## Head of the Lifeline

by Stacey Ronczy

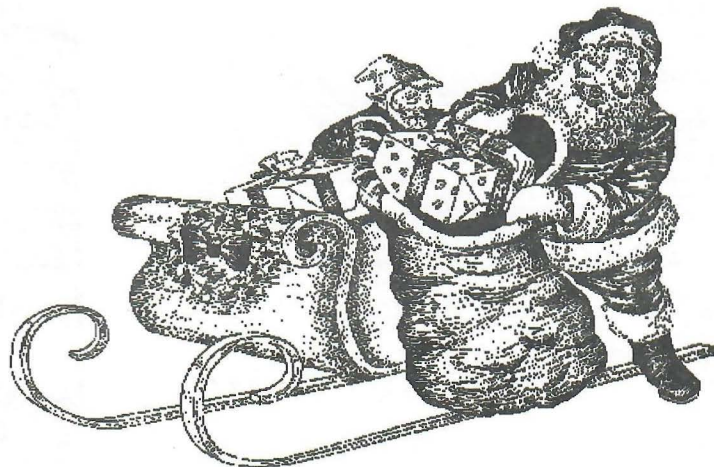

Well, we are officially in ski season. The snow is great and we are all very excited. During this Holiday Season, please do not forget those less fortunate than we are. The club's charity is the Sunshine Kids. Joe and Diane are spearheading the Sunshine Kids Auction this month at the general meeting. We raised over \$8,000 last year and I would like to see us break the \$10,000 barrier this year, so come to the December meeting and pick up some Christmas presents and at the same help a child who would not otherwise learn to ski.

Remember that your officers are here to serve you, so we would like to hear your suggestions so that we may shape the club the way you would like to see it. In that vein, I would encourage you to volunteer your time and help your club be what you want it to be - See Kathy Young and her elves, better known as the nominating committee.

I am keeping this short as I know you have plenty of errands to run for the Holidays (and skiing to fit in on your days off!). Hope to see you at the Holiday Gala on the 8th and the Club Downhill race against Clear Lake on the 10th.

Happy Holidays and Best Wishes for the New Year from my family to yours.

Hello fellow skiers! By the time you read this article, the participants of the Keystone trip will have returned and telling us how wonderful their trip was. Jackson Hole is scheduled to depart on January 6<sup>th</sup>, which is just around the corner. Looks like our ski season is off to a great start.

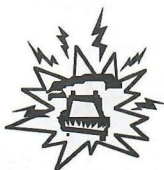

Many of you have signed up for trips recently and we appreciate your participation. You all are going to have a great time and it looks like it is snowing just about everywhere. YEAH! We still have openings on several trips. You can check the trip schedule printed in the Sitzmark for the status of each trip. We do have space available for Sugarbush, Heavenly II and Big Mountain. Even if a trip is shown as full, you can sign up for the wait list. It is very common to have openings due to cancellations so don't let a trip status of "full" discourage you.

You might notice that some of the numbers of skiers for a particular trip has changed from the very first trip schedule that was printed. These changes are a result of us having to make full commitment of the number of participants that will be traveling. We apologize for the reduction on some of the trips but we had no choice. Since we are a nonprofit club it is impossible for us to commit to paying for space if we don't have participants signed up for the trip.

All of your Trip Coordinators and Assistant Trip Coordinators have been working very hard to plan fabulous ski trips for your enjoyment. We know that you appreciate their efforts but it never hurts to remind them.

Christmas is approaching rapidly and I hope that all of you have a wonderful Christmas and a Happy New Year.

## V. P. Programs

by Joe Walker and Diane Stotz

Everyone has heard of "hump day", it's that day of the week where everything is downhill. Us skiers like to think of things in terms of "downhill". One half of our officer's terms have passed and it's all downhill from here! Diane and I had an advantage over some club members as we pretty much knew how things worked before we took this job.

However, for those of you who want to give yourself a holiday present of a type you will always cherish, consider volunteering. The pay you receive is

A. You will have fun.

B. You will make new friends.

Few things in life are more valuable than friends and you can never have too many. The benefits will then continue to pay off for a very very long time. We currently could use some help with the Christmas Gala, Houston Marathon, Channel 8 Telethon, and the December

Sunshine Kids auction; just to name a few. We need to plan some new activities for the spring and summer, and you are just the ones we need.

All of the activities deserve special merit. I don't usually write about the particulars of each event (that's what the follow up articles are for). However, the Moonlight Sail had an almost magical quality which will be long remembered by those who participated. Ask someone who went.

And lastly, if you are shy and want to have a rewarding volunteer experience but do not know how to approach the problem, simply find me at a meeting or happy hour and say the magic words "I want to help with something and I am not sure how to approach the problem". I'll wave my magic wand and rub my magic lamp. My genie will pop out (I call her Diane!) and all your wishes will come true.

Happy Holidays from Joe and Diane

# Bowling Tournament

Bellaire, Texas...Home of the U.S. Champion Little League Team of the new millennium was also home to 36 SCSCers bowling on Sunday afternoon, August 27<sup>th</sup> at the Palace Lanes. This was the greatest way to "beat the heat" as Houston was having one of the hottest summers in recorded history. The Palace Lanes had their air so cold, "high beams" were seen on some of our female members! Things soon warmed up as the competition began. It was explained that prizes would be earned on an individual basis and NOT team basis. To add to the fun, a quiz was handed to each player asking them to keep track of the number of strikes, spares, gutter balls and splits. In addition, there were some bonus questions, ranging from: When was SCSC first organized? To, What was the name of the last "Survivor"?

The "winners" are as follows: Most strikes per game **Darlene Hirasaki** and **Arlen Isham**; most spares per game **Pam Smith** and **Gerry Simpson**; most converted splits per game **Jo Beth Isham** and **Ted Bergeron**; most gutter balls per game **Diane Stotz** and **Charles Butler**. High Game **Jeri Hartman** and **Jim Edwards**; Low Game **Becky Hall** and **Stan Broniak**. High Series **Mary Mann** 455 and **Gary Butler** 551; Low Series, **Christine Riseley** and **Mark LaGrange**. The prize for answering (correctly) the most Bonus questions was won by **Ladye Freitag**. And, **Kayleen Kill** won the Special Bonus Question: "What year was SCSC founded?"

Thanks gang, for a fun, cool day!

(By the way, the answers are 1964 and Richard Hatch.)
