HEAD OF THE LIFTLINE

by Ginger Howard

Well, once again the lazy days of summer are here. Remember that we have no regular monthly meetings during June, July and August. We will continue our usual monthly Happy Hours and a varied schedule of activities. Be sure to remember to renew your membership; mainly because we value you as members, but also so that you'll continue to receive our beautifully produced *Sitzmarke* and will not miss out on any of the fun things we have planned for the summer.

Our 91-92 trip schedule is shaping up nicely. See Debbie's article in this issue for the details. The Board approved Sharon Inman and Anita Yeomans as Directors of Trips. They will be working closely with Debbie as her able bodied assistants. The Texas Ski Council trips were selected at the April bid meeting as follows: Breckenridge, Fall Roundup; Winter Park, Traditional; Crested Butte, Winter Shootout; and Heavenly Valley, Final Showdown. Additionally, our very own Jerry Montgomery was elected as TSC V-P for Final Showdown. I know that Jerry will do the same excellent job for the Council that he has always done in all of his SCSC offices. Ted Bergeron will be our Race Director. He is very experienced in racing rules, has run Race Clinics and is especially patient with beginners.

Additional news from the May Board of Directors meeting: Craig Liebergot was selected to be our Texas Ski Council representative for 91-92, with Ray Naudain as alternate representative. They will be voicing our concerns at the TSC meetings, as well as sharing information with other Texas Ski Clubs. Marty Matras will be our Audit Chairman for this year. This is a very important position that requires constant vigilance of our books and financial transactions. I know we're in good hands with Marty, who has made numerous contributions to the Club in the past.

By the time you read this, our Volunteer Party on June 2 will be over. This always is a fun event meant to show our appreciation for all the members who volunteer their time, talent and effort. Please let one of your officers know your interests and ideas. We'll find a job for you this year. Remember this entire club is run by volunteers, and we're always needing someone to do something. So speak up!

June activities include the TSC Triathlon in Austin June 7-9 and the Guadalupe rafting trip.

See you at Happy Hour, Thursday, June 20, at The Brownstone.

As you read this article, your TCs and ATCs are probably sitting in a three-hour training session preparing for next year's trips. They will be devoting a lot of time and energy beginning this month and continuing on until about a month *after their trip is actually concluded!* A toast to all of you who volunteered to run a trip. Unfortunately there were not as many trips as there were applicants -- so I encourage those of you not assigned to a trip to contact our V. P. of Programs, Shirley Lang, who needs coordinators for next year's activities. Volunteering is what makes this club so successful!

Our Director of Trips (DOTS) have now been officially approved, and I am very pleased to announce that Sharon Inman and Anita Yeomans will be working with me and our trip leaders over the coming year. They are both sharp, super ladies who will be real assets to SCSC.

SCSC has the rare opportunity next season of retiring the Texas Ski Cup and bringing it home, by winning 1st Place in our division for the third straight year. (SCSC last retired the cup 12 years ago, after the 1977-1980 ski seasons.) To help us reach this goal, a strong effort will be made to educate our members and trip race directors on the rules and requirements of the Texas Ski Council and NASTAR. The Board has approved Ted Bergeron to take on this task for the next season, as overall Club Race Director. Ted attended all the 1990-91 TSC Delegate meetings and will be participating in them again this year to keep up with all the current rules.

I want to thank all of you who took the time to fill out and return the trip survey last month. The information you furnish is being used to help set this year's trip schedule. See the preview schedule below. Negotiating with the ski resorts and airlines has been a real challenge, but we are persevering! With the assistance of Continental Airlines' 1991-1992 ski group fares and a certain "Lead Agent Extraordinaire," we are working on some competitive pricing for our various destinations.

Trip sign-up will be accepted by mail again this year, for a one-week period beginning August 15th. More details next month, so be sure to keep up with your *Sitz* while enjoying your summer!

TEXAS SKI COUNCIL REPORT

ANOTHER SWAN SONG....

The final meeting of the 1990-1991 Texas Ski Council was held April 19-21 in San Antonio. This meeting, called the Bid Meeting, is truly a working weekend as the delegates from the member council clubs listen to the bid presentations by the various ski resorts and vote to decide next year's Texas Ski Council trip locations.

Space City was well represented at this meeting. Joining me this year as Space City delegates were Jerry Montgomery, Alternate Texas Ski Council Representative; Ginger Howard, incoming President; Debbie Bergeron, incoming VP Trips; Ed Cain, incoming VP Membership; Beverly Merritt, incoming VP Publications; and Donna Repka, incoming Secretary. Other SCSCers attending as guests included Ray Naudain, President; Peggy Donley, VP Programs; Craig Tharpe Liebergot, VP Trips; Kim Page, Secretary; Ted Bergeron, Board Member; Sharon Inman, Anita Yeomens, Tom Mercer, Floyd Hanks, Kay Ellig, Howard Paillet, Tom Hogle and Dick Howard.

We heard bid presentations from the following resorts:

TSC TRIP	SKI RESORT	RESORT SELECTED
Fall Roundup	Breckenridge Crested Butte Keystone	<i>Breckenridge</i>
Traditional	Crested Butte Keystone Purgatory Steamboat Springs Winter Park	<i>Winter Park</i>
Winter Shootout	Crested Butte Sugar Loaf Mountain	<i>Crested Butte</i>
Final Showdown	Crested Butte Heavenly Valley Keystone Sugar Loaf Mountain	<i>Heavenly Valley</i>

Major points of discussion on the selection of the resorts included:

- Breckenridge is a welcome change for the Thanksgiving trip. If the early snow is better at other resorts in the area, trip participants can travel to them easily.
- Steamboat was unable to work out a reasonable arrangement with the Sheraton for holding TSC parties in their ballroom. TSC clubs would have had to book 100 units at the hotel in order to use the ballroom and there wasn't any arm waving by clubs wanting to stay in the hotel rooms over condos.
- Winter Park PROMISED to have transportation as their number one priority. Yours truly specifically addressed this issue with the WP representatives who said they'll be ready for the SCSC masses. Look for them to appear LIVE and IN-PERSON at SCSC meetings to answer your questions.
- Sugar Loaf Mountain, a very popular resort in northeastern Maine, put together an excellent bid and offered tremendous value for the ski dollar. Look for them to be back!
- Keystone, a favorite of the Texas Ski Council for years, put together excellent bids which highlighted their new mountain, The Outback. The votes were close and Keystone only lost by a goggle. (This was just a test to see if anyone is reading this!)

The Saturday night party certainly kept up the spirit of fun typical of TSC parties. Castriones (confetti-filled, decorated eggs) were the "hit" of the party with former SCSCer Joe Dar, now President of Lone Star Skiers, deserving an award for smashing more eggs on SCSCers than we thought possible. To try to describe to you the scene, picture two hotel housekeepers walking into the women's restroom and screaming "Oh, my God!"

PARK CITY

by Melinda Jelks

The Park City Spring Ski Team

Saturday, March 30, 1991, 56 Spring Ski Team Members ascended on Park City wearing hot pink and royal blue Park City Spring Ski Team T-Shirts designed by TC, **Chuck Ratliff**. **G. P. Montijo** flew in from L. A. and met us in Salt Lake City.

Chris Johnson marked the wheel in preparation for bus wheel roulette, and we were on our way to Park City sipping on Mimosas. **Ralph Montijo** was the lucky winner of wheel roulette. Ralph is a lucky guy; he also won a pair of skis at the pre-trip party.

Saturday afternoon a speaker came to our condo conference room to give us informative information about the skiing conditions at Deer Valley, Park City and Snowbird, after which he presented everyone with a U. S. Ski Team pin. A get-acquainted dinner was served and a surprise birthday cake was presented to **Debbie Bergeron**. After dinner, dedicated partiers **Tom Hogle**, **Barbara Huey**, **Patti Richards**, **Bert Lary**, **Mike Wolfe** and **Tom Williams** found a great C & W band at the Down Under club and literally danced in the aisles.

Chris Johnson, Melinda Jelks, Chuck Ratliff and Donna Hannaford.

Easter Sunday we skied Deer Valley. As a world class resort it lived up to everyone's expectations, especially for those that brunched at Stein Erickson's Lodge. Of course, they expect their customers to pay, especially when it's a \$270.00 tab. As the story goes from **Dick Bryant**, **Craig Tharpe** **Liebergot** tried to test the system.

The Lunch Bunch at Mid-Mountain.

For the next four days we conquered the Park City Ski Area. Just ask all those who skied Jupiter Bowl. Everyone had a story to tell, especially **Linda Day**. After doing some acrobatics down the mountain, Linda recommends skiing down Jupiter Bowl on your skis with goggles intact. Thanks to on-the-spot nursing by **Christine Milla**, Linda was skiing again the next day.

Most impressive and die hard skier was **Christine Milla**. She wore out all the men who tried to ski with her. **Frank Hamtak** showed off his flawless form coming down the mountain, especially his patented hook slide coming to rest at Eric's feet. **Jerry Simpson** was asked how long are your skis? He

replied "185's, both of them." **Jerry** told us he had two pair of skis.

First-time skiers **Linda Derenbecker**, **Liz Olgesbee** and **Gerald Solano** are hooked and ready to go back next year. **Donald Hanst** and **Bert Lary** were real heroes. Seems they helped a certain lady down the mountain.

Imagine trying to get a massage and having your condo mates **Suzanne Baker**, **Jo Ann Lane** and **Eric Prentice** tickling your feet, asking the masseur what he charged, and the maids cleaning the condo all at the same time. **Pat Razbon** didn't seem to mind too much; she had the masseur back again two days later.

Rumor has it **Mike Wolfe** was the most sought after man on the trip. Just ask **Diane Stotz** who got a report each morning. Husband **David Stotz** was seen buying something sexy for wife **Diane** at **Leather'n Lace**.

Many thanks to **Tom Hogle**, **Barbara Huey**, **Patti Richards** and **Tom Williams** for hosting such a fun "Pop-

SATURDAY IN THE PARK

by Rita Trelewicz

It was a cloudy Saturday, but all was still a go with the picnic in the park. **A.G. Davis** and **Bill Kirk** were the first to arrive and lend a hand with the setting up of the beer kegs. **Jerry Montgomery**, **Bill** and **A.G.** set up the other nets that **Michelle Lamb**, **Merlyn Harger**, **Ron** and **Roberta Rambin** kindly lent for the occasion while **Mike Honig**, along with **Byron Makarwich**, helped set up the volley ball net for the seasoned players.

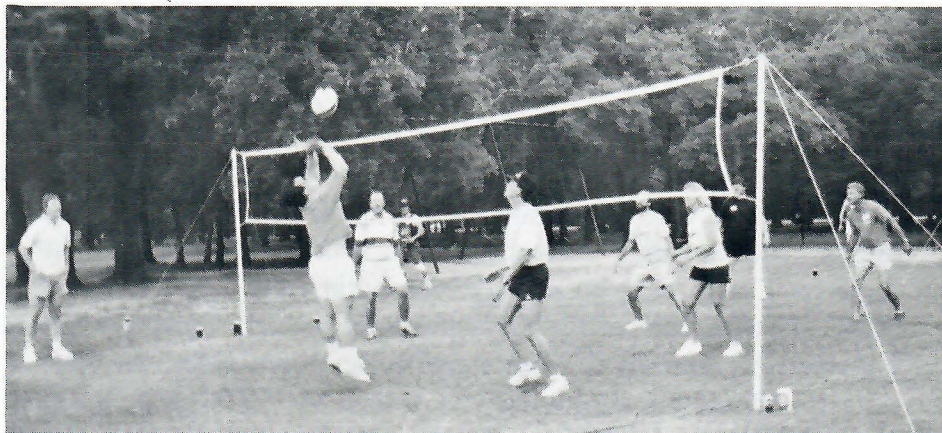

Ron came totally prepared, kneepads and all, for some heavy duty playing. **Tom Hogle** and **Robin Anderson** arrived with special sun gear to prevent any possible sunburn in any unwanted areas. **Peggy Donley** was a great help in signing people in while the games got underway.

Ray Naudin is quite the active volleyball player and **Dick Howard** showed great agility on the courts, while **Craig Sears** and **Donna Repka** gave some people a run for their money. **Anthony Chavez** when he wasn't playing volleyball, was socializing with all the women.

Meanwhile a group of bikers that included **Marti Toomer**, **Nelson Turner**, **Elizabeth Steinmann**, **Ray Davis**, **Billie Nowak**, **Robert Mills** and **Mark Russell** (How was Sunday morning?) took off to explore Bear Creek Park, but had to change travel plans often due to dead-ends caused by flooding.

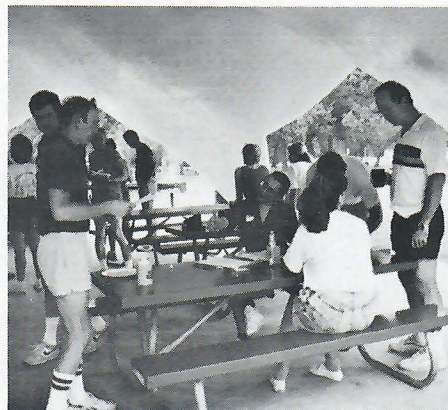

Charles Frederick, **Mark Vela**, **Jon Hofmann**, **Allen Austin**, **Gary** and **Charles Butler** played their fair share of volleyball before they were seen munching down with the rest of the

bunch along with **Terry Hesse**, **Jane Dibetta**, **Da Corson**, and **Ronald Brandon**.

Jerry Pyle (Susan appreciated that surprise down the back), **Bill** and **A.G.** put on their chef hats and did a superb job grilling burgers and wienies. **Dell Davidson** came with a friend and brought enough food for themselves and everyone else, too. **Quenton Nolte**, **Donna Hauss**, **Jim Plummer**, and his friend were seen eating their share and did **Denise Loos** ever get her burger? **Sandra McCunis**, **Gayle Creek**, and **Bryron** discussed the pleasures of sailing in between bites of food and **Lee Jones** was seen talking to **Linda Hysell** who arrived late but brought a little furry friend with her. **Sara Green** tried to set up a bridge game, but settled for watching the players along with **Richard Henderson**, **Jim Merrhee**, **Peggy McLane**, **Sandi Preston** and her daughter **Becky**.

Thanks to **Sun** and **Ski**, special door prizes were awarded and **Katie Krueger** was concerned that her hat would not match her rollerblades while

Thomas Okamoto was happy with his T-shirt. No one went away empty handed and water bottles were given to all which made **Eugene Walker** especially happy.

Dale (Lucky 13) **Allbritton's** friends finally made it and **Ellen Manhard** tried to find **Terry McGuiness**, but had a good time anyway--is there a connection here?

Ed Cain kept very busy recruiting new members and not only had **Dawn Davidson** and **Inga Coones** join, but also the police officer on duty.

Word is out that **Larry Keuhn** has a female fan club and **Kay Ellig** knows who, but will she ever tell? **Elyse Turla** was spotted racing with **Beverly Merritt** to the Porta-Potties--did she get to the best one first?

Everyone had a great time and the party lingered well past 7:00. It was 9:00 and did everyone go home yet?

THE 1991

Planning for the 1991 Follies began last summer with all the TCs and ATC's being told that because the ski schedule was so fantastic we wanted to make each of the trips a highlight of the follies. All the trips came back with slides and most of them came back with skits to provide you with insight on how great SCSC ski trips can be!!!! Throughout the year Sy Liebergot and I worked on coming up with songs to lead into skits and other skits to entertain and provide you with other SCSC happenings during the year. It all came together (Amazingly) on May 13th and what a show it was!!!!

While I have received lots of comments on how great a job I did on the Follies, I must confess that without Sy's help it would not have been the show it was. Sy did all the lead in tapes and prepared a script to be used for the ideas he and I put together. If you have the opportunity please let him know what a great job he did!!!!

Further thanks goes to all the people who so "Willingly" provided the entertainment and behind the scenes help (Arm twisting is verry beneficial when you are director of such an event!!!) So you will know the "Characters" who brought this entertainment to you, the following is a list of the cast and behind the scenes contributors (The stage crew was invaluable)!!!!

When you see them let them know what you thought of the show so they will eagerly volunteer for the show next year.

MORE FROM THE 1991 FOLLIES

APRIL STYLE SHOW

by Peggy Donley

The 1990-91 and 1991-92 Officers and Board members served as the models for SCSC's Spring Style Show, which highlighted outfits from **Sun and Ski Sports'** Westheimer store. VP of Membership **Kathy Morgan** and VP of Programs **Peggy Donley** were the MCs for the show and not only talked about the great-looking clothes being modeled, but provided insight into what the models did besides ski club !!!

The show began with club secretary **Kim Page** and Board member **Pam Holder** modeling workout clothing to get us ready for the long hot summer. The "hot" colors of the outfits made us all realize that the bright colors used for ski clothes were also going to continue into the summer.

From active wear, the show moved into clothing for cycling which were modeled by President **Ray Naudain** and Board members **Ginger Howard** and **Lynn Eaton**. Ray and Ginger also showed the crowd some of the latest bicycles available at Sun and Ski.

Next we had Chairman of the Board **Jerry Montgomery** and the new VP of Membership **Ed Cain** begin a review of what is available for men in Tennis wear. VP of Trips **Craig Liebergot** and the new VP of Publications **Beverly Merritt** provided insight into the outfits we would see women wearing on the courts. Board members **Ted Bergeron** and **Debbie Chrissinger** and VP of Publications **Jeri Hartman** came out on stage looking terrific in the latest spring warmup styles. Craig also showed off one of these fine outfits.

To liven up the group, Board

member **Gloria Rooney** and hubby, Treasurer **Mike Rooney**, came out in outfits made for sailing and the beach. Since a beach ultimately leads to water, the style show was rounded out by new Treasurer **Lou Shultz** and new VP of Programs **Shirley Lang** modeling "Eagle" brand wetsuits. Lou and Shirley brought with them their preferred water toys--an HO waterski and hydroslide. (Hydrosides are the latest water toy craze!!!!) The equipment and wetsuits served to remind us that Sun and Ski is the largest waterski dealer in Houston.

Helping behind the scenes at the show were Director of Trips **Donna Repka** (new club secretary) and **Debbie Bergeron** (new VP of Trips). Club Auditor **Bill Vasen** kept the membership desk running smooth so both the new and old VP of Membership could participate in bringing you the Spring Active Wear Styles.

As this article is complete the Officers and Board members for the 1990-91 and 1991-92 ski seasons want to extend our thanks to **SUN AND SKI ON WESTHEIMER** for all its support--not only at the style show, but throughout the year and to remind all of you that Sun and Ski offers a 10% discount on non-sale items to all SCSC members.

You may be wondering where the exciting pictures of all these great outfits are--unfortunately, while photographs were taken, the camera malfunctioned and photographic "memories" of this occasion do not exist!! Not sure which of the above individuals broke the camera!!!

Contest Winner

BECKY HALL is the winner of our May contest. Becky sponsored the most guest at the May meeting and will receive a \$15.00 Gift Certificate that may be used towards any SCSC activity or ski trip during the 1990-91 membership year.

TEXAS SKI COUNCIL REPORT

Continued from page 5

The best kept secret of the party was the presentation of the trophies for the Texas Cup. SCSC proudly won first place in Division I to the astonishment of our own VP Trips, Craig Tharpe Liebergot who was seen wandering around in a maze uttering, "We won?" In her defense, Craig had been so upset by the computer problems SCSC had in Snowmass in recording our race scores, she overlooked that SCSC was the only club in Division I to place in all three races. A great effort by all of our members. And a big THANKS to our friends in Lone Star Skiers for the bottle of champagne at the party. Now if our new VP Trips, Debbie Bergeron, can get out enough SCSC racers this year to win the Division I Cup again, SCSC will get to keep the trophy! The heat is on, Debbie.... (Anyone wondering why Ted Bergeron volunteered to be the SCSC Race Director?) Not to pay too little attention to Division II and III, Armadillo Ski Club took Division II and Texins took Division III.

Sunday morning when the delegates reconvened, the election for next year's TSC officers began. As Chairman of the Nominating Committee for Texas Ski Council, I presented the slate of nominees to the delegates and introduced our selections for first-time TSC officers with their impressive qualifications: Diane McClendon, Lone Star Skiers; Alan Rudnai, Texins, and Jerry Montgomery, Space City. I am extremely pleased to report that all of the Nominating Committee's nominees ran unopposed and the elections were completed in record time! The new TSC officers for 1991-1992 are:

President, Billy Lynum, Los Amigos
VP Marketing, James Mershon, Lone Star Skiers
Secretary, Rhonda McGree, Club St. Bernard
Treasurer, Steve Gucker, Austin Skiers
VP Fall Roundup, Diane McClendon, Lone Star Skiers
VP Traditional, Dave Corbin, Clear Lake Area Ski Club
VP Winter Shootout, Alan Rudnai, Texins
VP Final Showdown, Jerry Montgomery, Space City Ski Club

Special thanks go to Don Thomas, San Antonio Ski Club, and Willie Jackson, Texas Ski Rangers, for working with me on this committee.

This was, indeed, one of the most amicable and harmonious Bid Meetings I've ever attended and I've been representing SCSC in some capacity at these meetings for the last five years. I have truly enjoyed the opportunity to represent our club at the Texas Ski Council, but it's time for this swan to sail off into the sunset. I have passed the baton to Craig Tharpe Liebergot, your new TSC Representative for 1991-1992, and Ray Naudain will serve as Alternate TSC Representative. Watch for Craig's reports in upcoming issues of the *Sitzmarke* to stay in tune with the Texas Ski Council. It's a great organization and brings many benefits to our club; it deserves our support.

Thanks for the memories....

PARK CITY

corn, M & M's and Champagne Party" on Tuesday afternoon. We toasted to **Cindy Ovaton's** birthday and we were off for more partying at Steeps. Can you imagine an Island Party at a ski resort? Just ask **David Starkey, Cam-Sa Do-Thi, Debra Starnes and David Lindsey**. And we are talking best island costume, dirty dancing contest, limbo and wet T-shirt contest. **Lawrence Heim** should have won best dressed with his grass hula skirt, head scarf and apris ski boots. **Ted and Debbie Bergeron** took first place in the Dirty Dancing Contest. **Ginger Howard, Floyd Hanks, Ron and Roberta Rambin** and many others enjoyed dancing to the live Reggae band at the Island Party. Someone in our group must have done a snow dance because it snowed that night.

The official Hot Tub Party was Thursday afternoon. Ask **Joy Kolb** or **Linda Derenbecker** about the Trouser Trout that jumped out of the water, or better yet ask **Chuck Ratliff**. Ask **Gerald Solano** why were all the women gathered around him to have their picture taken with him.

Four SCSC members won the "Snow Volleyball Tournament" against 11 other local teams. Congratulations to **Donna Repka, Craig Sears, Alek Tempski, and Ron Rambin**. This group was cheered on by **Elyse Turla** and **Craig Tharpe Liebergot**.

Dinner Thursday night was Texas Red's with everyone wearing their Park City Spring Ski Team T-shirts. **Blaise and Jane Guerrero, Mike and Clara Gustenberger and Jeff and Debbie Warren** were ready for some down home barbecue as they were the first group to arrive.

On Friday morning most of the group went to Snowbird for a full day of skiing. This is when **Steve and Stacey Yates** appeared. (Was this a second Honeymoon?) What a majestic view riding up the tram which holds 125 people to the top of the mountain; with winds up to 50 mph it was a bit chilly. Getting down proved to be quite a challenge, especially for **Melinda Jelks** as **Chuck** tried to lead her over a cliff while **Chris Johnson, Donna Harraford and Eric Prentis** looked on. But alas, **Melinda** got down and lived to tell about it.

Saturday morning found many having a leisurely breakfast or doing some last minute shopping. We thought all 56 of us were going back on one bus. A van finally showed up and we were on our way. We sang Happy Birthday to **Lawrence "Hula" Heim**.

Being the last trip, many had their doubts about the snow conditions, but I think everyone will agree we had the best - Great snow and warm weather. Thanks to all the wonderful volunteers, the trip was a great success.

SCSC "OLDTIMERS" WIN SNOW VOLLEYBALL COMPETITION IN PARK CITY, UTAH!

by Debbie Bergeron & Tom Hogle

Congratulations to Ron Rambin, Craig Sears, Donna Repka, and Alek Tempski who competed in the April 1991 Snow Volleyball Competition in Park City, Utah and came away first place winners against 11 other teams of Park City locals and ski instructors! The competition lasted almost three hours and was decided through single eliminations. The three guys alternated rounds, while Donna hung in there through each game! Our awesome team showed them all what skill and endurance can do for you! *(Just more proof that we're not getting older we're getting better!)*
