# SNOWMASS I

by Cissy Dutcher

The production had been months in the planning. Finally the great day arrived. Seventy-one happy skiers created mass confusion at Intercontinental Airport until **TC Dave Pullin** sorted our thirty Snowmass I participants from those of Snowmass II. Then they checked an astonishing amount of baggage and headed for the boarding gate. I breathed a sigh of relief about 6:50 A.M. with all the "serious" skiers safely on their way to Denver and settled down to wait for my "chosen nine" who would make the 8:30 A.M. flight with me. They trickled in by ones and twos - **Joe Vance** first, then **Judy Stringer** and **Ward Jones**, followed by **Becky Hall**, **Michelle Lamb** and **Merlyn Harger**. **Frank Mangum** dropped **Donna Kidwell** off and disappeared to park the car. We weren't sure he was ever coming back. **Nancy Boelsen** appeared with "THE ARM" hanging out of her dive bag and had all the Continental Counter Crew in hysterics as she checked the baggage. This set the scene for a week of non-stop fun!

Arriving in Denver, we discovered the Aspen Airport was closed due to snow. Efficient Dave had buses ready and waiting, so with a quick stop at the indispensable Applejack's, we were off. The bus ride passed quickly as most found a way to entertain themselves.

Stonebridge Inn hosted a wine and cheese party for us on Saturday evening and we dispersed afterwards to discover little restaurants that would become favorite haunts for the trip. Brothers proved to be one of **Lucy Fred's** lunchtime stops.

Don Moore and Louise Talen.

(Left to right): Mickey Carmichael, Carolyn Michaels, Alex & Louise Potter, Dave Pullin, Cissy Dutcher and Winnie Pullin.

Breakfast Sunday morning was a group affair in Dave's suite and we passed out lift tickets, T Shirts and TSC pins. A masked ski terrorist appeared with **Veronica Selinko**. He was quickly unarmed and unmasked to reveal none other than our own **Scott Covington**. **John Anderson** was all smiles in anticipation of a great day of skiing. The slopes were beckoning and groups quickly formed to begin the day.

Everyone enjoyed the TSC Sunday Evening Welcome Party and shared tales of the day's adventures. A hardy group of partiers went on to Aspen to Carlos & Pepes, where **Dave** and **Winnie Pullin**, **Mike Wolfe**, and **Nancy B.** proved they could dance and drink sangria almost as well as they could ski. Unfortunately, Winnie's fanny pack was stolen on the bus ride home to Snowmass, spoiling the evening at its close.

Monday was Aspen Highlands day - beautiful skiing, a picnic high on the mountain with a ski jump exhibition, and fun with new friends. Then terror struck! Ask **Sharon Boehck** about the lift experience no one should miss.

That evening twenty-two hardy souls from Snowmass I and II braved temperatures in the teens to take a

sleigh ride to dinner. **Becky Reitz** and **John Gay** were among the revelers who enjoyed the evening and the entertainment.

On Tuesday the group scattered. **Roberta** and **Ron Rambin** conquered Buttermilk with Roberta making her "first ever black run." **Rose Russom** won the medal of the day for her spectacular fall on a mogul run. **Cindy Chandler** and **Mary Baxter** enjoyed the slopes so much, they made a mad dash for the last lift so they could make one more glorious run down Buttermilk.

The black tie and top hat hot tub party Tuesday evening was a smash and quickly overflowed to the heated pool where **Becky Hall** and **Karen Putney** led several revelers in a round of water ballet. **Karl** and **Lottie Gautschi** looked stunning in their formal attire and **E. J. Boudreaux** showed his skill in opening champagne. The party ended in the men's sauna (*but we won't name names here*) and it was on to the Mountain Dragon for dinner. **Frank Riesenber** felt right at home here as he entertained diners with "Happy Talk," accompanied by chopstick players.

Wednesday was another perfect day for skiing. **Roy Caviness** and **Judy S.** were among those extolling the beauty of the Elk Camp area. **Steve Benson** became known as "The Son of Elk"; **Mary Baxter**, "Little Flaming NASTAR"; **Rose Russom**, "Great Green Treehopper"; and **Cynthia Chandler**, "Little Dancing Skis." I'm not sure how these nicknames all came about, but I know it's an interesting story. I heard tales of **Joe Vance**

# SNOWMASS II

by Marti Toomer

How did 40 Snowmass II participants conquer four mountains and secure Snowmass Village and Aspen for their own personal enjoyment? Below is a recount of the events and questions for the inquiring public to ask.

## Saturday, Jan. 5th

At 5:30 A.M. 40 smiling (maybe yawning) SCSC members met at Intercontinental Airport to fly to Snowmass. When we arrived in Denver, there was good news and bad news. The good news was that it was snowing in Snowmass; the bad news

was that the airport was closed so we had to take buses. Question #1: Ask "The Group": **Randy Giesy, Jimmy Licari, David Richardson, Mike Beck, and Paul Garcia**, about timing ladies in the bathroom of the bus.

After our arrival, the Stonebridge Inn hosted a welcome party which became a surprise birthday party for **ATC Marti Toomer** (thanks to devious **TC Beverly Merritt and Nelson Turner**).

(Left to right): **Stu Traver, Robert Clements, Marti Toomer, Donna Naskrent and Nancy Meier.**

## Sunday, Jan. 6th

With new snow on the mountain, everyone headed out early to conquer Snowmass. After a full day of skiing, we enjoyed the TSC Welcome Party and continued partying at Aspen's **Carlos & Pepe's**. #2: Ask **Robert Clements** about having sangria poured down his throat.

## Monday, Jan. 7th

SCSC attacked Aspen Highlands for TSC Day. During the picnic lunch, **Galen Redinbo, Becky Thomas, Jerry Miller**, and others watched a spectacular ski jump show. #3: Ask

**Stephan Pirsch** why the ladies that skied with him kept trying to find him a new ski partner.

That evening a group, including **Pat Van Tassell, Charles Van Tassell, Robert Clements, Donna Naskrent, Joe Daleo, Marti Toomer, Howard Schoenike, Nancy Meier, and Ted Widmer**, went to dinner by horse drawn sleigh. At the cabin, we were amazed by the excellent entertainment (with help from the audience). Some of our favorites were **Carolyn Micheal** doing the Charleston, **Micky Carmicheal** singing, **Bill Lodato** dancing, and **Stu Traver and Bruce Lowther** saluting. #4: Ask anyone there about **TABLE DANCING**. #5: Ask **Linda Hensley** to sing the theme to *Gilligan's Island*.

## Tuesday, Jan. 8th

While many took a race clinic at Snowmass, **Joy Hammer, Darlene Clemens, and Beverly Merritt** invaded

Buttermilk. That afternoon, they got racing lessons from **George Hirasaki** and **Nelson Turner**. (The lessons must have been good because **Darlene** won a bronze medal.) #6: Ask **George** why he replaced his skis after skiing Buttermilk.

A formal Hot Tub party started after we got off the slopes. **E. J. Boudreaux** and **James Rinke** were quickly put in charge of opening champagne and everyone was given a waterproof top hat and "custom fitted" bow tie for the occasion.

## Wednesday, Jan. 9th

SCSC members were everywhere! Some went to Buttermilk; some went to Aspen; and some continued to explore Snowmass. #7: Ask **Jo Thomas** about the men (not in SCSC) who kept recognizing her all week.

That evening, TSC held a benefit casino party. To stir up a little excitement, **James Wayne** started out the bidding for the silent auction items. Some of the people seen winning (?) at blackjack were **Leona Bryan, Stu Traver, Nolan Badeaux, and Mike Jarson**. At the end of the evening, **Nolan** pooled the chips won by SCSC members and won a full day private lesson for the club. #8: Ask **Terry Chamness** why he kept playing craps for hours.

*Darlene and George at the Blackjack Table.*

# SNOWMASS III

by Cheryl Houge

All the people on Snowmass III must "live right" because the trip really went well without any major problems or deviation from scheduled plans. Everyone made all the flights, all luggage arrived, we didn't have to bus to Snowmass, and there was snow, snow, snow! Snowmass and the Texas Ski Council did an outstanding job to make this trip one of the best Traditional trips.

Our group arrived Tuesday night and was warmly greeted by the Snowmass I and II trips. Stonebridge Inn provided wine and snacks to please our palate while we checked in.

Wednesday morning we all met for a Continental breakfast and received our lift tickets and final scoop on the week ahead.

It was obvious, though, that a few more instructions along the way would have been helpful for a few of our participants. At the pre-trip party, someone forgot to explain the difference to **Jerry Montgomery** between women's

"Lisa — doing well - 5 to 1!" Left to right: Harry, Dave, Jerry, Robert, Lisa and Alan.

"personal" items and "White Elephants." Why did you have those anyway, Jerry? I don't think **Gary Sequeira** was that appreciative of the gift, but he tried to be polite. On the trip **Merrilyn Harvey** really needed to know how to board the correct plane, how to open glass doors, how to glue her purse to her body, and most importantly, how to ski with boots on the right foot. Well, she only wore them backwards for four hours and besides we all know that skiers have to be macho when it comes to boots and sore feet. We were proud of **B. J. Scott** running a great race, but perfection calls for finishing at the right gate - and naturally - on the right course. Speaking of instructions, did **Sharen Seversen** really enjoy the technical lesson she bid and won, or was it the instructor who was worth the price? **Jeri Hartman** needs to be informed that ski poles should remain with you at all times, and not to send -intentionally or otherwise - your poles on the lift chair in front of your own. Strange, huh? And then there is our **TC Loren Gullede** who needs to be told how to act more mature so the stewardesses don't ask for an I. D. when he orders a drink. Scary and awful that our very own TC acts and appears so young! Well, OK, we can handle the acting young part - because the rest of us do, too - but it is the youthful appearance that makes some of us real mad. Oh, to be carded one more time for memory's sake...To continue, **Jeff Sarff** needs massive help

so that on his next trip he doesn't face the embarrassment of winning the award for the World's - I mean - trip's "slowest" man. (*I don't think the women say that, do they, Jeff?*) Oh, if you ever need a cab, don't have **Peggy Donley** call for one. Chances are it will be stolen before you get to it. I am not sure there is such a thing as a "cabbie" theft prevention advice manual.

Wednesday morning **Dave Clayton** probably won the award for the first person of our group to officially hit the slopes. Did his "Up and At 'Um" last all week, **Roz**, or did he give you a chance to get a little sleep and brush your teeth? In contrast, **Harry Gaston** in disgust said he is giving up racing to watch T. V. He professed that just reading trail maps now makes him winded. That is what unmentionable birthdays do to a person. Speaking of maps, **Ron Honefenger** is a walking ski map and tour guide - great to ski with because you are pre-warned of any

"THE 'WALL OF DEATH' SKIERS" - (left to right): Robert Clements, Jeri Hartman, Alan Monnat, Lisa Monnat, Nancy Sarff, B. J. Scott, Merrilyn Harvey. (front) Peggy Donley, Jeff Sarff.

rocks or ice. He is good at spotting mountain goats also. Yes, my eyes see that little dot miles away. I'm sure it is a goat. It is nice to know that there are some true nature lovers. Most of the other men in our group with eyes not so keen were checking out the forms that were within 0 to 100 feet - space prevents me from mentioning all their names. However, I was told **Barry Scheter** was impressed with the SLOPES!

Several trip members will never again ski with **Alan Monnat** because he

# ASPEN TRADITIONAL

by Gene Davis

**Carol Weise** was late at the airport in Houston and was detained at the checkpoint while Security did a body search.

On the way to Snowmass Sunday, **Shirley Lang** was in such a hurry that she walked over "Dudley Moore" while trying to catch the bus. **Shirley, Jill Nanny, Liz Studdert, Elaine Bohot, Jenny Pavlas, Joan Sandstrom, Dianna Carter, and Gene Davis** were the first to ski "Cowboys" on Sunday!

**Vern Oliver** and his "Ladies," **Dianna, Elaine, and Jenny**, managed to close up Shooter's every night! Vern's comment (via T-Shirt) - "Just because I slept with you, don't expect me to ski with you!"

**Marlies Goode** claims she only falls down on purpose. Her roommate, **Katie Krueger**, had a different problem. She put her Ski boots on backwards on the wrong foot. Some pair!

It was a sort of "Kendel Jackson Day" at Gwyn's on Tuesday for **Shirley, Anita Yeomans, Bob Fried, Mike Moldofsky, Gene, and friend Boone Schweitzer** when, after two and a half bottles of K-J Reserve, Shirley called for the "Cat-Mobile" to take her down the mountain.

"RACE DAY" — (left to right): Gene Davis, Jill Nanny, Bob Fried, Liz Studdert, Bruce Flemming.

We met a group from Snowmass on Wednesday to ski Aspen and had a Chardonnay lunch at Bonnies with Jack Nicholson. After lunch, **Mr. Aspirin** led a group of 25 SCSC skiers down the Men's World Cup Downhill. Few made it down without getting lost in the various "Yard Sales" that were occurring on "Ruthie's." **Roberta Rabin** made a crash landing coming

into the chairlift at Ruthies. She was saved from a round of drinks for everyone with **no double release!**

Roommates **Helen Zulani** and **Alison Lenz** are dedicated skiers. Helen skied every day. Alison finally showed up at the Ski Rental place to rent her skis on Wednesday. **Lois Danielson** had a problem helping her roommate, **Diane Yarberry**, keep up with her belongings all week. Contrary to speculation, **Jeff Linden** did have a brief intimate encounter with his ski pole.

"T LAZY SEVEN" — (Left to right): Lee Thurman, Alison Lenz, Phil Unruh, Gene Davis, Bob Fried, Marlies Goode, Dana Wardell, Fred Ungerer, Robert Ambrose, Katie Krueger, Anita Yeomans.

**Martina Navratilova** was seen following Shirley around all week. She thought Shirley was a celebrity. After seeing Shirley Monday night at Lauretta's, she followed Shirley to the Aspen Club to watch her work out! **Sam Ross** was there, too!

**George Zupp, Alden Mackey and Don and Val McCutchen** received the "Best Bite" award for finding the newest reasonably priced restaurant at the Aspen Club Lodge.

We had a great night at the T-Lazy Seven. The group was treated to "Steaks" with trimmings while listening and dancing to the C & W band. After falling out of the saddle, Shirley was seen hitting on a local.

**Robert Ambrose, Barry Palmer, and John Brodie** were seen every night in "some" Hot Tub. They needed it after doing all the "double blacks" on Ruthie's Run on Ajax in one day!

At the Masquerade Party **Tom Hogle** and **Bob Fried** were selected by competing teams to provide a platform for the "Ladies' Sit Downhill Balloon Bust!" Tom's team won but a protest

was raised by the other team because he had an uneven object on his platform. Elaine found another use for her balloon!

As the party carried out of the Condo and into the streets of Aspen, after consuming three cases of Champagne, the **Phantom** was seen at the Banque along with other Masqueraders. **Scott and Kitty Cameron**, returning from the Elaine Boozler concert, saw the "Phantom" through the window and claimed it must have been **Jimmy StClair**.

**Colette Wagh** joined the ACL Club on Snowmass. However, she was lucky on the bus to Aspen and got a seat assignment next **Bob Allgeier!**

"BACK IN THE SADDLE..." -Shirley Lang and Linda Licarione.

**Lee Thurman** skied with Diane Yarberry and **SURVIVED!**

The Aspen trip brought out the mischievous twins in many of us: **HERMAN** alias Mike, **ROBERTO** alias Tom, **LOLITA** alias Anita, **CARLOTTA** alias Shirley, **ELWOOD** alias Gene, **SNYDLEY WHIPLASH** alias "Filthy" **Phil Unruh**. Though not

# FROM THE SKI DESK

by Craig Tharpe Liebergot

Okay...who (p----ed off) miffed Mother Nature? Adequate snow seems to have bypassed Idaho for the TSC Winter Shootout in Sun Valley. Because of the snow conditions, TSC gave the clubs the option of invoking the "No Snow" policy. However, 62 SCSC'ers decided to go and have a great time. Many thanks to **Sharon Inman, Bill Kirk** and **Eugene Walker** for leading these determined SCSC'ers to Sun Valley for a week of fun. And a big ATTABOY to **Sue Salvage, Tom Hogle** and **Steve Holt** for all of their hard work, as well as **Dave Corbin,**

TSC VP of Trips for the Winter Shootout. All of these people devoted months of their time to give the participants a great time at Sun Valley, but...you can't argue with Mother Nature!!! THANK YOU!!!!

The TSC Final Showdown leaves for Banff on March 17th, led by **Nelson Turner** and **Chris James**. Our Family Optional trip to Vail leaves March 23rd, led by **Connie Nielsen** and **Pam Paillet**. And last, but not least, the Utah trip to Park City, led by TC **Chuck Ratliff** and ATC **Melinda Jelks** leaves March 30th.

Believe it or not, now is the time for you to start thinking about where you want to ski next year. The best way to let the officers know is by filling out your trip critiques that are given to you at the end of each trip in which you participate. PLEASE get these filled out and mailed to your trip leader or me ASAP. Please keep in mind that the new VP of Trips starts working on the 1991-92 trip schedule in March.

There appears to have been a discrepancy between the NASTAR computer and the TSC computer concerning the Club race results at

Snowmass during the TSC Traditional Ski Week. The matter is being looked into at this writing and will be presented for resolution at the next TSC meeting.

I would like to thank the following TCs: **Ann Harvey, Howard Pallet, Dave Pullin, Beverly Merritt, Loren Gullledge, Shirley Lang, Anita Yeomans, Sharon Inman, Sue Salvage, Bill Kirk, Tom Okamoto, Nelson Turner, Connie Nielsen** and **Chuck Ratliff** and ATCs: **Kay Ellig, Gayla Cawood, Cissy Dutcher, Marti Toomer, Gene Davis, Cheryl Houge, Terry McGuinness, Eugene Walker, Tom Hogle, Steve Holt, Sandy Hoffman, Chris James, Pam Paillet** and **Melinda Jelks** for a job well done.

This VP of Trips would like to give a special thank you to DOTs **Debbie Bergeron** and **Donna Repka** who helped assist the TCs, ATCs and yours truly. The great SCSC ski season this year would have been impossible without Donna and Debbie. They have been terrific.

It has been both fun and rewarding being the VP of Trips for SCSC this year. Thank you.

# SWINGING DOOR

by Pete Thorpe

All you buckaroos that didn't attend the barbecue dinner at the Swinging Door on Saturday, January 19 *reallllly* missed it. The first to arrive were **Peggy Donley** and **Jerry** ("Check out my velcro pants, ladies.") **Montgomery**. They arrived extra early and assisted the hostess with all the things she'd forgotten. The last to arrive was **Linda Licarione** (*Wonder where she'd been?*) Dinner was great!!! **Joyce Ryan** was the best attired lady of the evening. One lone ranger rode in with his duster and laser pistol claiming to be **Tom Hogle** (*with a lovely cowgirl, Mary Ann Collins*), so we let him be the best-dressed dude (*or is that dud?*). Before

retiring to the ballroom for dancing, we all sang a birthday dirge to **Stuart Traver** who was celebrating his 40th birthday. **Roberta** and **Ron Rambin** (*looking real good*) were putting their C&W lessons to use. **Sy Liebergot** couldn't quite get **Craig** accustomed to dancing in a circular pattern around the floor; you can tell she hasn't been in too many C&W dance halls. **Barbara Huey** and her guest, **Bill Cockrell**, were dancing and looking good! After several beers, **Gunner Heyne** claimed

(*in his German accent*) that he was born in Monterrey, Mexico. **Jeri Hartman** and **Jim Felker** were the best whippers in the group. **Nancy** and **Jeff Sarff** kept waiting for the "right" song to show off their whip steps. Oh well, maybe next time. The best spectacle of the evening was the SCSC members rendition of the well-respected, thought-provoking, physically demanding Chicken Dance. **Renate Heyne** couldn't get husband **Gunner** to do it (*and it's a German tradition*); **Gunner's** comment was "It's not manly." **Harold Eaton** got a kick out of **Craig Tharpe's** unique rendition of the dance. (*You'll have to ask Craig why!*) **Charles Morgan** later reported that **Kathy Morgan** was sore for two days afterward. **Donna Repka** and **Debbie Bergeron** agreed that they had not had enough to drink to get out there. That didn't stop **Ted Bergeron** who danced not only the Chicken Dance but almost every other dance that was played. **Manuel Valle** danced the night away with all the unescorted ladies. Special thanks to **Peggy Donley** and **Debbie** and **Ted Bergeron** for helping the hostess and making this an enjoyable evening for everyone.

## GINGER HOWARD

President

Ginger has been a member of SCSC since 1977 when she skied with the Club in Breckenridge. She has since taken Club ski trips to numerous destinations.

Involvement as a volunteer began with selling drink tickets and has escalated ever since. Being a co-coordinator for Mercer's Campout in 1985 was truly an initiation into SCSC activities. Since that time, Ginger has helped and been involved with Club activities ranging from the Follies to western dancing. She was an ATC for Big Sky and TC for Breckenridge. She served as Club Secretary in 1988 and on the Board of Directors in 1989. She is currently a member of the BOD after being selected to fill an open position. For the past two years, she has chaired the By-Laws Committee, which reviewed and suggested changes to the By-Laws and Standing Rules.

Professionally, Ginger is a registered nurse and certified orthopaedic nurse. She works with an orthopaedic surgeon as both nurse and office manager. That position has afforded her experience in dealing with people, problems and managing personnel. Additionally, she has held leadership positions in a national nursing organization.

Ginger feels prepared to serve as SCSC President, and sees her Club involvement during the last few years as important groundwork for the position. She looks forward to leading a group of officers whose goal is to be responsive to the needs of SCSC members.

## SHIRLEY LANG

Vice President - Programs

Shirley joined the ski club in 1983, and went on her first trip to Sun Valley, Idaho, the year they had snow--1984. She has been on many ski trips with the club: Aspen, Vail, Big Mountain, Heavenly Valley, and Steamboat just to mention a few. She was the ATC for Heavenly Valley in 1988 and the TC for Aspen this year. Shirley (along with her friend Flo) was in charge of the Ski Club's Logo Sales a long time ago when they had 100-lb. mugs to cart around and sell! She has been the Activity Coordinator for two winter style shows and has been on the decorating crew for the Halloween parties for the past three years. She enjoys the camaraderie of her fellow ski club members and likes to have a good time. She is looking forward to planning fun, interesting, and different activities for the club to do in 1991-92.

Shirley lives and works in the Clear Lake area. She is the proud mother of four children and the very proud grandmother of one. Her hobbies are tennis and traveling, traveling, traveling.

## DEBBIE BERGERON

Vice President - Trips

Debbie joined Space City in 1983, after several months of listening to a co-workers daily ravings about the year-round great times one could have as a member of SCSC, both on and off the slopes! Debbie's first club trip was in 1984 to Breckenridge as a "Timid Beginner," and has since progressed to "Cautious Mogul Masher" in 1991, with stops along the way in Copper Mountain, Snowmass, Heavenly Valley, Keystone, Vail and Breckenridge.

Debbie has found the "spirit of volunteerism" with Space City enjoyable and personally rewarding. She coordinated the 1986 Spring & Summer Style Show, 1987 Road Rally, 1988 Comedy Club Night, and the 1988 Winter Style Show. In 1990, she was ATC for Heavenly Valley I & IV, and soon afterword sought one of two positions as a Director of Trips for 1990-91.

Assisting the VP of Trips this past year as DOT has included direct involvement with researching, planning and managing a portion of the Club's 1990-1991 trip schedule, as well as selecting, training, and closely working

with her assigned TC's and ATC's in their budget preparation and trip organization. She has attended all SCSC Executive Committee and Board of Directors Meetings this past year, and the Texas Ski Council Quarterly Delegate Meetings, including the April 1990 Bid Meeting in San Antonio where TSC trips for the current year were selected. Debbie feels this past year as a DOT has provided great experience and will be of considerable benefit to her in the office of Vice President - Trips for 1991-92. Her primary goal in this position is to put together a dynamite schedule of trips for Space City's upcoming ski season.

Debbie has been employed at the firm of Bracewell & Patterson for 12 years, where she is legal secretary to a senior partner and senior associate. Her job requires attention to detail, organization, and maintaining a good working relationship with a large base of clients, attorneys, co-workers, and administrative staff--assets which all coincide with the skills required in her "other" full-time job as Director of Trips.

## ED CAIN

Vice President - Membership

Ed joined Space City Ski Club in 1982 and has gone on many ski trips to Colorado, Lake Tahoe, and Canada since then, including trips to Vail and Sun Valley this year.

Ed was the Trip Coordinator for the TSC Fall Roundup at Keystone in 1986. When Ed was the coordinator for the Summer Bash, we had the largest attendance ever. He coordinated the Tuesday night tennis group for two years and still participates regularly. He has been an actor?? in the Follies for many years.

Ed is an Engineering Manager with Brown & Root and feels his business management skills can be used in this SCSC office. He has experience as an officer in volunteer organizations as the past president and secretary of a professional engineering society. He has the computer skills necessary to manage the club's computerized membership data base.

His goal as Vice President - Membership is to develop additional ways to tell others what a wonderful group of people our membership is.

Beverly moved to Houston from Louisiana and joined Space City Ski Club in 1987. She has skied with the Club at Taos, Vail, and Snowmass.

Beverly has served SCSC as ATC for Snowbird in 1989, and for Vail in 1990. She was the Trip Coordinator for Snowmass II, Texas Ski Week - Traditional in 1991. Other activities she has organized are the Volunteer Party in 1989 and the SCSC Annual Photography Contest in 1990.

Beverly is enthusiastic and looking forward to the opportunity to serve the club and working with fellow club members. She welcomes your comments and suggestions.

## DONNA REPKA

Secretary

Donna Repka joined Space City Ski Club in 1984, and experienced her first ski trip with the club during Texas Ski Week ('85) at Copper Mountain. Since that time, Donna has participated on at least one or two ski trips a year with the Club. Donna served as Race Director for TSC in Winter Park ('88), Assistant Trip Coordinator for Telluride (Winter Shoot-Out, '89), Trip Coordinator for Heavenly Valley (Final Showdown '90) and is currently holding the position of Director of Trips. In addition to skiing with Space City, she has been an active participant in numerous activities throughout the past years and has also acted as coordinator for "Dickens on the Strand" in Galveston.

Donna is employed by Faye Serafim & Co. Investment Counselors and has a variety of computer skills which will help in the organizational duties that are required in holding the position of Secretary.

## LOUIS SCHULTZ

Treasurer

Lou has been the Activity Coordinator for a Road Rally and a trip to Laredo (1977). He has also been the Chairman of the Liftliners, as well as a member of the Liftliners for several different years. He has actively participated in numerous ski trips and activities, including several Follies and various fashion shows.

Professionally Lou has a private practice in Orthodontics, with an office in southwest Houston and a satellite office in the 1960 Area. Cont'd from pg. 4

getting lost on the Men's Downhill Course at Aspen, but that was due to the company he kept that day. Sometimes it's hard to know which fork to take!! That evening **Louise Talen** was our dealer for the Casino night. One would have thought she'd come straight from Las Vegas!

Thursday was race day - the day we would prove our prowess on the mountain. Race Director **Steve B.**, aided by wife, **Diane** did a wonderful job of coordinating our group and getting our race bibs to us. **Bill Lanfield**, **Richard Boehck**, **David Stotz** and **Steve** all had medal time runs, but a TSC foul-up robbed us of our true

standing. **Nancy B.** took a spectacular spill on the course, wiping out three gates in a matter of seconds. **ATC Cissy Dutcher** managed to finish in record time (for her) despite running over the video cameraman on a wide turn. No medals for these two!

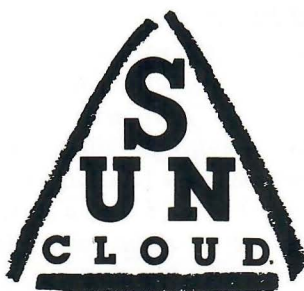

Friday was greeted with mixed emotions by all. Five inches of new snow guaranteed spectacular skiing and it was a day for most to treasure. One had to wonder, however, why **Mike W.** never learned which boot went on which foot. Friday was not a red letter day for **Winnie P.** as she took a nasty spill that resulted in a mild concussion. **Ward Jones** suffered a pulled calf muscle earlier, and **Louise Potter** strained her back in a fall. We were grateful we had no broken bones or injuries serious enough to send anyone home early.

Friday evening's Awards Dinner and Dance was a fitting finale. **Don Moore** was nattily attired in a tux shirt, red bow tie, red cumberbund and faded black jeans. **Barbara Harker**, **Karen P.** and **Becky** joined in the fun and had a great time on the dance floor. Louise

P. didn't make the party, but Alex proved he was one of the really great C&W dancers around. We left Snowmass on Saturday reluctantly. There were so many new friends and so many memories...My very special thanks go to my TC **Dave Pullin**, who was a joy to work with, and to my three Musketeers, **Don Moore**, **Eddie Moss** and **Mike Wolfe**, who were always there when boxes and ice chests needed to be toted. Hope everyone had as much fun as I did!

twins, we were getting confused with double names so: **Bruce Maughs** *alias* SUGAR BEAR, and **Bruce Fleming** *alias* "KEN," new member **Fred Ungerer** *alias* FELIX, and **Fred Schaffert** *alias* "FRED" all stuck as aliases. "SUGAR BEAR" was seen with "DANCING BEAR," *alias* Ginger Lyons.

Although we "officially" had 40 trip participants, we expanded our group to include the following people who wanted to party with us. They are **Beth Duncan**, **Sheri Ellison**, **Vic Fowler** (*medal winner*), **Nadine Lange**, **Linda Licarione**, **Kay McKeough**, **Cindy Overton**, **Paul Romero**, **Sue Schaffer**, **Bill Venner**, **Fred Ungerer**, **Dana Wardell**, and **Jackie Zipp**.

We not only had a good time in Aspen, but we also came home with 7 medals and a total of 603 points for SCSC out of the total points of 1752 collected by SCSC! Thanks to a great race director, **Bob Fried**, (*all our records were correct*) and to a group of wonderful participants who made the Aspen Traditional a most enjoyable event. See you next year at "Winter-skol!"

## SNOWMASS II

Con't from pg. 5

### Thursday, Jan 10th

Race Day! After some scrambling by our race director, **Billie Nowak**, everyone was able to race and did a great job representing SCSC. **Jimmy Byers** and **Micky Carmicheal** came by snowmobile to watch and join us for a post race picnic. At the happy hour party, special awards were given to **Bob Tyer** and **Carol Burris** for their racing feats, and the drawing for the private lesson was won by **Joy Hammer**. More partying in Aspen completed the evening. #9: Ask Jov about her other award.

Marti Toomer (on table) with Stephen Pirsch and Bruce Lowther "watching!"

### Friday, Jan. 11th

Our last day - most people skied at Snowmass or Aspen, taking their favorite runs one more time or racing for one more medal. That night we celebrated TSC's 25th anniversary with dinner, then dancing. #10: Ask the ladies how terrific **Bruce Lowther** looked in his tux.

### Saturday, Jan 12th

#11: Why was everyone asking "Can't we stay another week?"

As you can conclude, all that it took to accomplish this mission was great weather and 40 fantastic friends! *Thanks for the memories!*

convinced them to ski down what was later dubbed the "Wall of Death." We hear that Jamin' **Jim McLaughlin** and Stormin' **Norman Rund** did an excellent job on the "Vapor" trails and that **Marci Nickerson**, a new skier, conquered "Fanny Hill" - are we talking skiing? The word is out that **Peggy Schillinger** never falls and **Caren Walker** does an excellent job of sliding down Blue.

New groups were formed on this trip that may become famous. **Kim Page** and **Rita Trelewicz** started "synchronized skiing" which they plan to propose for the next Olympic Games. **Nancy Sarff**, **Peggy Donley**, **Lisa Monnat**, and **Merrilyn Harvey** teamed up to form "The Pacesetters." We don't know if they accept additional members or charge dues.

(Left to right): Nancy, Loren, Kim & Jim - "Big Smile Group."

Some laurels: **Byron Makarwicz** did an outstanding job as Loren's roommate and receptionist. **Cheryl Bac** did a superb job of taking care of her roommate - **Merrilyn H.** all week - left foot, left boot, right foot, right boot, O. J. Simpson off the plane to retrieve a purse, etc. What a friend! **Robert Porter**, our in-house doctor, volunteered to give mouth-to-mouth to the ladies in the hot tub should it become necessary because of the steam. **Dave Launarey** was an outstanding gentleman by offering his lap to ladies

necessary because of the steam. **Dave Launarey** was an outstanding gentleman by offering his lap to the ladies without chairs. **Virginia Gray** and **Cindy Wersterfer** did a great job meeting men on buses, and **Roger and Monica Williams** were pretty astute playing "Liar's Poker." **Sharon and Gary Sequeira** celebrated their month-by-month wedding anniversary real well by requesting their phone and room number be unlisted. When they did venture out, Gary nearly had a \$ \$ heart attack when the magician at dinner ended up with Sharon's new (*paid for?*) wedding rings. **Cheryl Houge**

(ATC) sacrificially slept with all the Snowmass III beer, pop, and eateries stacked on her bed due to lack of space and - tired and sleepless - she nevertheless still carried forth her duties. **B. J. Scott** was really kind by refusing to tattle on her roommate, **Marcia Lutz**, a guacamole addict. Neither would Peggy rat on her roomie, **Joyce Margara**. Such loyalty! **Phyllis Anders**, **John Crites**, **Peter Coulter** and **Melinda Jarson** all took vows of silence. They were all either real good or *reaaaaal* bad.....

A great group of people-Snowmass III. You should have been there!
