## HEAD OF THE LIFT LINE

by Craig T. Liebergot

My how time flies when you're having fun! In just two short months the 1993-94 Executive committee will take over the day to day responsibilities of managing Space City Ski Club. **PAM HOLDER**, chairperson for this year's Nominating Committee, presented the slate of officers nominees at the February General Meeting and they are as follows: **TOM HOGLE** - President, **PAM WILLIAMS** - Programs, **ANGIE WESTERGREN** - Trips, **TERRY MCGUINNESS** - Membership, **NOLAN BADEAUX** - Publications, **PATTI RICHARDS** - Secretary, and **KAYLEEN KILL** - Treasurer. There were no nominations from the floor. In accordance with the By-Laws of the Club, the election of officers will take place at the March 8th General Meeting.

*What accommodations!!!*

**ED CAIN**, chairman of the By-Laws/Standing Rules Committee, presented By-Law changes at the February General Meeting. These recommended By-Law changes can be found in this month's Sitzmarke. Please review these changes as they will be discussed and voted on at the March General Meeting. Standing Rule changes were approved at the last Board of Directors Meeting and can also be found in this issue. I would like to thank all of the By-Law committee members - **HAROLD EATON, JERI HARTMAN, SHIRLEY LANG** and **SY LIEBERGOT** - for all of their time in researching and compiling additions and changes to the Club's Standing Rules and By-Laws. It's never an easy task and their input and hard work is greatly appreciated.

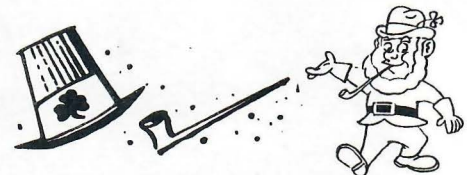

If you were at the February General Meeting, you probably noticed a new SCSC banner. Kudos to **SHIRLEY LANG, JERI HARTMAN** and **KIM PAGE** for researching and designing a banner to replace the one that was lost a couple of years ago.

Happy Hour will be March 18th at **GRIF'S**. See you at the "No-Problem...No Program" General Meeting on March 8th.

**HAPPY ST. PADDY'S DAY!!**

## FROM THE SKI DESK... by Debbie Bergeron, VP of Trips

Eleven down, and just two trips to go! The grand finales of 1993 are March 13th, which brings SCSCs long awaited excursion to Mount Bachelor, Oregon, and on March 27th when SCSC ventures back to Park City, Utah for the 1993 TSC Final Showdown, always a crowd-pleaser!

Even though you may not have yet taken that one final run of the 1992-93 ski season, did you realize that consideration of the 1993-94 Texas Ski Week trips is already in progress?! Confidential proposals are now being reviewed by the TSC Pre-Select Committee, who will narrow the field down to 15 or 20 resorts to present bids at the TSC Annual Bid Meeting in San Antonio in mid-April. On the second day of this meeting, the 1993-94 TSC Texas Ski Week trips will then be determined by vote of delegates representing each of the 20+ clubs of the entire Council!

Your input is needed to help with each year's trip schedule, so be sure to indicate your preference on the Trip Evaluation Form and Survey given to each of our skiing members at the conclusion of each ski trip! The majority of destinations requested are the ones the VP of Trips works towards scheduling for the following season!

Several of you have already inquired as to what trips SCSC will offer for 1993-94, and in addition to the aforementioned points, you may find it interesting that the answer to this question could possibly depend on you. SCSC can run only as many trips as there are qualified volunteers for - so, yes, it's that time of year again to start thinking about applying as a TC or ATC for next ski season! The TC/ATC application will appear in next month's Sitzmarke, so be sure to fill it out and turn it in as indicated on the form. PLEASE RECOGNIZE that these applications must be received no later than the date specified on the form (usually mid to late April).

In closing, a very sincere "Thanks!" and welcome aboard to MERREL SMITH, who has taken over the ATC position for the upcoming Park City trip. Former ATC LORNA JONES has taken over the helm for TC JEFF SARFF whose new job arrived without enough vacation time for Jeff to go on his own trip! Good Guy Jeff has offered to assist on the trip wherever possible, and his generosity is really appreciated. Jeff, you'll be sorely missed!!

Hope to see you on the slopes!!!

Debbie & Innsbruck SCSCers at Salzburg

### DID YOU KNOW.....

THAT THE BEST WAY TO APPLY FOR A SKI TRIP COORDINATOR POSITION IS:

- \* You must have participated as a member on at least one SCSC trip in order to apply for a ski trip coordinator position (Standing Rule 10.3.A). Further, a candidate who has successfully completed running a club activity prior to applying for a ski trip leader position increases his chances of being appointed to a trip coordinator position.
- \* Applications for trip coordinator are taken by the incoming VP of Trips in March and April of each year for recommendation to, and approval by, the Executive Committee. This process is completed at the May Executive Committee Meeting held within the first 10 to 14 days of May.
- \* Current officers and Directors of Trips are ineligible to serve as Trip Coordinators and/or Assistant Trip Coordinators (Standing Rule 10.3.A).
- \* An ATC does not automatically become a TC the following year; they must reapply and go through the approval process again. Further, TCs generally are not permitted to repeat the following year in the same capacity. They may, however, apply for officer positions for the following year!

### CLASSIFIED ADVERTISING IN THE SITMARKE!!!

SCSC members can advertise in the monthly newsletter for the low price of \$12.00 per month. For that great price you will get up to FOUR lines, single column --\$2.00 per line for each additional line. To submit a classified ad print and mail with \$12.00 (checks payable to SCSC) to Peggy Donley, 2830 Lakeview, Missouri City, Texas 77459 by the first of the month prior to when you want the ad to appear.

"EXCLUSIVELY OURS"!!! That's right, Grif's "Shillelagh" Inn will open up exclusively for SCSC Members for our March Happy Hour. How Fitting!! Mind you, this is an IRISH INN, steeped in all the Irish tradition, culture and superstition that makes Leprechauns, Shillelagh's and Blarney Stones so magical and mysterious. Not to be outdone, don't forget that NANCY BOELSEN has managed to have SCSC included in Grif's Army for the St. Patrick's Day Parade on March 13th--Call her now for details at 621-5348. Does this sound like an IRISH MARCH??? MARCH!!!

For those of you who have followed and kept up with my kidnapping, thank you for all your concern, your calls, and your letters, all of which helped immeasurably as I suffered through Good Snow, Good Sun and Good Times while with the "Vail Rowdy Bunch". Also, thanks again to SARA GREEN who once more said "yes" when asked to volunteer. However, when she realized that she had said "yes" to running the January meeting, you should have seen how the size of her eyes grew larger and larger as she said "I said yes to WHAT!! Well, OK, I guess!"

For those of you waiting with bated breath for our upcoming activities in March, wait no longer. We have the Parade mentioned above run by Nancy and SUE SALVAGE - International Duck Race/ PATTI RICHARDS - and a Sock Hop/SHIRLEY LANG.

In an effort to provide a variety of programs for our members, new and old, the March Meeting was originally planned to be "No Problem, No Program, No Problem"; however, due to extenuating circumstances over which I had no control, the format has been slightly modified to "No Problem, SHORT Program, No Problem". Come to the meeting and find out what! Enjoy!!

How 'bout them "Lone Star Cowboys" and IVAN BUTTERFIELD? Weren't they Great!? Thanks Guys!! Even though the Rodeo Season came upon us slowly, but inexorably, it is now here in full swing with dances, dinners, trail rides and parties. Hope you're getting your fair share of all the "Rodeo Goings On"!

Last Month's activities were hugely popular. Thanks to PATTY BRENNAN/SHERRY SOUTHWORTH--IMAX Debut, DEBORAH HUTCHINSON--Muder Mystery Dinner, WHOEVER--Longhorn Saloon Dancing and of course, how about that "Rodeo Night Blow Out"?

And now, as the sun sets quietly in the West, it's time for this "ole" cowpoke to "Rodeo on Down" and say to all you Cowboys and Cowgirls---"Til the Next time"---

## RAC'E'Y NEWS....

by TERRY MCGUINNESS, SCSC Race Director

January was a big month for SCSC NASTAR racers. We competed in three separate races at Steamboat, Jackson Hole and Vail. A total of 143 skiers raced for the gold. That must be a record for the club and it shows the renewed interest in the event. Many members competed for the very first time and now are hooked on the thrill and excitement of the race. Even for those whose first venture down the race course was a well controlled snowplow, the fun was evident as seen on their faces after actually completing the course. My hat's off to all those who tried the event and I encourage all those who have never tried it to consider the sense of accomplishment that comes after skiing NASTAR. Now for the results from the three races.

**STEAMBOAT:** SCSC had a large group (96) compete. We won 4 gold, 14 silver, and 29 bronze, a total of 47 medals in the club race. Unfortunately we did not win the trip trophy; instead we garnered third place with Lone Star first, and Los Amigos second. We are tied with Lone Star and Los Amigos, with 4 points each for the Division I TSC cup. All will be determined at the Final Showdown at Park City.

The top three men and women in the club races were: **GEORGE HIRASAKI** (gold), **NELSON TURNER** (gold), **LARRY CHRISTI** (silver); **CHERYL HOUGE** (silver), **KAYLEEN KILL** (silver), and **DIANE JAMIL** (bronze). The races were extremely close, and several others should be given honorable mention for racing a mere .1 or .2 seconds slower than the top three. **ED CAIN** (silver), **TERRY CHAMNESS** (gold), and **LARRY GOWING** (silver); **PEGGY SCHILLINGER**, **MARTI TOOMER** and **DIANE MCKENZIE** (bronze). In the individual races, George Hirasaki, with a gold, was first in the senior men, and **LOTTY GAITSCHI**, with a bronze, came in second in the senior women races. A special thanks goes to **HARRY GASTON** (gold), as the overall trip race director, and his assistant race directors: **RICHARD HENDERSON** (bronze), **MERREL SMITH** and **CHIP DOUBET**.

**JACKSON HOLE:** At one of the toughest ski resorts in the U.S. why have a NASTAR race, as everyday skiing was so hard? The answer was because it is fun! Fun indeed was what the 20 brave SCSCers received for their efforts. Since it was a non-TSC trip, each racer had two chances to race. The results were outstanding, considering the terrain. We received one silver and five bronze medals. The top three men were **SCOTT KELLER**, **PETE STECK** and **DAN DEBAKEY** (bronze), and for the women, **BILLIE NOWAK**, **ANGIE WESTERGREN** (TC) and **LINDA LICARIONE**. The lone silver medal was won by **JAMES WAYNE** and the last two bronze medals were won by **JIM BURTON** and **CARY FADEN** (ATC). A nice job of organizing the event was done by the trip race director **RON FLOWERS**.

**VAIL:** At the end of a glorious week skiing on warm sunny days, 27 determined SCSC racers tried their skills against a challenging NASTAR course. The top honors went to **VAN MILES** (silver), **MARK YOKUBAITIS** (bronze), **TOM HOGLE** (silver); **DEBRA STARNES**, **SUZAN MILES** (both won bronze) and **PAMELA LOGSDON**. Because the course was difficult, only two silver and four bronze medals were won by the skiers, including a bronze by **DONALD TRAPP**. As the trip race director, I was aided by my assistant **DAVE LINDSEY**.

So as you can read, the month was busy for racing. To date, over 180 SCSC racers have participated in NASTAR, which is a great turnout. With several more trips in the next two months, we will have many more skiers trying the racing circuit. Hopefully, you will be one of the adventurous ones who want to give NASTAR a try. Once you do, you will probably do it every chance you can get on a trip. Good luck in your skiing/racing and go for the gold!

# 1993-94 SKI SEASON

## PRESIDENT

### Tom Hogle

The SCSC that we know today is the result of the vision of a small group of guys and gals back in the "60's" and their desire to be able to go skiing with a group of

their friends. Thank goodness for their vision, their desire and their efforts! Today, SCSC is one of the premier ski clubs in the State of Texas and 1400 members strong! From its modest origin of a few guys/gals, it has grown into much more than just a ski club. Even though SCSC offers more ski trips with more variety than any other club in Texas, it also provides many other opportunities for social activities.

To me, the times I have been involved with and on SCSC activities/ski trips has been both very nurturing and rewarding. I have taken advantage of the opportunity to meet and make many new friends. In addition, the time I have spent volunteering has paid me back immeasurably in terms of self-satisfaction, gratitude, and most importantly, FRIENDSHIPS!

It is my hope that the environment and atmosphere that SCSC projects will become more inviting to visitors, more cheerful for members, and more rewarding for our many **VOLUNTEERS** who so often donate their time, their energies and their good spirits. I'm looking forward to leading the continued effort to make our club better and better!!! Here's to '93/'94!

## VP/PROGRAMS

### Pam Williams

Being nominated to serve SCSC as the Vice President of Programs is indeed an honor. SCSC has been like a good friend for many years and I am glad to be giving something back!!

My first experience with SCSC was a ski trip to Copper Mountain in January, 1983. Many of the people I met on that first trip and the ones that followed are still good friends.

Through the last 10 years I have had many wonderful experiences with the Club---Road rallies, Mardi Gras, ski trips, volunteer parties and all the rest.

The first experience I had with volunteering was as the Activity Coordinator for one of the now famous (or infamous!) Mercer "Rainey" Campout. What a way to jump in and get involved!! After that there was no stopping!

Wonderful opportunities to keep volunteering came my way---I have run several tennis tournaments (my passion!), been a Lift Liner (several times!), sat at meeting sign-in and served as ATC on the family trip to Vail last year.

Activities, both ski and non-ski, are my greatest enjoyment and I hope will be yours, so join me for the many exciting possibilities yet to be explored and the many fun times to come. Following Tom Hogle will be a tough act---but with **VOLUNTEERS** we can continue his efforts!

## VP/TRIPS

### Angie Westergreen

Being nominated for VP of Trips (especially following in DEBBIE BERGERON's footsteps) is quite an honor. What an act to follow!! I'm up for the challenge, however, because I am very committed to SCSC, and I love to ski!!

My goal as an officer is to help spread my enthusiasm for the club and to encourage others to volunteer. I joined SCSC in 1990, and my first volunteer activity was the 1991 Follies. Then I took the big plunge and was the ATC for the Park City Trip for the 1991/92 ski season. Once I volunteered I met so many new friends and no longer felt like a stranger coming to monthly meetings. After being an ATC, I moved on to TC for this year's Jackson Hole Trip. It was GREAT!!!

I believe my organizational skills (combined with my attitude as a team player) will help me perform the duties of this office effectively. When I'm not playing (i. e., snowskiing, golf, softball, etc.) I'm the VP/Corporate Controller at Centeq Development Inc. (However, I try not to let anyone guess I'm a CPA!!)

I am very enthusiastic about putting together an "awesome" trip schedule for the '93/'94 ski season and look forward to the opportunity to serve SCSC in the capacity of VP of Trips. I would appreciate your support and willingness to **VOLUNTEER!!**

## VP/

## PUBLICATIONS

### Nolan Badeaux

Since joining SCSC I have gone on ski trips too numerous to mention!! In exchange for all these great times I have volunteered my time as an Assistant Trip Coordinator, Trip Nastar Race Director, helped with membership, been on The Sitzmarke staff, aided in monthly programs and generally tried to be a helpful "flunkie" whenever needed. I did this because I believe that when a person belongs to an organization, they should try to help make that organization the best possible, and the way to do that is Volunteer!

I hope to contribute to the best of my abilities to continue to make the publications committee a strong and effective organization, and to get as many people as possible involved in the operations of The Sitzmarke!

To do this I plan to use my Cajun ingenuity (I was born and raised in Louisiana), and my management skills learned while working at Pennzoil, coordinating their domestic offshore exploration program and as an Air Force Veteran (retiring with the rank of Colonel.) Further, since I retired from Pennzoil in 1991, I will have lots of time to give to a continuing effort to make The Sitzmarke a great publication! I'll be looking for you to Volunteer or better yet---why don't you give me a call!!

**SO VOLUNTEER!!!**

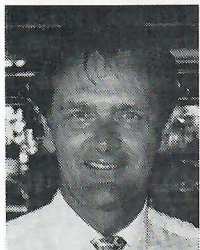

# OFFICER NOMINEES

## VP/ MEMBERSHIP

### Terry McGuinness

I have been very active in SCSC since joining in 1987. Since then I have had the opportunity to help or run activities and ski trips. This year as the Club's Race Director, I have been enthusiastically promoting NASTAR racing at pretrip parties, meetings, happy hours and activities! Monthly meetings and Happy Hours have found me volunteering to be a "Greeter", hopefully providing a warm welcome to new members and guests to the Club. I have also been seen doing these

s a m e duties at S C S C Christmas and Halloween Parties. I

have enjoyed partaking in the fun of the SCSC Follies, (some of you may recall my lipsync rendition of Guitarzan wearing a wig and not much else in the Follies!) and Fashion Show. I have found being a member of SCSC very rewarding and have participated in numerous ski trips and as many activities as possible. In fact, I consider the ski club my main social group!

Recently I have started a new job in business development for an engineering company. Fortunately, I also have good computer skills--a must for VP/Membership!!

I am looking forward to serving as your VP of Membership and hope that my enthusiasm is contagious and will attract new members and more **VOLUNTEERS!!**

## SECRETARY

### Patti Richards

WOW!! How time flies when you're having fun!!

Seems like only yesterday when I strapped on my first pair of skis with SCSC in 1982 and went on my first ski trip. Since that time, it's been one adventure after another! Whether it's been invading Colorado or boot scooting about town at one of our many local watering holes, I've learned this group really knows how to party-on-down and have a good time!

While being a merry reveler, on many occasions I have actually lead the revelers--most recently to Vail as ATC--but, also including Christmas parties, Whip parties, and Alley Nights. Next on the agenda is the "Great Duck Race" on March 21st, so don't miss out on this fun time happening.

In addition to my responsibilities as Secretary, my goal for next year will be to encourage more members to take advantage of the many opportunities for good times that SCSC provides. Come join me next year by **VOLUNTEERING** to lead the revelers!!!

**JUST DO IT! Volunteer NOW!**

## TREASURER

### Kayleen Kill

I am honored and excited about being the Nominee for Treasurer of Space City Ski Club. This is the third ski club I've belonged to, but there is no doubt in my mind that Space City is the most organized and best run.

Although I'm not an accountant or bookkeeper by training, I have my MBA, which of course requires accounting classes! I have been Treasurer of a number of organizations, including two years for the Toledo Ski Club. Two years after I was treasurer, the IRS audited the two years I kept the books, so I learned a great deal about IRS requirements from this experience!!

With this past experience, I have no misconceptions about the work that the job will involve, and feel capable of handling this responsibility.

My job with Marathon Oil Company as an

Advanced Senior System Analyst requires providing support to field

offices on their computerized financial systems, I have a good understanding of how to use computerized book-keeping systems.

I have been a member of SCSC since December 1990, joining before I actually moved here in January 1991. Knowing how important it is to volunteer, I quickly began to volunteer and ran a golf tournament in 1992 and this year TCed the Innsbruck trip. Please join me **VOLUNTEERING!!!**

# THE RAGING RIVER (GUADALUPE??) RAFT TRIP

by **SUE SALVAGE**

The fun began at the Northwest Metro Center. As a mixer, **BECKY HALL** was in charge of passing out the wrong name tags to everyone. Each person had to find out whose name tag they had. Knowing this, why was **SAM SCHAGRIN** asking all the women, even those with name tags, "Are you Becky Hall" when it was Becky who gave him the tag?

The bus ride was almost perfect. **DEBRA ROGERS** was able to relive her days as a flight attendant by passing out sandwiches and drinks. **SUE BARNETT** brought her jam box and we had singing and dancing in the street, I mean aisle. Some of our performers were **RICH HENDERSON, JOANNE LANE, MEL TAWNEY, LORNA JONES,** and **OSWALD CASTILLO**. They were all very entertaining and really got the group revved up.

**PHIL BURKHART, SUE SALVAGE** and **RICHARD BUGLER** were very busy applying "temporary tattoos" to various body parts. You should check with those who participated to find out where they were applied -- **NERY BALLINGER, Oswald Castillo, PAM CUMMINGS, BOBBIE LOWERY, Sam Schagrin, GEORGETTE TAYLOR** and **VALERIE VAUGHN**, to name a few.

Late into the bus ride the real fun began. The bus missed the "Y" to the right for River Road (no one noticed) and then broke down. However, we all know that it wouldn't be a SCSC Raft trip if the bus did not break down. Richard Bugler and **ED KANYUCK** came to the rescue. With Richard's mobile phone and Ed's mobile phone and car (to find the campgrounds), we ended up at the campgrounds only about 1 1/2 hours late. Much to the delight of everyone we had perfect weather AND

a full moon. We must have some vampires on the trip as there was lots of howling at the moon going on. In addition, **PAULA FREEMAN** learned the hard way that staying sober can be dangerous as she cut her foot stepping off the bus.

Once at the campgrounds, and all set up, Pam Cummings, aka "guitar star", serenaded us. Be sure to see her at Munchies.

Saturday morning **GAIL EDMISTON** and **KATHY MENSINK** ran into friends camped next to us. Friday night they thought we were a religious group. Early Saturday morning they moved! Could it have anything to do with the Mexican music till 5 AM or shrieks from those skinny dipping (names to remain anonymous). Ed Kanyuck and **PEGGY SCHILLINGER** were falsely accused of being the skinny dippers and are still trying to clear their names.

As usual, the rafting (aka water fights) and the beer brought out the kid in all of us. The "beer raft" was headed up by Texas River Expeditions leader Tom Gardner and his very quiet crew of **MARK ROFFMAN** and **KIM CAVENDAR**. They might be quiet, but they sure can pass out Budweiser.

**KATY KRUEGER**, with her deadly high tech, water machine gun, and **KEVIN BISHOP**, with his water cannon,

looked like people not to be messed with. However, Kevin's cannon broke before it could be put to the test.

One of the rafts was named "The Bailing Boat" with Gail Edmiston, Kathy Menski, Oswald Castillo, **HOWARD SCHOENIKE**, Bobbie Lowery, **JIM RINKE** and the TRE Guide. They spent more time bailing than anything else.

This year, in addition to rafts, we also had inflatable kayaks. The first to grab one of these was **LARRY GOWINGS** and **STU TRAVER**. They got a wild start early by kidnapping Sue Salvage, the TC from "The Love Boat". Sue made a great escape. The guys later joined the love boat, which was when we learned Stu's alias: "Scum Sucking Bilge Water Terrorist" as he attacked his own crew members! Stu was tossed overboard twice and left to the mercy of another raft. Their mercy was short lived as they also tossed him overboard. **ANDY THOMAS** kept us in stitches with stories about the "teeny weenies" in other rafts and kayaks, along with his comments about the tush of **SALLY THOMAS** (his wife). **JUDY YOUENS** had a great time even though it was suggested she take kayak lessons before her next trip.

Saturday evening brought our annual trek to Gruene Hall. **JIM SCHROCK**, aka question man, was said to put those ladies in a trance with his smooth two steppin' and Phil Burkhardt received the "smart steppin' dance instructors" award from all the ladies he rounded the floor with. There was much discussion about the definition of the "real" cowboy. Ed Kanyuck helped Becky Hall and Sue Salvage pick a potential "real" cowboy the girls could check out. After a somewhat lengthy interview, it was determined he met all the criteria developed. He turned out to be quite interesting!

Sunday morning brought the following comments: (1) Nery Ballinger was heard asking "what kind of fruit is that anyway?" (2) Howard Schoenike won't share a tent with Jim Rinke again. (3) Mel Tawney has a very cute bald spot. (4) Pam

Cummings held Sunday services. (5) Kevin Bishop her Pam singing throughout the campgrounds. (6) Tom Gardner (of TRE) offered to sing for the hearing impaired. (7) Was **TERRY MCGUINNESS** the person who lost the hot pink bikini undies? Terry, is this true?

Now the group had to make a choice: (1) Take the bus and tube for a couple of hours from Mt. Breeze, or (2) stay at the campgrounds and tube through Devil's Playground then head to Gruene

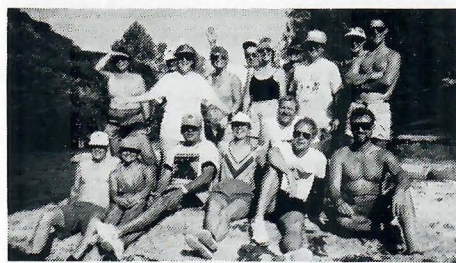

for shopping and/or lunch. As a final salute to us prior to leaving two of the rental tents from TRE were caught "in the act" as you can see in the picture. This sight drew lots of

comments and laughs. On the bus back there were several **OSCARS** awarded: **RANDY KUNKEE** - best PC person  
**Valerie Vaughn** - best heart's player  
**Richard Bugler** - best kisser  
**Phil Burkhart** - best tent  
**Debbie Rogers** - best laugh  
**Pam Cummings** - best voice  
**Oswald Castillo** - best dressed  
**Rich Henderson** - best bullshit  
**PAT SCHAGRIN** - best cut-offs  
**Georgette Taylor** - best divorce story

**G.A. ADDICKS** and **MIKE DAWSON** - most romantic couple  
**BYRON MAKARWICH** - best use for the holes in a hammock  
**MELANIE BALDWIN** - Good Samaritan, for sharing her tent (but not her sleeping bag), with a stranded soul Friday night.

We made it back to Houston and our post trip party was held at the home of Phil Burkhart with lots of food, drink, pictures, dancing, and reminiscing.

Thanks to all the participants on the trip. It's you who made the trip successful and you all are wonderful. Many thanks also to those who lugged coolers, beer and soda for me; and a very special thanks to Phil Burkhart who acted as unofficial ATC. I could not have done it without you.

## HEARD AT...

by **BARBARA HUEY**

You recall our previous items on **MANUEL VALLE**? Well, you may recall that his ticket incident all started with his running at Memorial Park in preparation for the Tenneco Marathon. This update is just to let you know he did begin and **FINISH** the big race!!

Also, we have a bionic man in SCSC...it seems that one marathon race wasn't enough for one day--**IVAN BUTTERFIELD** completed the Tenneco race and then ran a 10K later in the day!!

**SANDY HOFFMAN** seems fully recovered (physically) following an auto accident over Christmas while in West Texas during an ice storm. Her car was totaled in the incident.

Heard that Jackson Hole was **THE TRIP**--lots of men and few women. Who were the lucky gals??

## BIG BEND UP-DATE

April 29-May 2, 1993  
Only \$393.00

**THE STARS AT NIGHT  
ARE BIG AND BRIGHT  
DEEP IN THE OF TEXAS!!!**

If you have ever wanted to experience Big Bend--this is a great trip to introduce you to this most beautiful part of Texas. The trip is a BARGAIN. It includes: seven meals, three nights lodging, airfare, one day of river rafting and one day of hiking. (The other options are horse bike riding and/or hiking at an additional cost.)

The trip will begin with a late afternoon flight on Thursday to Midland/Odessa. Upon arrival we'll take a bus to Lajitas. Our accommodations will include the same base camp for three nights with permanent tents. All the participants will need will be their own sleeping bag, ground mattress and a pillow.

Friday morning we'll get up and head north to put in on the Colorado River. There are some areas of fast moving water, but this is not considered a white water rafting trip.

Then on Saturday, you can do what you want--hike, bike or ride horses. All our meals will be personally prepared for us by Texas River Expeditions, but if you really want to help cook you can!! We'll conclude Saturday night with dinner and a margarita party.

On Sunday we'll have a late brunch and begin the return process to Midland/Odessa and Houston.

Wardrobe needs are limited on this trip. You'll want to pack light with dark colors--keep it simply. More details will be available at the Pretrip party.

So, if you are the type who wants a leisurely way to experience the wilderness and want to join a group of similar souls--this trip is for you. Final payment is Monday, March 8, 1993 (March general meeting).

The trip is coordinated through Texas River Expedition with TOM GARDNER being our TRE representative.

## SOUNDS OF SILENCE

*Editor's Note: After their heartwarming program in December, the Sounds of Silence sent the Club the following Thank You.. If you enjoyed the program, make sure you let your 93/94 officers know you'd like to have them back!*

We would like to thank you once again for the invitation to perform for "Space City Ski Club" and the warm welcome we received. Some of our members who visually demonstrated their skills for the first time at your performance were overwhelmed by the response! All of the warm clothes and can goods were gratefully accepted by people in need, both in and outside the group.

We will be diligently working in our community this year, and look forward to Project '93. We know that we can make a difference in the lives of Deaf Children. We would appreciate the continual support of Space City Ski Club in our endeavors so Sounds of Silence may enlighten the lives of deaf children and demonstrate that ALL children can function productively in our community. It is only with the support of organizations like Space City Ski Club that we are able to open hearts, open minds, and open doors for deaf children in our community. HAVE A HAPPY AND BLESSED NEW YEAR!

## BACKPACKING UPDATE

Her shimmering waters will look like blue champagne surrounded by green crystal. Her waterfalls and briskly flowing streams will be the fountains that sustain us. Her crisp clean air will be scented with hibiscus, mango and guava, while her beaches will warm us as we connect with the sun and stars. Our minds will be convinced we've found the goddess of paradise! We will have --- and her name will be Kauai!!

Yes, July 31 --- August 7 will find twelve brave Space City adventurers eschewing the shackles of the mundane, of work, of regimentation, of the obvious, and trekking the unspoiled wilderness of Kauai, Hawaii. What we will experience will be long remembered.

The Island of Kauai in the Hawaiian Islands possibly might be the most beautiful place on Earth. Graced with Waimea Canyon, often called the "Grand Canyon of the Pacific", the incredibly beautiful Na Pali Coast, crystalline blue water and verdant mountains, Kauai is a special place whose beauty is unmatched.

Kauai is the oldest of the Hawaiian islands. Its extinct volcano which towers over 5,000 feet is caressed at its summit by over 500 inches of rain per year making it the world's wettest spot. There is little reason to wonder, therefore, why Kauai has hundreds of waterfalls of every magnitude and scope. The topography is rugged with wilderness dominating throughout. Its beaches are incredibly beautiful, so much so that it was the site for the filming of the movie "South Pacific", as well as other movies and the opening scenes of the TV show "Fantasy Island".

As backpackers, we have an astounding opportunity to see Kauai in a manner most would envy. We will explore remote beaches, climb to towering cliffs, swim in natural pools, eat guava

and mangos right off the tree, and shower under cascading waterfalls!!

We will visit every beach used in the movie "South Pacific" and when we exit the Na Pali coast on our next to last day we will arrive, as did the Lieutenant and his sidekick, at the beach used as Bali Hai. We will visit Lumahai Beach where Nellie tried to "wash that man right out of her hair". Our last night we will watch a blazing Hawaiian sunset from Hanalei Bay, above which stood the "Frenchman's" house and which inspired him to sing "Some Enchanted Evening". It is little wonder, therefore, that this trip has been named "Return to South Pacific".

This is NOT a trip for those who expect a week of condos and night clubs, although there is certainly nothing wrong with that. This trip will be physically demanding and will require complete warm weather backpacking equipment. We will drink water we purify ourselves along the trail. Our hikes will range from 5 to 10 miles a day with constantly changing elevations and often narrow trails. In exchange for this physical exertion and lack of modern conveniences, we will be rewarded with unsurpassed views, stunning sunsets and breathtaking vistas. To backpack Kauai is to experience nature at its finest.

So join us on this unique experience for which only a very few slots are left. Please contact me, Rich Henderson, at 627-3928 and begin a process which might include you in PARADISE!!!
