Snowbird, Alta, Solitude, Brighton, Snow Basin and Powder Mountain. Then, on to the TSC trip to Beaver Creek. Again, the TSC has planned skiing, apre-ski activities, parties and more for the participants.

We finish our slate of ski trips with our club trip to Snowmass in March. This very popular trip will feature on and off slope activities to end our SCSC ski season on a super high note!

If you have still not signed up for a ski trip, or if you are thinking about a trip but have not signed up - DON'T WAIT ANY LONGER!! Contact the TC. Get on the wait list. You could be joining your dream trip!!

More travel fun is waiting for you after ski season. We have three outstanding non-ski trips that will take you to all points on the globe. Check with the TCs for the latest trip availabilities, and join the wait list so you can snag an opening or cancellation.

- See the wonders of the Far East with the Experience China trip. You will see the Great wall, the Terra Cotta Soldiers, and so much more. Contact Jill Nanney Jill@spacecity.org
- Explore the southern European coastline on the Croatia Bike and Barge trip. You will cycle through the beautiful landscapes of the Croatian coast, or, if you feel like a relaxing day, enjoy the changing scenery from the boat deck. Contact Rita Cardenas Rita@spacecity.org
- Join the TSC Summer Expedition to Patagonia in South America. There, you will marvel at dramatic landscapes, waterfalls and glaciers, as well as experience the cosmopolitan world of Buenos Aires. You may also choose optional pre and post trips to Easter Island and Mendoza. Contact Sarah Granbery Sarah@spacecity.org

Following is the SCSC 2018 trip schedule.

HAVING A BLAST

BY LYNN BURCH, VICE PRESIDENT OF ACTIVITIES

We had 27 members attend the January 20 Dinner at Molina's. First of all, I want to thank Melody Bohlmann for running the dinner for me while I was gone. There were a few people that had signed up and ended up getting sick and not being able to attend but it was a fun night of food and visiting with our SCSC family.

The January 25 Happy Hour was at Post Oak Grill and

we had another great turn out at this fun restaurant/bar we all seem to like.

Dance classes are suspended through March.

For our dinners, you must sign up in advance even though you put no money down and get separate checks that night. I have to let the restaurants know a week in advance the amount of people that are coming.

The February 17 Dinner will be at Union Kitchen on Memorial in Lantern Lane Center. This is where we had planned to have the September Dinner when Harvey hit us.

The Happy Hour will be February 22 at McIntyre's at 1230 W. 20th in the Heights area.

There were not many activities in January because of all the trips. But, starting in February through May there are going to be lots of activities so watch the website and sign up. The Super Bowl Party and Memphis the Musical are already full so don't wait to the last minute to sign up for activities you want to attend, they may end up being full.

Please check the website often for new activities. This is where you learn about them and can sign up.

Thank you to all the members who participate in the events. As long as you keep signing up and coming to these activities we will keep adding new ones.

RECRUITMENT UPDATE

BY ANNE THOMAS, VICE PRESIDENT OF MEMBERSHIP

Membership Update.... we have lots of great members in our All Volunteer club!

Membership has its privileges including socializing with ski friends and making new connections. For our January general meeting we gathered again at Live Oaks Grill with a nice crowd of attendees despite the national college football playoff between University of Georgia and University of Alabama. (By the way, the wrong team won that match in overtime.)

January door prizes included a Vail Resorts backpack, wine glass labels and another spectacular neck gator.

We currently have 454 dues paying volunteers. As an all-volunteer organization, your dues and service to the club are

appreciated. I'm so glad that you are a member of our club.

In February, I will be on the Beaver Creek ski trip and miss the general meeting. In March, everyone who brings 3 new guests to our meeting will receive a one year membership renewal.

The December Vail trip has been a tradition in the Space City Ski Club for many years. Back in the 1990s a Space City member named Chuck Radliff ran renegade December Vail ski trips for about 10 years. They tended to be very cheap, and sometimes stayed at lodging locations that were far from the mountain. When Chuck stopped running a December Vail trip, Judy Schiro started being the TC for this trip for the SCSC, and she continued for about 10 years. By the time that Judy decided to discontinue running the trip, the group had settled on staying at the Lion Square Lodge each year, opting for convenience rather than budget. Bob Olson and Jim Jeans ran the trip for two years, but in 2016 no one stepped up to run the trip. Again a small renegade group (16 people) decided to go to continue the tradition.

For 2017, SCSC decided that they should run the trip again, and I stepped up to run it. Twenty participants made it to the Denver airport on Saturday, Dec. 9th to begin our trip. Unfortunately, Southwest decided to leave Joan Waddill's skis in Houston. Fortunately, they made it to Vail on Saturday night. We got on the bus for the trip to Vail, making the perfunctory food and adult beverage stop at King Sooper and Applejack's.

Saturday night featured our welcome party. Pizza, salad, beer & wine were enjoyed by all. The next morning brought our first day of skiing. Unfortunately the snow gods had not been kind to us, as only two runs were open on the mountain. It turns out that November 2017 was the driest November that Colorado had ever seen. However we made the best of it, and skied as much as we could. The Big Dogs were out early, with Keith Kirkman in the lead, followed by Ross Baker, George Hirasaki, Barry Caspar and Kasia Rezmer. The Puppy Dogs were led by Ron Rambin, and included Janet McKenzie, Darlene Hirasaki, Francis Ackart, Susan Stanley, Craig Campbell, Joan Waddill & Debbie Moser. We all met for lunch at the only place open on the mountain,

View From Our Condo

Eagle's Nest, and we had après ski at El Sabor.

Skiing on Monday was no different than Sunday. We lunched again at Eagle's Nest, and we après skied at Garfunkel's. On Tuesday due to very intensive snow making, Vail was able to open two more runs. We had our optional trip dinner on Tuesday night at The Left Bank, a very nice French restaurant in Vail Village. Barry Caspar was kind enough to once again organize this dinner. We were joined at the dinner by Larry Edmondson and his spouse, and Tami Kawasaki. Also Lili Rubin joined us on the trip on Tuesday night.

On Wednesday we got to ski four more runs on the Mid Vail part of the mountain. Also the Mid Vail cafeteria opened up, and that's where we had lunch. We après skied at the Chop House and listened to Phil Long entertain the crowd. Kasia Rezmer ran out of one dollar bills trying to get free

shots from Phil!

The Avanti lift opened on Thursday morning, giving us two more runs to ski. That night Janet McKenzie organized another group dinner at the Chop House, and 12 people attended.

Dinner at the Chop House

Friday was our last day of skiing, and we had 7 lifts open and twenty runs. After skiing Lion Square Lodge held a wine and cheese party in the lobby, and after that we had a leftover party in the TC's condo. Joan Waddill, Debbie Moser, Frances Ackart

and Darlene Hirasaki did a great job getting all the leftovers prepared. About 12 people showed up for the dinner.

Susan Stanley supervising the leftover dinner preparation.

On Saturday morning, it was time to leave Vail. We piled into our two CME vans and headed back to Denver. The United passengers headed to the United Club, and when the Southwest passengers discovered that their plane was delayed they made it to the United Club as well.

Covered Bridge and Gore Creek

It turned out to be a good trip, and hopefully we'll do it again next year, with Kasia Rezmer running the trip. She's already put her Vail trail map in the freezer, so we're guaranteed to have more snow than this trip!

EXPERIENCE THE BEST SKI TOWN IN NORTH AMERICA (Colorado's Best Ski Town, Readers Choice and Travel & Leisure, 2016, Most Authentic 2016). Also known as Colorado's last great ski town. PLUS WE ALWAYS HAVE THE BEST TIME.

The Mountain: Crested Butte has plenty to offer everyone, including the longest run at 2.6 miles, Peak to Treasury. From the abundant wide open green and blue groomed trails to more advanced long cruisers and the famous extreme limits of the North Face and Headwall, this mountain truly has it all. The area boasts 23% Beginner, 57% Intermediate and 20% Advanced. That does NOT INCLUDE the EXTREME

If you haven't been to Crested Butte lately, you are in for a treat!!! Space City Ski club was even in the CB Mardi Gras parade on last visit and featured in their local Newspaper!

terrain of the upper steeps which has bowls, chutes, glades and cliff jumps! No wonder this area is host to the Free-style Championships held here every February. Take a guided tour of the area or test your relationship with gravity on Rambo, said to be the steepest-cut ski run in North America, at up to 59 degrees in pitch. More than half of Crested Butte's groomed trails, however, are rated intermediate. If fast cruising is your style, there are buffed runs like International and Upper Keystone, area has 15 lifts with a capacity of 20,310/hr. **NO LIFT LINES AT THIS RESORT.** The lifts run from 9-4 pm with East River and High Lift closing at 3:30pm and North Face closing at 3 pm. There are also two terrain parks, Gold Link and Cascade, part of a complete freestyle haven.

The Town: In Crested Butte, there are no traffic lights, no chain stores, there is a difference here. There are few places remaining that can be called **a true Colorado ski town**; this one is the way others USED TO LOOK. Look no further because **THIS IS Colorado's Last Great Ski Town!!** Crested Butte oozes charm as a National Historic District. A Victorian town dating back to the late 1800's, it was a bustling mining town and today it embraces a laid back lifestyle for locals and tourists alike. They come here to ski, others come to experience some of the most extreme skiing in North America, and others come to enjoy all this beautiful area has to offer year round. It is located 231 mi. SW of Denver and 28 mi. north of Gunnison, CO. Beautiful colorful buildings offer the visitor everything from over 40 restaurants and bars, art galleries, and plenty of shopping. You won't go hungry as there is everything from sushi restaurants, many pizza places, and everything in between, and prices are reasonable. There is also live music almost every night so you can dance to your heart's delight at places like Eldo bar or the Princess wine bar. Check out the Ice Bar. Free shuttles take you to town every 15 minutes

until 9:40 pm, then every 30 minutes until midnite. Then, there are taxis to get you back to your home, only minutes away. Crested Butte and Mt. Crested Butte, that is, the town and mountain, are everything you seek in a ski town and more, and that includes a local friendly sense of community where you can be a casual as you want and seek as much adventure as you and your body can handle. If this town doesn't stir your inner spirit and sense of adventure, we are not sure what will. Come with us and experience the fun and adventure.

The Accommodations: The Plaza condominiums are located just 100 yards from the lifts. They feature 1055 sq. ft. of living place with warm fireplaces, comfortable living and dining areas and full kitchens. A short stroll takes you to the slopes or the action at the base with its restaurants, shops and Happy Hours. You have all the comforts and amenities of a hotel.

What Else to Expect:

- Optional Group Dinner - Slogar Bar and Restaurant-Family style dinner in Historic Old Saloon
- Optional great deal on ski lessons
- **The parties.** We'll have a welcome party, a dinner party with games and prizes during the week, and an optional dinner at one of the oldest saloons in town. Don't hesitate. **Be one of the first 20 to book your trip and you'll be entered into a raffle.**

excursion into Yellowstone National Park. The last time I did this we hovered 20 feet away from two male bison's clashing horns in a fight usually only witnessed on T.V. on the Wild Kingdom! If there is enough interest we might also arrange a group dog sledding option. Along with the

usual optional winter activities of sleigh rides, snowshoe tours and Nordic skiing, Big Sky offers unusual optional excitement including Zipline Tours and Snowcoach tours. So bring along that non-skier adventure seeking significant other because it will be impossible to be bored on this trip!

Featured in James Bond "For Your Eyes Only". Beloved for decades by society types for its après-ski scene.

High in the Dolomites with 140 ski runs and over 50 miles of cross-country pistes.

This is a TSC trip with all the wonderful activities with our Texas friends from around the state. When we arrive on Saturday, we will have a welcome reception at the Terrazza Viennese in our hotel Ancora. The Cortina Tourism Board and a very charming Italian ski instructor will greet us with canapes and local wine from the region. SCSC will gather during that time to collect lift tickets and be given the specific itineraries for the week. Monday SCSC will have our own welcome party.

We will be staying at the Hotel Ancora Cortina d'Ampezzo which was built in 1826 and has been in the same family for four generations. It is located right in the center of Cortina and it offers its guests the best of mountain hospitality with wood balconies and typical furniture in Ampezzo style. Many years it was awarded the "Three Golden Key" prize by Gamero Rosso for being one of the best 11 hotels in Italy. It has also won awards for one of the six best restaurant and hotels. The hotel's "Terrazza Viennese" which faces the famous Corso Italia is the meeting place for important people from all over the world. The sunny terrace is classically dec-

orated in perfect Biedermeier style in honour and memory of Francesco Giuseppe, Emperor of Austria.

Day trips include CastelBrando, followed by wine cellar and tour with tasting. This is the land of Prosecco. We will have a tour of the castle and brunch. Afterwards we will shuttle over to a nearby winery for a tour of the wine cellar and vineyard and tasting of 5 different wines accompanied with local cheeses and salami. The picturesque capital of Val Gardena will include a tour of this fascinating town famous for its ornate woodcarvings and lovely pedestrian area with great shops and cafes. Skiers will be guided to Sella Ronda Skiing at Val de Gardena.

A "hands on" session learning the art of cheese making will be conducted at a lovely restaurant located in the mountains above Cortina. The views are indescribable and worth the visit on their own. Another day will feature Hotel Ancora cooking demonstrations after which we will all enjoy a glass of Prosecco and appetizer and bruschetta.

Other activities in the area include cross-country skiing, ice skating, snowkiting and ice sledding.

On Friday, we will have our Farewell Party with wine and more and Saturday depart for Venice to either catch your flight home or to enjoy a few more days in Venice, Italy.

The Extension to Venice, Italy is February 3 through February 6. We will be staying at this Hotel. The Hotel Carlton is a 4 Star hotel located on the Grand Canal and what more is there to say. Many tourist spots are within walking distance as well as the train station. The hotel has free Wi-Fi and breakfast.

SKI UTAH – THE GREATEST SNOW ON EARTH! Ski the fabulous snow of Snowbird, Alta,

Deer Valley, Park City, Canyons, Solitude and Brighton – all during a one-week ski club trip. You have the opportunity and challenge of skiing a different resort every day. We have a ski plan, but it is flexible to accommodate weather and where the group wants to ski.

We will fly to Salt Lake City on a Southwest Airlines flight leaving Houston on Saturday morning and arriving Salt Lake just about noon. On arrival, we will be taking vans and a shuttle to our accommodations located in Midvale. This is close to both Cottonwood Canyons. That will leave time on Saturday for getting settled-in, picking up discounted rental skis, and joining your ski friends for a Saturday evening welcome party. Our Southwest departure flight on Saturday,

Feb 10 leaves Salt Lake around noon arriving Houston Hobby late afternoon.

We will be staying at the Homewood Suites by Hilton located in Midvale, Utah (south of downtown Salt Lake City). Our rooms will be all suites with separate bedrooms, living, and full kitchen. Homewood Suites offer a complementary hot breakfast each day and a complementary light meal and beverage (wine & beer) during happy hour Monday – Thurs-

day. During our 2010 stay at the Homewood Suites, many of the group did not buy dinner Monday through Thursday, completely satisfied with the Happy Hour. If the happy hour is not enough, and you do not want to cook in your rooms, there are eight

restaurants within easy walking distance and several others a short van ride away. There is also an indoor hot tub, swimming pool, exercise room, coin laundry, and in-room high-speed internet.

We will have a Saturday night welcome party, and a Friday night celebration party.

The Homewood Suites are located 15 miles from the Cottonwood Canyon ski areas and 32 miles from the Park City Areas. On the days we ski the Cottonwood Canyon areas (Snowbird, Alta, Brighton, Solitude) we can take the Utah Transit Authority “ski bus” or use the two 15 passenger vans rented for the entire week for our convenience located at our hotel. Our discounted lift tickets from UTA include complementary access to the UTA ski bus, with its bus stop very close to Homewood Suites. Ski shuttles run frequently during ski season and you will be able to depart and return as you wish. Our two 15 passenger vans will give us great convenience for either trips to the resorts or for use in Midvale. For the day trips to Park City and Deer Valley the club will use the rented 15-passenger vans.

Join a group that will have fun, great snow, at a great price.
