## HEAD OF THE LIFT LINE

by Craig Tharpe Liebergot

I want to give a big ATTA-BOY (and GIRL) to last year's officers. They worked diligently to provide new ideas, suggestions and manuals that can be carried forth as valuable information for future officers. So, many thanks to the outgoing officers and incoming Board of Directors: Ginger, Shirley, Debbie, Ed, Donna, Beverly, and Ray.

Your new officers are already busy at work, so if you have any ideas for the new year, let them know.

**Tom Hogle** (alias Captain Flash) is taking over the reins as VP Programs with gusto. He has many creative ideas for activities, so give him a call if you'd like to help run one of them or have any ideas of your own for an activity.

**Debbie Bergeron**, VP Trips, who graciously volunteered to do this thankless job again, is already hard at work planning an even more exciting schedule of trips than last year (if that's possible). If you would like to help run a trip, you need to contact Debbie ASAP as the trips are being planned as this article goes to press.

**A.G. Davis** is gearing up as VP Membership. At this writing, he is up to the top of his ski poles in membership applications. So, if you've not mailed your application, give A.G. a big hello at the May meeting by giving him your membership application and a check. Remember—you need to renew your membership by May 31, 1992.

**Richard Hall**, your incoming secretary, has proven that affirmative action is alive and well in our club. For 28 years men have tried to break through this seemingly insurmountable sex barrier...NOT! Richard has already started getting all of the forms for the club in order. Don't forget that Richard needs to be notified of all club functions so that he can get them on the club calendar. If Richard doesn't know about it, NOBODY knows about it.

**Peggy Donley** will be wearing a different hat this year as your new VP Publications. Peggy was called upon again to help the club and has gone beyond the call of duty by taking on yet another office in Space City. Her experience and willingness to serve is greatly appreciated. As VP Publications, she is forced to stay one step ahead of the rest of us every month and therefore needs our help in getting those articles in by the deadline so that she can get us The Sitzmarke on time.

**Marti Toomer**, your very qualified new treasurer, has taken over the checkbook from Ray Naudain (as Ray utters a BIG sigh of relief). Rumor has it that Marti has already been given the nickname "Ivanette the Terrible" when it comes to writing a check without a receipt. She was last heard saying, "No receipt ??? NO CHECK!!!" I know that she will continue to keep Space City running in a fiscally responsible manner.

A BIG thank you to all of last year's volunteers. Space City can only have as many trips and activities as there are volunteers who are willing to run them, so please take a moment and fill out the volunteer portion of the member's application and VOLUNTEER!!!!/

Finally, mark May 11, 1992 on your calendar. Peggy Donley has put together what promises to be another great Follies. There will be no meetings in June, July, and August, so read your Sitzmarke so you'll be kept up to date on all of the summer activities. Have a good summer....

# FROM THE SKI DESK

by Debbie Bergeron, VP of Trips

As all of you are winding down from memories of final descents on the last slopes of the 1991-92 ski year and are beginning to think about warm weather activities, I find myself immersed in reviewing your trip critiques, researching ski resorts, and trying to determine winter weather strategies for the 1992-93 season. (Yes, all those rumors you heard are true -- I really am doing this the second year in a row!) And once again, coming up with a trip schedule that fulfills the varied requests of our membership is going to be a daring feat. So as we move into the upcoming season, I appeal to you to keep in mind that we have to base decisions on marketability and the majority's interests; and that customized travel service costs a lot more than the packages that we are able to provide for you at a group rate.

By the time you read this, the 1992-93 Texas Ski Week trips will already have been determined and if you were at the April meeting, you probably will have heard them announced. Hopefully, the majority of you will be pleased with the offerings. In case you don't realize it, SCSC does not select the Texas Ski Week destinations alone -- votes are taken from delegates representing the 20+ clubs of the Texas Ski Council after careful consideration

of numerous resorts bidding for the various time slots. The SCSC schedule is then rounded out for the remainder of the ski year where we try to offer wonderful trips to exotic (?) locations for reasonable, although ever-increasing prices.

As an afterthought, I'd like to say that last year we were blessed with a great ski year, one with snow conditions and destinations that will be difficult to surpass. As VP of Trips, I met and got to work with a diverse group of people from Houston to California, in roles varying from Resort Reps, Property Managers, Airline Reps and Agents, Sponsors, TSC Officers and Club Members all the way to our very own Club's officers, DOTs, TCs, ATCs, and all those who helped along the way. To those of you who stopped for a minute to express your appreciation or offer your assistance to those who gave their personal time to run a trip, coordinate a race, run an activity, or help in some other manner, I would like to thank you -- a little encouragement and support to our volunteers goes a long way!

Hope you all have a great summer, get your memberships renewed early, attend all the monthly Happy Hours to keep in touch, and keep a watchful eye on your Sitzmarkes -- because you may find some unexpected changes in trip signup and procedures in the very near future!

**CLUB RACE DIRECTOR**

It was a hard fought race, but with the perserverance of all the Texas Ski Council Trip participants who raced this season, Space City Ski Club won its Division I Championship again this year. As most of you are aware by now Space City Ski Club has won its Division Championship for the last three years in a row. And according to Texas Ski Council Rules And Regulations that means that SCSC will be awarded a permanent trophy to honor our achievement. As the Club Race Director this year, it is really exciting to see how the SCSC members responded to our "Race For The Cup" campaign.

that you will need to improve your free skiing, but most of all it changes your mental approach to skiing. You begin to lose the fear that has stifled your progress in the past, and as a result you become more aggressive while staying within your ability. NASTAR is for everyone. That is the reason it was developed, so everyone could have the experience of racing and comparing their results against the best skiers in the world.

On your next ski trip, take a race clinic, it is probably one of the best ski lessons you will ever have, and

One of the more difficult parts of being Race Director is trying to be enthusiastic about racing, and encouraging others to get involved, without putting pressure on anyone to race if they elect not to. This year that was even more difficult with all that was at stake. So it is especially gratifying to me that **YOU** made it happen.

it will prepare you for your first NASTAR run. Once you learn to race NASTAR, you won't ski the same ever again!

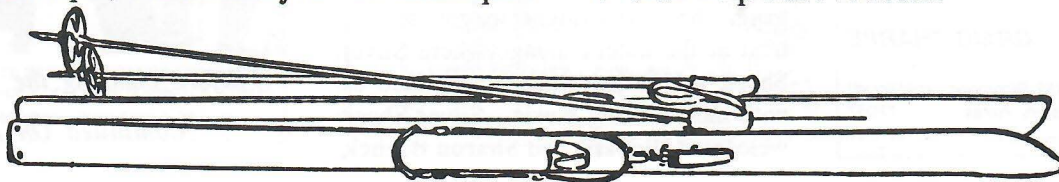

Now that Space City Ski Club has over 30 Certified Race Directors, and a system to train new Race Directors each year, there is nothing to stop us from repeating this feat again. We know what it takes, and that is a concerted effort by the Race Directors and the Trip Leaders of the club to get everyone involved in NASTAR at whatever level of skiing they have achieved.

I want to express my sincere thanks to all of the Race Directors for the 1991 - 1992 ski season, who did an outstanding job in encouraging our members to participate, and who helped Space City Ski Club bring home **The Cup!** Those Race Directors are:

If you have never participated in racing, either in NASTAR or Texas Ski Council Races, you are missing an exciting part of the Space City Ski Club skiing experience. Participating in NASTAR is a great way to improve your skiing, because it gives you a new way of looking at your skiing technique, and teaches you new techniques

# TAOS

by Martha Lewis

A terrific trip – that's what best describes the Taos ski trip in February – good ski conditions, sunshine every day, great food and congeniality from everyone, AND – NO INJURIES – what more could a TC and ATC ask for?

Although we had a slightly late departure from Houston, our traditional flight attendant game lightened up the plane ride. It's a good thing, because late night check in meant a lot of extra effort to smile at the very early group breakfast the next morning. But smile we did when lift tickets were handed out, and Les and Margie Reeves were the first off to the slopes. Now for some of the memories of slope events!!

Miriam Sicilia was so enthusiastic that she almost missed her first lesson when she skied right past the instructor trying to place her. Eventually she did a great job mastering the Taos green slopes. So did Mercedeh Shahbal, who with Bob Deutsch's encouragement went from bunny to Bambi in three easy (?) lessons and four sore limbs. Great work girls, and Bob! Bruce Guinon had trouble on the lift and knocked over a lady as he fell off. According to him he jumped, but ..... rumor has it he sat on Cathy Early's lap, and when he reached around to grab something he was forcefully thrown from the lift.

Meanwhile Dale Allbritton wore himself out and actually fell asleep on the Kachina lift. He nearly fell off and claims this was a first in his life. That's what happens when you are over 50, Dale. Our fearless leader, Louise Job did well. She has now overcome her dislike for quad chair lifts – no more gummy bears for her. Anice Bilberry very nearly single handedly

*The Gang !!!*

put a total end to bad breath on the slopes using peppermint schnapps. There was, however, some risk to life and limb as a trade off.

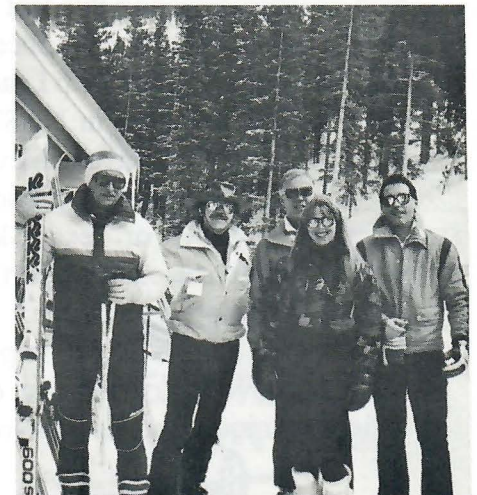

In spite of a bad case of altitude sickness Bob Basch decided to race NASTAR and even got a bronze medal for his efforts. Tom (eyelashes) Holder thought he had a bad case of altitude sickness also, only to discover his goggles were on too tight. Poor Curt Frisby got some instructions to hang a hard right at full speed when entering a course, only that was not true for the Stauffenberg Run. He fell off a 4 foot lip to find a landing on a field of moguls, but did manage to do a turn or two before doing four cartwheels. Ask Eric Wright and Tom Holder how they picked up women by flashing their TAOS black diamond ski pins on their matching TAOS hats.

Lou Kleinman now has a cure for Blackrunities – M&Ms and a hot tub. Speaking of hot tubs, Tom San Angelo got a round of applause for his spider swimsuit when he hit the hot tub. After a long first day, most people managed to stay awake for hot chocolate and schnapps at our Nightcap Party the first night – thanks gang. The next two nights we got a special treat at the hotel's lounge where Silver Shoes, a Houston group, entertained us with their rousing music. Silver Shoes welcomed Richard and Sharon Boehck

both nights but were probably glad to see Robert Todd leave since he racked in all the prizes winning their musical games. Ask Cathy Early how good she is at going on a beer run at 1:30 A.M. (only problem is a 6 pack costs \$15.00).

Our last night with dinner and dancing at the Sagebrush Inn was a real treat. Bob Job showed off his dancing styles spinning several women around, while Martha Lewis was busy teaching some of the guys how to two step.

Final day took the true diehard skiers off to the slopes one last time. Ask Julie Sahmel, Tanya Vessels and Elaine

# VAIL

by Cindy Overton

We began the Vail trip with a mix of anxiety and anticipation. Word was out there had been no snow during January, but luck was with us – snow showers greeted us at Vail Pass! Excitement grew as local forecasters predicted snow to continue through Tuesday with a storm on Wednesday! That was too good to be true – reality was light snow and flurries (but it was enough to keep us going). By midweek we were all doing snow dances. We must have done something right because the real snow started with 4" on Wednesday; it snowed almost 24 hours beginning Thursday and by Friday morning we had 6 – 8" new powder!

Our group was great fun – and what international flavor! **Rod Hope** and **Dave Whitehead** came from London just to ski with SCSC; **Michael Rothermund** (an SCSC veteran) is German, and **Sonia Davis** is Swiss.

Like all trips, we had our share of serious skiers, the well rounded skier who mixed partying equally with skiing, and those who were clearly just on vacation.

**Jeff and Laurie Linden** were so serious about skiing, nobody saw them for the first 3 days. According to Jeff, Laurie was courting the snow snakes, but we heard that Laurie kept beating Jeff in the races. C'mon you guys, get your story straight.

**Lee Thurman** gave it all he had on the last powder day, and later said he'd had enough snow. Good thing we didn't have all that snow the first day!

We understand **Bob Porter** (a.k.a. the invisible skier) chose those challenging

trails leading **Charles Allen**, **Joe Kulpinsky** and **Allain Davidson** into the trees in China Bowl. The next thing they knew, Bob was gone! Not to worry – Bob was only having fun.

**Laurel Welkey** worked on her skiing and plans to be skiing tough stuff next year.

This was **Iloe Richardson's** first ski trip, and although her knee didn't quite understand exactly what it was supposed to do when she fell, it didn't beat her spirit!

**Debbie and Danny Bailey** were laid back, just cruising through the week. They didn't overdo their skiing or their partying and were clearly on vacation, and NOBODY was going to interfere!

We found **Joyce Wilson** to be one of our reliable partiers. Joyce along with **Bonnie Ernst**, **Barb Ehrlich**, **Charles Allen**, **Sharon Inman**, **Dave Stotz**, **Rod Hope** and **Dave Whitehead** wasted no time in checking out Vail Village the first night.

The group was, no doubt, in training for the infamous pub crawl later in the week.

**Mary Linden** rediscovered skiing after 20 years (whoops!) with the enthusiasm of a kid, but couldn't quite fill out all the rental paperwork correctly. It seems she confused her age with weight. When she exchanged boots later in the week, the YOUNG MEN in the rental shop complimented Mary on how well preserved she was for her age. What was it – about 100?

**Robert Todd** and **Billie Nowak** cooked up a chili dinner to show the Brits what HOT is! With equal play, **Michael Rothermund** and **Steve Holt (TC)** led a group to sample the local German cuisine.

**Helen Zuliani**? Well where was Helen??

All had a great first day of skiing, followed by an apres ski happy hour at the base, followed by apres ski hot tub, followed by the (in)famous SCSC Lasagna dinner in the ATC's condo. Thanks to all who helped in the prep and everyone's patience while **Steve Holt**, **Debbie Mostert**, and **Cindy Overton** served.

After skiing hard on Monday, we met for our (now routine) apres ski happy hour, followed by a Margarita Hot Tub Party. Later we ended up at Hub Cap Brewery to try the local brew. **John Jacob**, **Billie Nowak** and **Bob Porter** tried 7 brews – Beaver Tail Pale Ale was their fav! **Rod Hope**, **Dave Whitehead** and **Michel Rothermund** worked at taste

# CRESTED BUTTE

by Dana Wardell

On Tuesday, February 4th, forty intrepid SCSC skiers headed for Crested Butte in a downpour. Ask **Katy Jones** and **Cheryl Crockett** to read the schedule for you the next time you have to make a connection in Denver (you were only drinking cokes?!) We arrived at The Plaza Condominiums in time to have a wine and cheese party. **Bonnie and Marty Ambrose**, who had arrived the previous Saturday, joined in the fun and told us about the great skiing we were about to experience.

Dawn broke with perfect blue skies and breakfast at **Dana Wardell's** and **Alek Tempski's** condo. Ask **Alek** about the "dog sculpture" he created by heating the croissants in their plastic pan (or was it a bear?). **Ian Duddridge**, a never-ever skier from England, signed up immediately for ski school and became the most improved skier on the trip. Way to go, Ian! Of course, he had lots of "coaching" from **Jack Oney** along the way (Jack, how many spoons can you hang off your face?) **Rebecca Bennett**, **Michael Bennett** and **Teddi Stewart** were seen tearing up the runs off the Keystone Lift. That night we were all treated to an award-winning venison chili dinner compliments of **Charles and Kathy Morgan** and **Roy and Carol Schmidt**. It was wonderful! We were joined by **Dave Rosenthal**, **Bonnie Sellers**, and **Helen Hernandez** who had just arrived to ski with us. Then on to The Rafters. **Timothy P. & RR3** were playing and our own **Merlyn Harger** decided they needed some help onstage. **Debbie Smith** and **Ian Duddridge** were seen cutting a rug and **Debbie and Jeff Warren** tried to dance until dawn but

finally turned that job over to **Linda Licarione**, **Michelle Lamb**, and yours truly.

We started off Thursday with breakfast in the TC and ATC's condo and several were off to the TSC race clinic. **John Helms** managed to take out a race pole with his knee but lived to tell about it. **A. G. Davis** received contract offers to groom the slopes after he did such a good job on **Black Eagle**, now named "Black and Blue" Eagle in his honor. **Pam Holder** was practicing for the NASTAR races when she blew out of both skis and tried to tear the race fence down with the back of her knee. But, even the full leg brace didn't keep her off a snowmobile the next day. Two more ski schoolers, **Louise Bradford** and **Joanne Karkut** were still rarin' to go at apres ski that afternoon. **Suzi and Henry Kana** also enjoyed their lessons and were seen practicing under the Peachtree Lift. **Bryan Gantt** wiped out on Cascade when no one was looking, but the bruised shoulder gave him away! **Lorelle Pottick** took two nasty spills and finally twisted her knee on the second but returned to ski the last day. What a trouper!! **Linda Tatum** and **Charlotte Lynn** were seen on runs all over the mountain while **Jim Hewgley** was reportedly flattening out the black runs with **Alek**. **Ron Harvey** kept a pretty low profile -- guess he was saving himself for that upcoming wedding. **Judy Thompson**, why didn't you tell us there was going to be a wet t-shirt contest in the hot tub? The Ski Council Welcome Party was well attended that night and we

renewed a lot of old acquaintances.

Friday was race day and our Race Director **Tom Mercer** did an excellent job. We had 78% participation in spite of the fact that over 1/3 of the participants were first-time racers. **Tom and Alek Tempski** were bronze medal winners and we were so proud of **Linda Licarione** (our fastest female), **Jeff Warren**, and **Jim Hewgley** for representing us in the individual races. We didn't grab the cup but we had more fun than anyone else! Thanks Tom. Also, about thirty of our skiers turned out for the impromptu group dinner at The Artichoke, surprising **Pam Holder** and **Jeff Warren** for their birthdays. It was also **Teddi's** birthday but she was in hiding!

**Susan and Frank Stanley** appreciated the race clinic from "Coach" **Tom Mercer** -- too bad it was the day after the races! **Nolan Badeaux** munched his shoulder getting off the lift (how many people are supposed to stand on one ski anyway?) but it didn't keep him off the dance floor. How did **Dana Wardell** leave her ski behind while boarding the lift and what about all the laughter from her "friends" as she gracefully unloaded. **Ty Smith** had a great day -- he saw a "one-legged woman" get off the chairlift and a "one-armed man" count his change. What a day!! **Peggy Perdok** was seen partying the whole week with her sister from Los Amigos. Now that's a team!! **Charlotte Lynn**, **Ty Smith** and **Dana Wardell** learned never to let **Dave Rosenthal** or **Helen**

# "RACE FOR THE CUP" - UPDATE

## SPACE CITY SKI CLUB HAS FUN .....BUT NO POINTS

(ACTUALLY WE WON ONE POINT)

### CRESTED BUTTE, COLORADO WINTER SHOOT-OUT

BY: TOM MERCER  
RACE DIRECTOR

We may have gained only one cup point but we had a spunky group of skiers that showed up to give their best. We were faced with one of the longest race courses in NASTAR and hard packed-packed powder conditions.

To make it even more fun for us flatlanders, they had Bill Johnson (1988 Olympic Downhill Gold Medalist) race the pacesetter to get our par time.....Well, needless to say there were no gold medals and very few medals awarded to anyone in the Council.

We had 74% of our trip participants give the course a run, and over 50% of our racers had either never raced or raced only once in NASTAR -- AND WE DID GREAT! There were two bronze medals awarded; one to Alek Tempiski (ATC) and the other to Tom Mercer (Race Director), Yea Rah....

After the "race", we retired to the "refreshment tent" to tell tall tales and to check for bumps and bruises. I want to thank all those who "slid" down the hill. You participated in just one part of the Texas Ski Week experience. I hope you enjoyed it, and I'll see you "around the gates".

CLUB RACE DIRECTOR

Well, it all came down to **THIS RACE!!** It was a beautiful morning, about 50 degrees, so I knew a lot of people would show up for the race. Although it was a bit icy, that did not bother our 98 racers who showed up to let the Texas Ski Council know what we in Space City have known all along. Our members always come through! With Lone Star Ski Club tied with Space City for the year, and Los Amigos only one point behind, we knew we must win first place in order to win the TEXAS SKI CUP. Not only did we win first place, but we won it going away by nearly 400 points, that's what good participation can do, and that is why your Race Directors have encouraged you all year long to participate in the races. Nearly half of all our individual points were won by racers who did not win medals, so you can see the importance of getting involved even though you are a beginner. I want to thank all those who raced, and our three Race Directors on the trip:

# HEAVENLY VALLEY I- TSC FINAL SHOWDOWN

by Chris James and Rita Trelewicz

Bright and early Saturday morning, March 7th, despite fog and the early hour, we were off--winging our way to the glorious Sierra mountains and scenic Lake Tahoe. Even Kirby Contact, with a little help from Ester Burton, was on time. This was the trip of the year -- seven glorious days in Heaven!! On the Mountain our group was joined by Tim Morton, Alek Tempski, Mike Carr, Bobbie Sellers, David Grissom, Joe Cannata, and Bobbie & Jeff Proctor who were unable to get on one of SCSC's trip, but came up to party with us. Also joining us were, Marilyn & Bob Davis, Donald Hanst, Sheryl Podraza, Kenny Sibley, Linda Sheward, David & Diane Stotz and Liz Kinne, SCSCers who traveled with The Armadillo Ski Club because SCSC's trips were full.

Sunday, our first day of skiing, saw our group headed for the slopes of Heavenly Mountain. Some of our more adventurous members were seen on the double black diamond slopes. Keith Babola had a close encounter with a tree. Thank goodness he's so tall or he'd be singing in soprano. Juan Gomez was so proud of his skiing achievements on the black slopes that he did a face plant while trying to get on a lift. Way to go Juan!! Ray Davis and Eric Prentis were also sighted skiing on wild terrain. After a great day skiing, it was off to the welcome party hosted by the Heavenly staff. Monday saw the group back at Heavenly again. Lot's more fun and skiing, except maybe for Nancy Meier who got hurt and Joe Daleo who played "Florence Nightingale", taking care of her. What a guy!! Tuesday the group headed for Kirkwood with great promise of lots of snow and sun. Bob & Marilyn

*The Gang after the Races!!!!*

Davis and Chris James entertained one bus with tales of Bob Porter and his lost goggles. Hey Bob, is that a double chin or is that a pair of goggles?? Kirkwood provided everyone with free NASTAR racing so at 10AM we were lined up and ready to perfect our racing. Well, almost all of us. Our Race Director Farrald Belote and Joy Hammer were late. Something about ski pointers and losing track of time. Meanwhile, Inge Coons and Nancy Meier took the day off to tour the lake. That night we were off to a party at Nero's Club--Toga, of course. Frank & Susan Stanley were seen dancing up a storm along with Pam Gillan. Was Dennis Bentley with you, Pam?

Pamela Logsdon (although they weren't dancing together.) Pamela was on the lookout for a tall, dark and handsome hunk. Did you ever find him? Rita Trelewicz was sighted being real neighborly with Danny Cutchshaw. Dick Bryant looked like he had a real good time as well. Race day was Thursday and one more time we did well, winning FIRST place!!! After the races, Heavenly hosted a mountain picnic. Beth Zapka, Arlis Lerner and John Brodi sure looked like they enjoyed those burgers. Could it be that the food and beer was free??? St. Patrick's day was the theme for our SCSC party. Green shamrocks were mandatory. Karen Schidlowski was real concerned that her husband Kurt just might show us what green garment he was wearing. John Crites, Sandra Martin and Davis Tucker sure appeared to be having fun at the party. So did Barry Palmer, after some coercing from his steady, Kristin

# HEAVENLY VALLEY. III- TSC FINAL SHOWDOWN

by Susan Anslinger

Heavenly was everything and more with perfect spring skiing. Overlooking Lake Tahoe was a gorgeous sight while skiing. Although it started out early--at 5 am --everyone made it with great anticipation for the days ahead. **David Clayton** not only helped to load luggage, but also got the group off to good humor with a great joke on the way to Lake Tahoe. Arriving at Harvey's beautiful hotel, we rapidly became acquainted with the casino and how to use up quarters fast. **Jim Hewgley** was spotted playing those black jack tables, check with him on his big winnings. **Philip Nelson** and **Terry McGuinness** discovered they had **Marjorie Lygas** suitcase about 10 pm when the hotel made a room to room check. Luckily it was found before those ski clothes were needed. **Carol & Jim Hewgley** were many of those enjoying dancing and partying the first night at the Texas Toga Party at Nero's.

**Roz & David Clayton** took the mountain tour of Heavenly the first day while most of the group took the boat across the lake and skied Squaw Valley. The Tahoe Queen was a great trip across the lake and one heck of a dancing and partying time on the way back. **Dawn Roberts** was seen watching that chair dancer and stripper. It was reported a new group of "Go-Go Dancers" was formed by **Debbie & Ted Bergeron** and **Nancy & Jeff Sarff**. Where was **Constance Cernosek** on the Tahoe Queen or was she asleep for two hours?

Club races were great and thanks to everyone who came and participated to help win and bring the cup home. A hand injury did not stop **Ted Bergeron**. He won a bronze medal and was among the three finalists in the whip dance contest. Other whip contest finalists were **A.G. Davis** and **Layna Adams**. However, ask **A.G.** about releasing skis at the end of the race course. Maybe it would help if the skis were on the right feet. **Barb Niland's** dedication at the races was tremendous. **Barb** went off the course and straddled a tree; however, she refused to let the Ski Patrol remove her skis because she would be disqualified. They had to cut the tree away and she got up and finished the course. A true dedicated SCSC racer. **Terry McGuinness** tried to knock **Marnie Lygas** down, but cruising over the back of her skis did not do the trick. Although **Bob Frazier** did a great job at the races, winning a bronze, his ending was spectacular with a fall at the finish line-- losing both skis and poles. (YARD SALE!!!!)

Friday the 13th can be either extremely good luck, or the worst day of your life. **Kathy Rafferty** found the 13th to be her lucky day, she lost her contact in the snow and found it. Friday the 13th was not as kind to **Bill Kirk**. His initials were carved into a tree and his only response was "is my ski broken?" **Peggy Schillinger's** smooth talking with the ski patrol, when trying to catch up with her party, worked. **Peggy** skied down a slope that had just been closed. That's one way to get someone to follow

you. After injuring his leg, **Joe Brothers** seemed to get lots of sympathy. He spent the days with the ladies, as well as his evenings. Ask **Joe** about his limo ride into Reno. Some people fall in lift lines, **Don Crabtree** falls in buffet lines and takes all the poles and rope down with him. **Susan Green** was seen frequenting the hot tub regularly, meeting interesting men. If you weren't up early, you soon would be around **Rosanne Clark**. She knocked over a row of skis in the ski check area that created quite a bit of attention. **Patricia Synatschk** was caught more than once following a blond stud and admiring his posterior! **Patricia** also was the same one who was talking to a guy at breakfast and totally forgot he was

# RUMORS

By Sharon Smith

Our evening started at Josephine's Italian Ristorante with **Peggy Donley** and **Sharon Smith** greeting first arrivals **Linda Lyon**, **Bonnie Mims**, **Bob Miller**, **Beth Nolen** and **Ron & Roberta Rambin**. **Ginger Howard** and **Floyd Hanks** took time off from their wedding preparations to join us. Our group continued to grow with **Petra Luchesa**, **Don White**, **Edna Ashby**, **Bruce Kilgore** and **Sara Green**. We understand that **Nolan Badeaux** received much attention, especially from **Joanie Osbourn**, for donning a tie. You looked great Nolan! Those who were on the Heavenly Trip were surprised to see **Tim Morton** arrive minus the cat nose. Some of our participants fresh from Heavenly were **Rosanne Clark**, **Marsh Lutz**, **Peggy Schillinger** and **Martha Martin**. We were glad to see new members **Tom and Loni Everingham** come in. Everyone had a chance to visit before dinner and by 6:30 we were seated. We had one room at the restaurant set up for SCSC which worked out well for the 61 who came for dinner! All seemed to be enjoying themselves by the sound of the conversations. Only near mishap was when **Llona Doubet** almost became the main course at a table. Where was new husband **Chip**?! Since it took awhile for our food to be served, appetites were increasing--as proven by **Jeff Sarff** who

was seen hovering over **Sue Salvage**, fork in hand, when she received her order first. Sue's guest, **Griff Edwards** felt a little teased when a plate was put in front of him

*We all made it to the theater !!!*

only to be taken away and given to someone else! Unfortunately, **Lorna Jones** and **Linda Wingert** were not able to join our group, but did manage to get to the restaurant for a quick bite before the play. Also at the restaurant were **Marianne Pearce** and **Olga Moya** who came for dinner though they were not joining us to see "Rumors".

After dinner we all headed to The Actors Workshop. **Jerry Montgomery**, who had an early A.M. flight the next day for a TSC board meeting, did not go to the play so we'll have to let him know what he missed. Due to limited parking it was suggested (thanks to **Ted Bergeron's** attention getting whistle) that we car pool to the theater. **Bet Debbie Bergeron**, **Anita Yeomans**, **Diane Jamail**, **Lisa Fox**, **Bridget Langdale**, **Pat Gudmason** and **Carol Sullivan** (who were seated at his table) really gave their attention. **Jim and Sue Edwards** offered their van and chauffeured **Bob and Susan Stevenson**,

**Connie Cook** and **Bonnie Mims**. **Merrel Smith's** van was seen filled to cozy capacity. All inside knew each other well and probably better by the time they got out!!! Thanks to everyone who offered their transportation.

**Marti Toomer** and **Nelson Turner** headed a group which included **Bill and Molly Brooks**, **Ronda Ross** and **Mary McDonald** who decided to walk the seven blocks. This walk turned into an obstacle course for all, especially **George Hirasaki** and **Darlene Clemens** as they were attacked by the trees at the **George R. Brown Convention Center**. When they reached the theater, **Charles Goodrich** asked **Tanya Andrasko** if it was necessary to have walked so fast. Is that why the eyelids got heavy, Charles?

We all made it to the theater and said hello to those who did not come to dinner: **Tom Mercer**, **Pam Holder**, **Ray Davis**, **Sally Welsh**, **Mary Ann Emerson**, **Chuck Toliver**, **John Flatten**, **Barbara Huey**, **T. J. O'Dowd**, **Jim Murrhee**, **Cindy Overton**, **Frank Hamtak**, **Ann Quillen**, **Pat Pfertner**, **Linda Day**, **Clair Love**, and **Debra Muratore**. After we were seated **Karen Douglas**, Artistic Director and potential SCSC member (When membership opens back up again!), came out and greeted us, welcoming SCSCers who filled the theater with 79 in attendance. Lights dim, the play begins!

At intermission most everyone

### Dinner at the Sagebrush.

Matee about their breakfast of champions at Tim's. No better way to warm up for skiing than male-bashing over blueberry pancakes. Meanwhile **James Wayne, Cary Faden, Angie Westergren, Bob Knupp, Margrit Cater, Paul Wottering, and Louis Lazar** made the hour and 45 minute climb to Kachina Peak to experience the ultimate of Taos powder skiing. **John Burke and Gary Guillie** skied to the end. Not being sure she would make the final bus back to the hotel, **Amanda Higgins** was able to turn on her charm and arrange a ride down the mountain, while her roommate, **Janice Ketchey** played it safe and returned on an earlier bus. She must have had a premonition because **Joe Selle and Jim Herold** got trapped on a lift for 40 minutes, barely meeting the bus deadlines. **Paula Selle** safely shopped the town and saw the sights every day, joined by a lot of the group the last day. Except for the nonstop crying baby next to **Jim McLaughlin and Lynda Henry**, an easy plane ride took us all safely home with no major hitches.

A special thanks to all the unsung heroes of our group whose team effort made this trip a most congenial one.

testing, but decided their native European brews were better (don't worry, they really LOVE Colorado snow).

We were ready for a little variety on Tuesday and headed to Beaver Creek. It was like starting the week over - new snow, no crowds, and hard skiing. **Bonnie and Rodney Hughes** earned the Kamikaze Skier award here and kept up the pace through the week.

Because we like group stuff, we dined enmasse in the neighboring town of Minturn. The group split between the Minturn Country Club for "Pick it and Cook it" and a Texas owned Tex-Mex restaurant. We on the Tex-Mex side were well behaved with our Margaritas; rumor has it Dave Whitehead had to fight the grill for his dinner. (I won't say who won the exchange, but I think Dave could have eaten more.)

Mid-week usually generates a "rest day" and our crowd worked hard at taking the day off. **Cheri Staples and Pat Walker** checked out Vail's great shopping and **Allain Davidson** brought his equipment to the 20th century with new boots; **Bonnie Ernst, Joyce Wilson, Iloe Richardson, and Keith White** went snowmobiling; **Dan DeBakey, Terri Ulrich, Mary Linden, Sharon Inman and Sonia Davis** experienced the other kind of skiing - cross country; **Bonnie and Rodney Hughes** rode the bobsled for the first and last time;

and humility seekers, **Dave Stotz and Dave Whitehead** rented snowboards to shred some gnarly snow.

Valentines' Day was our last ski day and did it snow! **Karen Rogge and Judy Hays** insisted "Powder's not for me", but their roomie, **Karen Buller** went wild for bumps and black runs (future kamikaze skier?) By the end of the ski day, traffic was jammed like it had snowed in Houston! **Sonia Davis** WALKED back to the condo, brazenly crossing the highway and climbing a fence, making it back just in time to depart with the group to our sleigh ride and dinner. The snow stopped in time for our sleigh ride and we had a clear night sky with stars - we couldn't have ordered a better end to this great trip!

We had a full week and a great group and we're all ready to do it again.

A special thanks goes out to Pauli Portenier of the Crested Butte Mountain Resort who went over and above the call of duty to make our trip really wonderful. The people of Crested Butte couldn't have been better to us and made the trip all the more enjoyable. Continental Airlines did a super job getting us out of Grand Junction in record time and on earlier flights out of Denver. Many thanks! Also a very special thanks to Alek for all his help and support -- you were great!

Baldwin to wear a shamrock on his cheek. Which cheek?? Donna Bergland sure showed her spirit! Some of our group headed for Alpine Meadows on Friday while others were spotted hurling down the slopes of Heavenly. Ask Jane Orr how Bruce Lowther got his nickname "Wild Bill"--something about Robert Clements cutting him off!?! I sure thought cops knew how to use correct hand signals. Joe Hale, Phyllis Anders and Charles Smith decided that the sexiest part of a woman on the ski slopes was her feet....something about slim, trim and parallel!!!!

During the week we had some winners in the lost equipment category. Pat Van Tassel picked up the wrong skis at Kirkwood and put her luggage on the San Antonio bus when we were leaving. Deborah Cutchshaw left her skis in Reno. Someone had to remind her she even had a pair of skis. Not a bad trip if you can't even remember your equipment!! Well, the trip is over and everyone is back to their normal routine. Hopefully during a pensive moment all will remember the wonderful week in March and the little bit of heaven we all experienced!!!!

By a sheer stroke of luck, gambling amateurs **Marsha Lutz**, **Peggy Schillinger**, **Rosanne Clark**, **Kathy Rafferty**, and **Samina Farid** all beat the dealer at the black jack table Thursday night at Harvey's. **Samina** also won her battle against the "evil ski lift" after numerous falls while getting off. Both **Robert Mills** & **Charles Luschen** were seen burning up the slopes at Heavenly by many people. Snow boarders were on several peoples list, **Kathy Rafferty** & **Rosanne Clark** had several near misses; **Susan Anslinger** had a direct hit and now is on the look out looking over her shoulder for them. **Richard Bugler** & **Bill Lodato** were often seen at the casinos winning big bucks. **Melissa** & **Bob Frazier** disappeared most of the trip. Where were they? The four musketeers **Sandra Phaus**, **Constance Cernosek**, **Barb Niland**, **Patricia Synatschk** almost missed the bus on the return to Reno, the four were still breakfasting when we found them. Thank you **Sharon** & **Gary Sequeira** for helping on the bus trip on the way back.

Several people were responsible for this trip happening and going smoothly. **Jerry Montgomery** spent many hours when we were all skiing to make sure we had a great time. He did a fantastic job as VP of TSC for Heavenly Valley. Race Director **Peggy Donley** did a great job getting everyone to participate and cheer our group to victory. I also would like to thank Heavenly I & II for the work and coordination they did to pull all three trips together; especially **Chris James** who handled many details for all three groups.

## A HEAVENLY THANKS !!!

I wanted to take this opportunity to thank the Officers, Board Members and all SCSC Members for the support I received in Coordinating the "Final Showdown '92" for the Texas Ski Council. Overall there were very few problems; the snow and weather were great; and all the TSC Clubs sent in positive reports!!! Space City's TCs, ATCs and Race Directors were exceptional in their performance. Logistically in a setting like Tahoe - with multi areas to ski and many side attractions (or distractions) - communication is difficult. These people did a great job in keeping their participants informed, not only pre-trip, but during the week as well. Sometimes we forget that these people are volunteers who spend countless hours in preparation and virtually give up their vacations so all of us can have a good time. Hope you will tell them how much they are appreciated. My special thanks go to **Peggy Donley**, **Ted Bergeron** and **Debbie Bergeron**. Their help made my job a lot easier. Also, I appreciate **Gary** and **Charles Butler** giving up some of their ski time and free time to help out with the race computer.

Heavenly yours!!!!

Nancy Sarff commented that she noticed John Weber squirming in his seat. Wife, Barbara, managed to help him stay in control as did Vicky McLaughlin with husband Thomas. **AN OPEN LETTER TO ALL THE OFFICERS AND  
MEMBERS OF THE SPACE CITY SKI CLUB**

The closing of the current season will mark the end of my membership in the Space City Ski Club. Let me hasten to say that I am leaving the club only because I am leaving Texas. Sometime in the late spring I will be moving back to Michigan so that I can spend my retirement years close to my family.

I want to say "THANK YOU SCSC" for 12 fantastic seasons. During that span of time this marvelous club afforded me the very best skiing experiences I have had since I first got interested in this wonderful sport. In addition, through the gentle urging of several SCSC Race Directors, I won my first NASTAR medal!! (A bronze at Sun Valley, 1984.) From that day forward I was hooked on racing and have won a good number of additional medals racing for the Club and on my own.

Although not too active in the wide variety of other great programs offered by the Club, I did attend most of the General Meetings to socialize with other members and to talk about one of my favorite topics--SKIING.

As many of you probably know, I do a lot of photography work and when several of my photos were selected for Sitzmarke covers, I felt quite honored and proud.

However, as fantastic as the ski trips were and as good as the non-ski activities were, the greatest aspect of this unique club is its varied membership. The men and women who comprise SCSC are, in my opinion, as fine a group of people one could find anywhere. So, I will again say, "THANK YOU ALL" for permitting me to be a part of an organization that I shall always think of in fond and endearing terms. I will most certainly miss the Club and especially the many skiers I have become acquainted with over the years. Hopefully, someday, somewhere on a snow covered mountain our paths will cross again and old friendships can be renewed. In the meantime I wish all the SCSC members good luck, the best of health and may the good Lord bless you all.....

Most Sincerely,  
*Bob Basch*

## APPLICATION FOR MEMBERSHIP AND RELEASE OF LIABILITY

I certify and recognize that SCSC is a non-profit organization, run entirely by volunteers who have no special training or experience at conducting trips or other activities and I do not rely on the expertise of any director or officer or their appointed representatives in conducting trips or activities. I am aware that SCSC carries no insurance nor maintains a reserve for liability.

I wish to participate on this trip or activity because SCSC provides me with the economics and discounts of group purchasing power, social interaction with compatible individuals, and does all the planning and reservation work for me.

In consideration of the above, I, for myself, my heirs, executors and assignees do hereby release and discharge SCSC, its directors, officers and any other person appointed by them, from all claims, damages, demands or actions whatsoever in any manner arising from my participation on this trip or activity. I agree that I am solely responsible for my personal safety and conduct. I also agree to indemnify and hold harmless SCSC, its directors, officers and agents, or contractors from any loss, cost, or expense, incurred by, or attributable in any way to me, in connection with this trip or activity.

I also certify that I have read, that I understand, and that I agree to abide by, all the Bylaws and Standing Rules of SCSC. I understand that payments made for trips or activities may not be refundable, in whole, or in part, and that all payments will be handled in accordance with the applicable provisions of the Bylaws and Standing Rules.

I hereby appoint SCSC, its directors, officers and agents, as my agent to perform all acts and to enter into, any, and all contracts as may be deemed desirable in connection with this trip or activity. I understand SCSC acts only as coordinator and accepts no responsibility for the services of any person, ski area, resort, airline, motor coach, hotel or any organization whatsoever rendering any of the services or accommodations being offered on this trip or activity. Trip and activity fees are based on current tariffs and are subject to change without notice. SCSC accepts no responsibility, in whole or in part, for any delays, delayed departures or arrivals, missed plane or other carrier connections, loss, damage, or injury, to person or property, mechanical defect or failure of any nature, however caused, or for any substitution of hotels or common carrier, with or without notice, or for any additional expenses occasioned thereby.

### APPLICABLE STANDING RULES OF SPACE CITY SKI CLUB, INC.

#### 5.0 TRIP PENALTIES

- 5.1 A. If a trip participant withdraws from a trip after the published final payment date, the trip participant will lose the entire payment upon withdrawal. If the participant can be replaced from the waiting list, the participant will be refunded the entire payment less any costs incurred by the Club in addition to cancellation fees as specified in 5.2. If the trip participant cannot be replaced from the waiting list, the participant will be refunded the amount of the Trip Coordinator's fee over the lodging, transportation, and other commitments less any costs incurred by the Club and cancellation fees as specified in 5.2.
- B. If a trip participant fails to make final payment by the published final payment date, the trip coordinator may replace the participant after making a diligent effort to contact the participant, who will be subject to cancellation fees as specified in 5.2.

#### 5.2 CANCELLATION FEES.

- A. A participant may forfeit his full deposit if he fails to notify the Club in writing of his intent to withdraw prior to the published final payment dates. A minimum charge of \$10 will be assessed for each trip cancellation, and such charges will be increased by \$5 per calendar month for each additional calendar month or portion thereof the participant's reservation is held prior to cancellation. Cancellation fee, however, may not exceed the amount of the trip deposit.
- B. A participant cancelling from more than one trip shall be charged \$25 in addition to the calculated cancellation fee for each cancellation subsequent to the first cancellation.
- 5.3 A charge of \$5.00 will be assessed for each trip transfer made prior to final payment date. A transfer will not be considered after final payment date unless a replacement can be secured.
- 5.4 Deposit, transfer and cancellation charges for non-domestic trips shall be determined by the Executive Committee and included in the trip release form as well as in all trip publicity; in no case shall these requirements be less than those provided in Sections 5.2 and 5.3 of these Standing Rules.

#### 7.0 RESTRICTIONS.

- 7.1 Allowing non-trip participants to occupy any room as a non-registered guest is strictly prohibited, and in violation of Club policy and subjects the member to disciplinary action.
- 7.2 The illegal use of controlled substances during Club trips, or on any other official Club function, is in violation of Club policy, and is strictly prohibited.
- 7.3 No substitutions of trip participants shall be allowed without the knowledge and approval of the Trip Coordinator, and new additions to the trip shall come from that trip's Waiting List. The Trip Coordinator shall make all substitutions.
- 7.4 It is the policy of the Club not to allow the active solicitation of the general membership at a Club function or in the Club publication for any other than Club sponsored trips or activities without the consent of the Executive Committee.
- 7.5 No person may participate in a Club sponsored trip, or participant paid activity, without first completing a written and signed Release of Liability for that trip or activity, on a form approved by the Board of Directors.

#### 8.0 MISCELLANEOUS.

##### 8.1 SKI TRIP SIGN UP

- A. No member shall be allowed to sign up for any ski trip prior to the September General Meeting except as designated by prior approval of the Executive Committee.
- B. Each member may sign up for him/herself and one other member on any ski trip or ski trip waiting list.
- 8.2 WEATHER. If a trip should be "weathered-in" the additional lodging expense will be left up to the individual, although the Trip Coordinator will assist in making accommodation arrangements, and collection for same shall be left up to the lodge.
- 8.3 NON-SKI TRIPS/ACTIVITIES. Reservations for participation in such activities may require full payment, instead of a deposit fee.
