From Mission Control

It's almost here! August 1st you will be able to sign up online for the trip(s) of your dreams, IF you are a member! Join or renew now if you haven't already. Some trips will most likely fill up on August 1st! You don't want to be left out in the cold! You can also sign up for trips at the September trip sign up meeting!

By now, most of you have heard our new General Meeting home is Jax Grill (see Ad on page 4). The beauty of this location is we will only have to spend \$75 a meeting for the venue, and that is only to provide you with an off-duty officer to help you park, walk you to your car, and watch your vehicle. That means we have more money to spend on two major things that we think are very important: 1) YOU, our members, and 2) marketing the club so that our club grows significantly this year. Jax also offers something that our last meeting place couldn't give us and many members wanted: on site, excellent food for purchase. I ask that you eat either before the business portion of the meeting which begins at 7:00 p.m., or after 7:30, so that we have a minimum of interruption from the intercom during the business meetings

I have heard some concerns regarding parking at Jax. We have exactly 110 parking places between the main lots, the side lot and the overflow lot. If possible, please carpool to the first two meetings. Last year we had 130 attend our September meeting. Many of these people are couples, so 110 parking places should be just fine. To be safe when drinking alcohol, Uber or taxis are also always a good option. Live close? Why not get some exercise by riding a bike, bring a lock and have our officer guard it? Motorcycles are also a good option as we can park them in areas where cars can't park. I hope we break all recent records and have 150 or more show up! If we do, I am confident we will have enough parking. For the first two meetings Jax has agreed to tell customers entering after 5:45 p.m. that there will be a private party there at 6:30. They can take their orders to go, be gone by 6:30, sign up as a guest and get on

our email list to stay! We will have a special drawing for guests only. That will alleviate the problem of some of those 110 parking places already being taken when we arrive.

Speaking of drawings, another way we are spending money on YOU is by having multiple \$10-\$25 door prizes at all meetings. Patty was adamant on that, so we allocated a significant amount of money to it. If you don't come to the meetings, you can't win! Another way we are spending money on YOU is by offering exciting, entertaining meeting programs. My Presidential Meeting Committee has been hard at work thinking up FUN things to do at the meetings. Some of these programs will not be cheap, but we think YOU are worth it! The website calendar has been updated with a brief description of all of the meeting programs, so check it out to find out the details.

I will give you a sneak peek right now: September - trip sign up; October - ski swap; November - Sunshine Kids Silent Auction; December - special off site meeting at Sun and Ski Westheimer with a fashion show, FREE wine and beer and special coupons for use that night only; January - SCSC movie night; February - The Joe Valentino Band sock hop for your dancing and listening pleasure; March - Rodeo Fun Night featuring 3 rodeo games; and April - the Second Annual Gong Show. Start thinking about your Sunshine Kids donation NOW and I will see you soon!

President

Countdown to Liftoff

Wow! Is it hot enough for you? There is nothing like the heat and humidity of a Houston summer to get your thoughts wandering to cooler places and times. Sure you could go looking for some shade or crank up your overworked AC, but let me suggest an even cooler alternative.

Picture yourself riding the gondola up Lions Head early December going after first tracks of the season. Visualize those back bowls at Vail as the cold air puts a natural blush on your cheeks and the terrain below falls away to miles of seemingly bottomless powder. Have I got your attention yet? Okay, so it gets even better. You and maybe 400 of your closest Texas friends wake up from a New Year's hangover and take Snowmass by storm. Carve up the massive terrain, churn up some Buttermilk, drop some take home pay in Aspen before you head off to the Highlands.

So maybe you did it up a little too much. You can atone for it all with the Tabernacle Choir then fly like a Snowbird for six days of ultimate skiing and a natural Alta high. You may need a rub at the Cliff Spa. Renewed and restored, you jet off to party with the French (Canadians that is) at their Winter Carnival wee wee. Castle hotel, ice hotel, no tell hotel; what happens in Quebec stays in Quebec. You may need a little extra food and drink to get over your unfounded fear of Eastern skiing. So long as we are trying new places there is Crested Butte, that place you always wanted to ski but never got to go looms straight ahead. The mountain and the town and fun will guarantee it won't be your last visit there. Seeking still more new adventure you trek off to deepest British Columbia (that's in Canada, Aye) to seek the Sun and the Peaks. Sun Peaks get it? Snow, snow, snow, ski, ski, ski, party, party, party. Man, I am getting too old for this. Only kidding. So you seek a Colorado mountain high (no not that kind) and head off to blow off some Steam on a boat, oh no, wait; that boat comes later. Big dogs and porch puppies alike will love the slope side

accommodations, awesome mountain and iconic town. By then you will be able to speak fluent Canadian and have fallen in love with the exchange rate so off to Lake Louise you will go and get to stay at the Chateau (fancy schmansy, aye). The views, the skiing, the accommodations, and the service are all first class. Don't forget the kids and grandkids. They love the slopes as well, so off to Copper we go where the lodging will be Silver or Gold and there is loads of fun for young and old. The ski season will be ending but Active Adventures will still be trending. Boating, hiking, zip-lining await a half a world away where the Kiwis work and play. Whitefish in the winter is a blast and in the summer it will be our next to last. More hiking, fishing, and zip-lining are a lark and so is Glacier National Park. I promised a boat so here it is. The Danube, in September, will be a place to remember. You can bike or kick back to take in the views. Food is included and a beverage plan is available. This closing trip will make the year unforgettable.

You can turn this dream into a reality, but you have to be a member. If you haven't already done so, sign up or renew today. Trip registrations start August 1st and I am sure the trips will fill up fast. Come join the fun.

VP of Trips

QUEBEC, CANADA

The crown jewel of French Canada, Quebec City is one of North America's oldest and most magnificent settlements. Its picturesque Old Town is a living museum of narrow cobblestone streets, 17th and 18th century houses and soaring church spires, with the splendid Chateau Frontenac towering above it all. - Plenty of skiing for all skill levels (beginners, advanced and extreme.
- Cheap Lift Tickets & No Lift lines.

Crested Butte has plenty to offer everyone, including the longest run at 2.6 miles, Peak to Treasury. The area boasts 23% beginner, 57% intermediate and 20% advanced terrain. That does NOT INCLUDE the EXTREME terrain of the upper steeps which has bowls, chutes, glades and cliff jumps! No wonder this area is host to the Freestyle Championships held here every February. More than half of Crested Butte's groomed trails, however, are rated intermediate. If fast cruising is your style, there are buffed runs off the Silver Queen Express lift. Crested Butte is well known for the Best Off-Piste and Steeps. The area has 15 lifts with a capacity of 20,310/hr. NO LIFT LINES AT THIS RESORT. The lifts run from 9-4 pm with East River and High Lift closing at 3:30pm and North Face closing at 3 pm. There are also two terrain parks, Gold Link and Cascade, part of a complete freestyle haven.

THE TOWN

No traffic lights, no chain stores, there is a difference here. There are few places remaining that can be called a true Colorado ski town; this one is the way others USED TO LOOK. Look no further because THIS IS Colorado's Last Great Ski Town!! Crested Butte oozes charm as a National Historic District. A Victorian town dating back to the late 1800's, it was a bustling mining town and today it embraces a laid back lifestyle for locals and tourists alike. They come here to ski, others come to experience some of the most extreme skiing in North America, and others come to enjoy all this beautiful area has to offer year round. It is located 231 miles SW

of Denver and 28 miles north of Gunnison, CO.

Beautiful colorful buildings offer the visitor everything from over 40 restaurants and bars, art galleries, and plenty of shopping. You won't go hungry as there is everything from sushi restaurants, many pizza places, and everything in between, and prices are reasonable. There is also live music almost every night so you can dance to your heart's delight at places like Eldo bar or the Princess wine bar. Check out the Ice Bar.

Free shuttles take you to town every 15 minutes until 9:40 pm, then every 30 minutes until midnight. Then, there are taxis to get you back to your home, only minutes away. Crested Butte and Mt. Crested Butte, that is, the mountain area and the town, are everything you seek in a ski town and more, and that includes a local friendly sense of community where you can be as casual as you want and seek as much adventure as you and your body can handle. If this town doesn't stir your inner spirit and sense of adventure, we are not sure what will. Come with us and experience the adventure.

New Zealand - CLUB TRIP

APRIL 22 -MAY 1, 2016

Linda Kuper - TC

linda@spacecity.org

713-478-9094

FIVE REASONS TO VISIT NEW ZEALAND

- Queenstown - the Southern Hemisphere's premier year round resort area - spectacular fall colors in April.
- Pleasant temperatures for hikes with views of snowfields, glaciers, waterfalls and majestic peaks.
- Visit New Zealand's award winning red wine region and sample their "Pinot Noir".
- Start your day before the rest of the world, (just west of the International Date Line).
- Sea kayak with fur seals and dolphins in a beautiful fiord near the Tasman Sea.

NEW ZEALAND - LAND OF ADVENTURE

Travel down under to a multi-island nation complete with fiords, glaciers, mountains, alpine forests, rainforests, waterfalls, world famous wines and fall foliage in April. You will leave Houston on Friday evening and arrive in Queenstown on Sunday morning.

FIRST STOP IS QUEENSTOWN.

Nestled on beautiful Lake Wakatipu, Queenstown in autumn is draped in a gorgeous color palette of reds and golds. Our home will be the Crowne Plaza hotel with its central location overlooking the lake and the surrounding mountains, called "The Remarkables". The hotel has a contemporary style and the layout allows each room to include its own private balcony or courtyard access. There are several great restaurants, bars and entertainment at the nearby Steamer Wharf on the lake. Included in your package are all meals except one dinner and two lunches.

To explore Queenstown in 5 days, we will take hikes near town and in the nearby wilderness area, cruise the lake on a historic steamship, enjoy world renowned wines at the local vineyards and stroll the shops for treasures to bring home. There is an option to fly

into Mt. Aspiring National Park, stay one night in a back country hut and hike the Siberian Valley trail to reach the river for a jet boat ride back to civilization.

The other option is to hike to the Rob Roy Glacier and the next day, visit a gold prospector hut in the nearby beech forest (this option stays in the comfort of the hotel overnight!)

SECOND STOP IS MILFORD SOUND

Our journey continues to the west coast on a bus tour to Milford Sound, which is the best

known fiord of New Zealand and the only one accessible by road. There may be a close encounter with a mob of sheep on the drive to the sound. They obviously control the flow of traffic in the area.

We stay at the picturesque Milford Sound Lodge, where you can gaze on the rainforests and the mountains on the banks of the Cleddau River. We are roughly 10 miles from the Tasman Sea at the edge of the fiord. Sea kayaks will be our vehicles to explore this beautiful southern hemisphere treasure. We will experience the natural wonders of the clear water of the sound. Gliding along at water level allows us to get a real feel for the enormity of the peaks towering overhead and possibly a close encounter with the special marine wildlife in the fiord. All the gear will be provided for this trip but bring your containers to keep your cameras safe and maybe a pair of gloves (it is fall remember and you will be riding in the cold water).

Our last day in Queenstown, we experience a jetboat ride to the most spectacular river gorges on the mighty Kawarau River, which flows eastward, joins two other rivers and passes thru the steep Kawarau Gorge. The river is lined with beautiful willow trees and towering cliffs, which is the home of the first commercial bungee jumping site. The afternoon is free time for final shopping, exploring those areas not seen with the group like enjoying a horseback ride, a bungee jump or mountain biking. We have our final group dinner and bid fond farewell to lovely New Zealand. Sunday we leave New Zealand in the

afternoon and arrive in Houston that same afternoon (only about 5 hours later) – a real journey thru time. Come along for this incredible adventure down under!!! Airfares are not finalized as of now. Also, the post trip adventure to Sydney, Australia is not finalized.

Ever wonder what they do in the mountains in the summer? The authentic mountain town of Whitefish, Montana provides for a unique vacation experience – a five-star town in the heart of the Rocky Mountain wilderness near Glacier National Park. This is a town built on the personalities, charm and wisdom of its local residents who work hard and play harder. While Glacier National Park is open year-round, summer in Whitefish offers close access to the hanging valleys and emerald peaks of this World Heritage Site, just 25 miles from town. Fish a clear mountain stream, hike an alpine trail, or embark on a historic driving tour of the famed Going-to-the-Sun Road. More than 700 miles of well-marked trails provide an incredible variety of hiking to explore mountain lakes, glaciers, plant life, and glimpses of the full-time residents such as grizzly and black bears, mountain goats, bighorn sheep, moose, deer and more.

RED BUS TOUR - GLACIER NATIONAL PARK

With their multiple doors and rollback canvas tops, the Reds are as much a part of Glacier National Park as the Going-to-the-Sun Road. While on a tour of the Park, you will marvel at the views from Logan Pass - 6646 feet high on the Continental Divide - the highest point on the breathtaking Going-to-the-Sun Road. Transfer to the Park via 50 person coach for a Full Day Tour. Sack lunch provided by Whitefish Mountain Resort.

SCENIC LIFT AND USFS NATURE CENTER PRESENTATION

A scenic lift ride is a great way to get outdoors and enjoy Mother Nature. The approximately 15 minute ride to the summit offers a chance to cool off, enjoy the scenery & visit the USFS Nature Center Presentation for local knowledge of flora and fauna and to take a guided nature walk.

Danube River Boat/Bike Tour, Austria TSC SUMMER EXPEDITION

SEPTEMBER 24 – OCTOBER 2, 2016

Rita Cardenas – co-TC

rita@spacecity.org

Leyla Ozkardesh & Rita Cardenas

The Danube Impressions Excursion is an easy, leisurely and enjoyable bicycle tour along the meandering lush green river banks of the Danube River going from village to village on quiet bike paths. This makes it an ideal way to explore the rich art, history and architecture of the Austrian and German countryside. The bicycle route we will be riding is flat with only a few gradual up or downhill sections, so if you can ride a bike 20-30 miles with 2-3 hours on the saddle, you can probably complete this bicycle tour with no difficulty. The guide is on the boat and will describe the ride to everyone each day. Then, everyone is free to do the ride on their own and at their own pace. Most of the sights will be seen by bicycle.

We begin in Passau and tour to Vienna, a firework of places of interests! Sights like St. Stephen's Cathedral, the Town Hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. At the Naschmarkt (famous food market), a stroll will become a cultural and culinary adventure. We will tour new wonderful sites on the way back to Passau. This bike tour along the German/ Austrian Danube is very special pleasure because your "hotel" riverboat is always with you.

Please imagine yourself sitting in a café alongside the majestic Danube River, enjoying a snack, wine or espresso with your friends. Your bike is just outside, waiting to take you further along your journey of

cycling the most famous bicycle path in Europe, passing castles, monasteries, vineyards and more. And knowing that after each day's ride, you will join your TSC friends onboard the boat for dinner, drinks and stories of the day's adventure. Sound good? Then this might just be the cycling-themed holiday you've been dreaming about!

DAY 1 - PASSAU

We begin in Passau, the "Bishop City", close to the Bavarian/Austrian border and also known as the City of Three Rivers. It has long been regarded as one of Germany's most beautiful cities. It is recommended to spend time visiting the world's largest Catholic Church organ or a typical Bavarian beer garden before we board the boat at 5pm.

DAY 2 - MAUTHAUSEN TO GREIN (22 MILES)

Our first biking day takes us directly along the Danube where we will enjoy the natural state of the meadow landscape. We have opportunities to visit the medieval village and former concentration camp of Mauthausen and Celtic village Mitterkirchen or an alternate slightly hilly route to "Clam Castle" which takes you through the beautiful back country of the "Strudengau". Optional trip to Grein - Austria's oldest city theatre and a castle.

DAY 3 - GREIN TO MELK TO TULLN (30 MILES)

Starting at the Strudengau, the valley expands and our bike tour leads you to Melk with its gorgeous baroque Benedictine monastery. On board the boat, we travel down the river to Tulln famous for its numerous market gardens while enjoying the sunset and evening illumination of the Wachau.

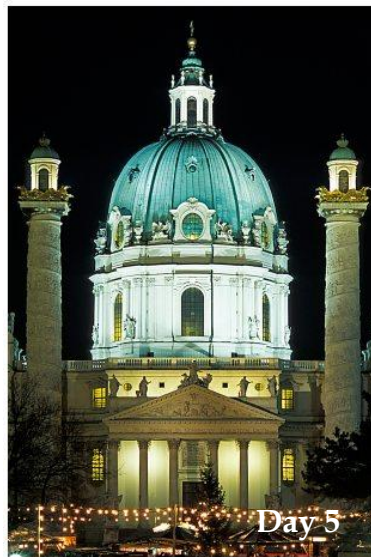

DAY 4 - TULLN ONTO VIENNA (22 MILES)

Starting in Tulln, a key historical crossing point is where we will find a number of well-preserved architectural monuments dating to the High Middle Ages and even back to Roman times. At Vienna's entrance embedded in beautiful scenery, is the monastery of Klosterneuberg. Stroll through wine vineyards and enjoy panoramic view of Vienna.

DAY 5 - VIENNA (REST DAY):

A day to explore beautiful Vienna - an abundance of sights! Famous sights like St. Stephen's Cathedral, the city hall and the world's oldest Ferris wheel (Riesenrad) are easy to reach. A stroll through the Naschmarkt (famous food market) is a wonderful cultural and culinary adventure. You can also relax at any

of the cozy coffee houses or at a typical traditional Viennese wine tavern. An optional Waltz and Opera concert at the Hofburg is offered.

DAY 6 – WACHAU/ROSSATZ-EMMERSDORF (29 MILES)

This day's biking enchants you with small dreamy towns, vineyards, castles, monasteries and ruins. Weißenkirchen- perfect for a wine tasting right alongside the cycle path.

DAY 7 – GREAT DANUBE LOOP-ENGELHARTSZELL (22 MILES)

Awaken your senses as we cycle through the Danube valley. Follow the walking trail to the lookout high above the Danube Loop with breathtaking views of the Danube valley. Tonight on board there will be a farewell dinner and a crew show - it is sure to be a night with lots of fun and entertainment.

DAY 8 – PASSAU

We disembark at 10am as we say farewell to our friends. You might spend time in the lovely city of Passau taking in all its wonders. Take a walking tour through the cobblestone streets of this Baroque town renowned for its lovely stained glass and nearly 100 churches. See the Altes Rathaus, the old town hall with 14th-century origins, murals on the façade and a glockenspiel in the tower; and visit St. Stephan's Cathedral, home to a magnificent pipe organ that is the world's largest.

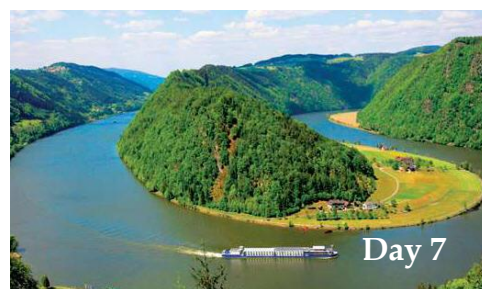

RENTAL BICYCLES INCLUDED

The rentals are modern and high standard hybrid touring bicycles. They offer 28-Zoll-Unisex-tourbikes with deep comfort-entrance. The bikes are equipped with a 21-derailleur-gear with override, caliper breaks and robust wheels. The bicycles are mostly not older than 3 years. If you prefer to rent an electric bike, you will receive modern, high quality E-Bikes – Additional \$82. Bring own helmet or buy one for \$30.

The Sun Deck with its awnings allows you to enjoy the passing scenery. There is a sauna on board too! THE ART OF TRIP SIGN-UP AND THE FINE PRINT

Trip Sign-Up: HERE IT IS! Your chance to sign-up for your favorite SCSC ski trip(s) for 2015-2016. The trip registration form is in the back of this issue of the Sitzmarke and online. Go to www.spacecity.org to sign up online starting August 1st and pay your deposit using PayPal, or you may follow up your online registration by mailing a check to the TC. You also have the option of sending your trip registration form by USPS mail; however, the envelope can be postmarked no earlier than August 1st and you will need to wait for the trip TC to notify you if you are on the trip or come to the September General Meeting to verify your registration.

1. Trip sign-up for all trips begins August 1st, 2015. We take sign-ups in three ways: 1) mail your trip registration form and deposit payment to the TC or 2) give your registration form and deposit payment directly to the trip TC at an SCSC event or 3) signup online and pay your deposit by PayPal. If you sign up by mail, make the check payable to 'SCSC' & mail to P.O. Box 22567, Houston TX 77227. Write trip name on the check & on the outside of the envelope. The envelope cannot be postmarked prior to August 1st. Any signup postmarked prior to August 1st will be at the back of the line of day one sign-ups if it becomes necessary to determine the order that registrations were received.
2. You must be a current member in good standing to be added to a trip. Contact Patty Finch, VP of Membership (membership@spacecity.org), if you have questions regarding your membership status.
3. You may sign up yourself and one other SCSC member per trip (plus children for Family Optional trips) (see by-law 2.8.A.)
4. If you choose to register by mail, include the trip registration form with your deposit. The deposit for domestic trips is \$150 per participant and international trips is \$300 per participant. Checks are to be made payable to 'SCSC' and write the TRIP NAME in the memo field on your check.
5. If you choose registration by mail, mail your trip registration form and check to the TC listed for that trip. Additional information, TC telephone numbers and e-mail addresses, is listed in this Sitzmarke.
6. If the registration meets the above guidelines, your name(s) will be added to each trip's Participant List in the order received. If a trip's participant roster is full, additional registrations received will be added to a waitlist in the order received. The TC will hold deposit checks for waitlisted members until a space becomes available on the trip. For the participants that are confirmed on the trips, the checks will be deposited immediately.
7. These procedures apply to ALL members (except the trip's TC and ATC) and all trip participants are subject to SCSC Standing Rules, Policies and Procedures.
8. SCSC is not responsible for any problems with the U.S. Postal Service or the internet, including delayed delivery or lost mail.
9. Information shown on the Trip Schedule is subject to change. Contact the TC or ATC for up-to-date information.
10. Any registrations received which do not meet the above qualifications, may be returned to the sender.
11. Land packages have been approved by The Executive Committee for this year's trips. On the trips which have a limited number of available land packages, if all are filled, you will be given the option of being on a "Land Wait List" or switching to a full package.
12. Because of the restrictions noted below for land packages, be sure you have concrete travel arrangements made before you sign up for one of these. SCSC will not be responsible for any difficulties or extra expense you incur due to delayed or canceled flights or other transportation problems.

Rules and Restrictions for Land Packages

13. The price of the land package will be the full trip price minus participant's airfare. Ground transportation will be included and available on selected trips to land package participants if they can meet the group at the destination airport on time. Ground transportation will not be delayed for land package participants arriving later than the group.
14. Other than the full package, this is the only package price available; no other combinations of lodging and/or transportation will be offered. Note: As in the past, members may "Shadow" a trip by arranging

their own transportation, lodging, etc., and pay only for the parties and trip options. Please arrange to do this in advance as some of the trip options (group dinners, parties, and lift tickets) are reserved well in advance of the departure date.

15. Normal cancellation policies apply: 1) the added stipulation that, on or after final payment date, land package participants must be replaced from a land package wait list and full package participants must be replaced from a full package wait list in order to receive a refund.
16. Be sure this is the package you want - It may not be possible to convert your trip from land package to full package, or vice versa. The Club may not be able to secure additional airline seats.
17. If you sign up for a land package, please notify the TC of your transportation plans in advance of the trip. The TC can tell you where to meet the group at the airport and other pertinent details.

Having a Blast

June's Happy Hour at Churrasco's Memorial City location was smokin'! I mean literally smoking! Thankfully the smoke coming from the ceiling was snuffed out, the waiters kept the drinks coming to all patrons standing outside after evacuation, and the firetrucks made it easy for new arrivals to find us! Thank you Gayle Dale for setting up this lively happy hour.

Twenty eight Space City Astros fans enjoyed a 13 - 0 victory game on June 14th from the recently remodeled club level at Minute Maid Park. We were afforded no rain leaking on our heads, a good view, good food, drinks, and restrooms just a few steps away. Many of us even scored free Astros grilling aprons. It was a great day all the way around. Many thanks to the event coordinator, Don Macken.

We really appreciate our volunteers! In July we invited nearly 80 volunteers to a complimentary pool party. Just offer BBQ by Bruce Lowther and Robert Clements and they will come in droves. Thank you Bruce and Robert! A big thank you also goes to Bob and Betty Donellan for letting us party at their home. The following week, Space City members and friends met for happy hour at Local Pour on W. Gray, the uber-stylish and welcome respite from work, worries, and heat.

I know some of you have had problems with registering for activities on our website. We are working hard to correct these issues while balancing efficiency, limitations, and cost. For your part, please remember to log in first, before registering for an event. Our website assumes you are NOT a member unless you log in. You will see and receive the member price if you log in first. (don't shoot, I'm just the messenger!)

We have also been tweaking the www.spacecity.org home page in an effort to make it easier for newcomers to find out what our club is doing. We are working hard to attract new members to our club. You can help the effort by welcoming visitors into your conversations at our

general meetings and special activities. Invite a visitor to find you at the next happy hour!

Looking forward, we are in need of volunteers to host and coordinate events this Fall. Do you like the theater? Blues/Jazz performances? Enjoy cards or other games? Know of a great Texas country dance hall? Are you a fan of Halloween? How about German food and oompah bands? If so, talk to me!

Till next month ...
