## HEAD OF THE LIFTLINE

by Ray Naudain

The Thanksgiving TSC Trip to Vail will be departing in a few short weeks. This trip starts our pursuit of the Texas Cup over the four TSC trips. Last year SCSC regained the cup after several tries. The NASTAR Club Race is a lot of fun and I encourage you to participate. The course is normally on a green slope so that non-racers can be spectators.

If you know someone who has not rejoined or a prospective member, bring them to the November meeting.

### FROM THE EXECUTIVE COMMITTEE

The Executive Committee would like to explain why there has been a variance in the prices charged for drinks at the monthly meeting. After Space City had negotiated drink prices, the hotel raised drink prices \$.25 for functions, which resulted in the wrong price being charged at the September meeting. To compensate SCSC, the hotel agreed to lower the negotiated price for drinks at our October meeting by \$.25. At the November meeting, the prices charged will reflect the correct negotiated price. We apologize for any confusion this has caused anyone. The negotiated prices are:

Call Brands	\$3.25
Red/White Wine	\$3.00
Domestic Beer	\$2.50
Imported Beer	\$3.00
Assorted Sodas	\$1.50

When shopping for clothing or equipment at the local shops, be an ambassador for the club and inform the other shoppers about SCSC. Promotional material was delivered to each shop in the area. Don't forget about the contest to bring the most guests to a meeting.

The 1990-91 nominating committee will be: **Bob Nielsen**, Chairperson, **Jerry Montgomery**, **Blaise Guerrero**, **Gloria Rooney**, **Patti Richards**, **Melinda Jelks**, and **Gayla Cawood**. If you are interested in an office, please contact one of these persons. Each officer's duties are detailed in Standing Rule 10.0. Article 4.0 of the by-laws explains the nomination and election of the officers.

The November meeting will be on the 12th and our program will be the Style Show. Happy Hour will be November 15th at On the Border. Plan to attend the Christmas Party on December 7th, a Friday night.

# TEXAS SKI COUNCIL REPORT

by Pam Holder, TSC Representative

The Texas Ski Council met on August 25, 1990, in Austin. One new club from Abilene was admitted to the Council. The Renegades from Dallas have reorganized and were re-admitted to the Council after a one-year absence. Cowtown Ski Club from Fort Worth has resigned from the Council and SCSC will certainly miss them in the competition for the Texas Ski Cup. The Houstonian Snow Skiers were not approved for membership in the Council this year, given their financial difficulties. We hope their members can participate on Council trips through the other Houston ski clubs.

The Council has once again secured sponsorship from World Wide Ski which brings us sponsors such as Lite Beer, Raichle, Tyrolia, Obermeyer, Bonne Bell, The Wax Stick and Thor-Lo Padds. The Council has also secured sponsorship from Oshman's, who will offer a 10% discount to club members on all non-sale merchandise and a 50% discount off ski shop work and deck lessons.

On another note, the Council is experiencing some financial difficulties and a committee was created to investigate the advisability of the Council

changing to a profit organization. This important issue will be decided at the December meeting.

The Council had updates on the upcoming trips to Vail and Snowmass. Everything is going fine and all of the Council trips should be a great success! There was also discussion about replacing the European trip for the 1991-92 season with a trip to South America. Watch for more information on this idea next year and let our VP-Trips, **Craig Tharpe**, know if you would be interested in participating on a trip "south of the border."

Final discussion was held on the Council Race Rules for this ski season. We should have the latest version of the rules shortly and will pass them on to our Race Directors. Good Luck to our racers on the Thanksgiving trip!

The next Texas Ski Council meeting will be held in Houston in December.

# WATER TOY DAY

by A. G. Davis

Lake Somerville, September 22, 1990

*The Waterski Group!*

A small group of die-hard campers arrived Friday night. The camp was set up, then the festivities began. The festivities consisted only of watching each new arrival set up their tent or camps, good fellowship and a beautiful sunset.

The next morning the sun seemed to spring into the sky. Over the lake the slight haze seemed to add to the anticipation of the coming event: *Water Toy Day!*

With the arrival of the first boats around 9:00 a.m., the lake soon became busy with water skiing and general boating. The sky became overcast, but this did not seem to dampen the spring from windsurfing, to sailing, to just lying on the beach; the day was enjoyed by all 91 participants.

At this time, I would like to thank a group of volunteers whomade Water Toy Day a huge success. First, I would

like to thank **Jerry Pyle, Bill Kirk and Ray Naudain** for their ability to put in each bag one package of chips and an Antoine sandwich. Second, I would like to thank **Billie Nowak and Mark (Beach Boss) Russell** for their ability to keep the boats full of water skiers without anyone having too long of a wait.

*Windsurfing Group on the other side of peninsula.*

And most of all, I would like to thank the boat drivers and owners. Without their patience, diligence and boats, Water Toy Day would not have been possible or a success. Special thanks to you, the boat owners:

<b>Loren Gulledge</b>	<b>Don Molgaard</b>
<b>Dale Englefield</b>	<b>Jeff Linden</b>
<b>Tom Mercer</b>	<b>Robert Clements</b>
<b>Dave McGehee</b>	<b>John Cook</b>

With the coming of nightfall, a large contingency of people moved to

the other side of the peninsula for camping and socializing. Goodbyes were said to all that travelled back to Houston. The north wind started to blow, trying to cool down the emotions of the group, but for naught; the cool breeze only made Sunday's activities more enjoyable.

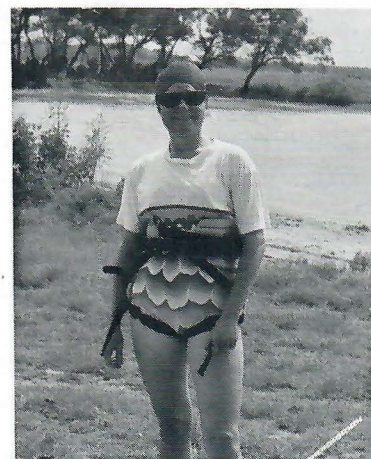

Sunday produced a startling realization. One participant of Water Toy Day enjoyed himself so much that he stayed the night on a borrowed chaise lounge and bed linens and found that food was not a problem either.

The cool breeze gave the windsurfers exactly what they came to the lake for, but the waterskiers were land-bound by the choppy water. Everyone, including the children, participated in a few good rounds of volleyball.

Later that day the camp site was empty and left as it was, if not cleaner. Thank you all for a wonderful weekend and I hope yours was also.

*Loren Gulledge, Terry Cummings, Stephanie Bishop, Ryan Clements, Linda Licarione.*

*Billie Nowak - some people will dress up in anything to get into the Sitzmarke!*

# SUN VALLEY III

## TSC WINTER SHOOTOUT SUN VALLEY III

(Ee-dah-how)

**February 3-10, 1991  
\$588.00**

The Shoshone Indians named Idaho *Ee-dah-how*, meaning "The Sun comes down the mountains." This describes the Rocky Mountain peaks that surround the Sun Valley village, where we will be staying for the TSC Winter Shootout.

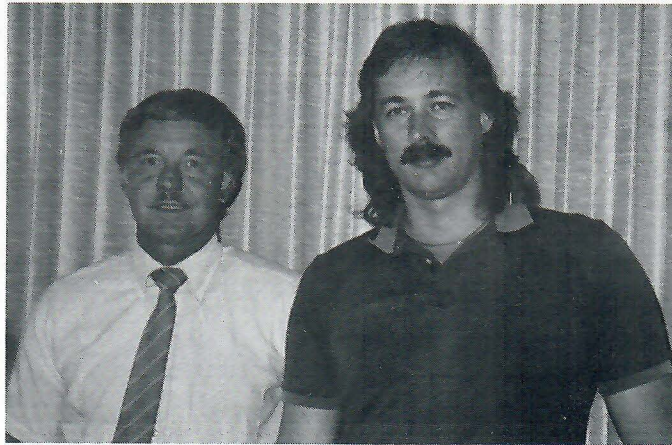

Sun Valley encompasses two great mountains, catering to all skiing abilities. Dollar mountain covers 127 acres of easy trails and runs for the beginner and is a confidence builder for the novice skiers.

"Baldy" mountain is actually three mountains served by 12 lifts and covers 750 acres offering unsurpassed intermediate and expert skiing. It is a unique mountain because one side is always in the Sun (*Ee-dah-how*).

We will be leaving Sunday, February 3 on United Air lines and returning February 10. We will be staying at one of the Sun Valley condominium properties, located in the core of the village.

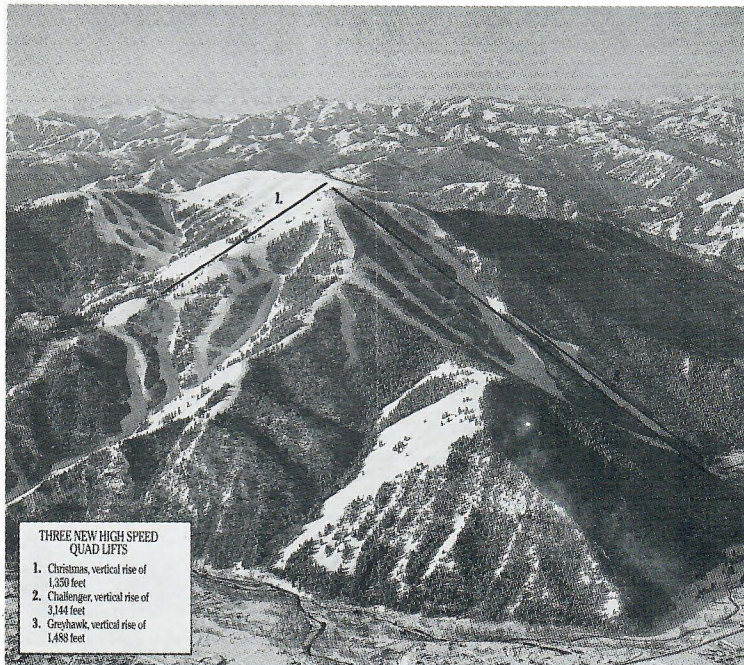

Activities for the week will include a get-acquainted wine and cheese party, TSC activities (*daily Happy Hours, apres ski parties, NASTAR club races*) and more events still in the planning stages.

So don't delay, sign up for SUN VALLEY III -NOW! Final payment DECEMBER 3, 1990.

# SUMMER BASH

by Ron Smith

**ANOTHER NEW PLACE HAS BEEN DISCOVERED FOR THE BASH.** This time we went north of Houston to the H & H Guest Ranch. Where were all of you north-of-town folks?

The party got started later than usual so that it could last later. We had the energetic group on the volleyball court and ping pong table. **Lou Schultz, Bill Kirk, Jerry Pyle, Ed Cain, Carol Weise, Glenn Bishop, Ray Nadain, and Nelson Turner** lead the

charge to the volleyball net. **Gunter Heyne and Klaus Prataschker** took on all comers at ping pong. The slightly quieter crowd were early in the pool and pitching horse shoes. **Ron and Roberta Rambin** were first in the pool, with **Craig Tharpe, Ron Smith, Sandra Palmer, and Sally Helfer** the last ones

out. (Ask Sally about what she swam in and Sandra about her buying trip.) And the rest of us just rested under shade from the Pavilion with the beer and the talkers.

**Allen Steber** partied as much as possible knowing that he would be leaving within days with a Congressional Delegation on a fact-finding tour

of the Middle East (*Jordan, Saudia Arabia, etc.*).

**Tom Williams** had to retrieve his glasses from **Ron Smith** th next week and **Ron** still has property of some unknown participant. (A description is all that is needed to reclaim the items.)

**Jim Plummer** was celebrating in the usual way his annual 29th birthday and got serenaded. **Bill Brooks** was

introducing his new bride of three months, **Molly Kay**. **Linda Licarione** got the prize for last to arrive - no food. **Dick Howard and Beverly Merritt** got the prize for last minute sign-up - begging to be allowed to come.

Food was provided and served by the H & H Ranch caterers - good job.

Late into the night we stayed, swimming, drinking and having a great time!

\*TEXAS SKI COUNCIL TRIP

(Any information shown on this sheet is subject to change)

**CRAIG THARPE**  
Vice President - Trips

I hope all of you are waxing your skis in anticipation of the upcoming ski season because it's upon us!

**FLASH!!!! SUN VALLEY EXPANDED!!!!** I was able to secure additional airspace for Sun Valley and DOT Debbie Bergeron was able to secure additional lodging space at the same price as Sun Valley I and II, so 42 more people are going to Sun Valley as part of Sun Valley III. The Club, having deep pockets, was able to pull **Bill Kirk** out of one of them and Bill will be the TC for the Sun Valley III trip. Scuba diving, bubble blowing **Steve Holt** will be the ATC. We have lucked

out again and gotten two more exceptional trip leaders.

**SECOND FLASH!!!!** I was also able to secure additional airspace for Banff and TC, **Nelson Turner** secured additional rooms at the beautiful Banff Springs Hotel for 20 more people.

Trip leaders for both trips will be going down their prospective wait list in order to add additional participants to their trips.

For those of you who are hesitant about signing up on a wait list, please note that 42 people from Sun Valley I and II's wait list moved to Sun Valley III. Twenty people from the Banff wait list are now going on the trip. I can't guarantee that we can always get additional air and lodging space on every trip, but if there's a large enough wait list on any one trip, I am more than willing to try. So, if there's a trip you want to go on and it's full, get that \$100 check to the TC and **GET ON THE WAIT LIST!!!!**

Our first trip of the season leaves for Vail (TSC) on November 20th, led by TC **Ann Harvey** and ATC **Kay Ellig**. I would like to thank them for all of their hard work. It's going to be a

super Thanksgiving for 42 SCSC'ers in Vail.

And whether you are in Vail for Thanksgiving or with friends and family for the holiday, have a great **TURKEY DAY!!!!**

Until next month, **THINK SNOW!**

# SCSC FALL GOLF TOURNAMENT

by Robbin Anderson

Sunday, September 16, turned out to be a great day for golf and the tournament players proved it by playing some great golf. That is, all except for **Robbin Anderson's** team of **Lucy Fred, Bill Harding, and Ron Cloud**. They attempted to break the Gulf Coast Golfers Association record for the highest score on a Par 4 by a four-man scramble team. Yes, they hacked their way to a triple bogey seven on the sixth hole and shot themselves right out of the tournament. The team captain was to blame.

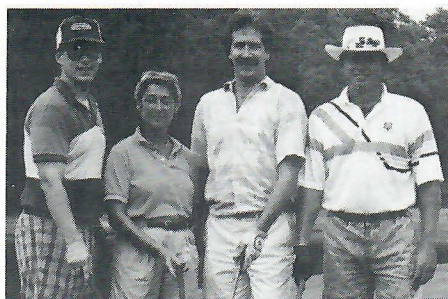

First Place Team: Howard Paillet, Sharon Grayum, Barbara Huey and Jeff Mayer.

Better luck was enjoyed by **Howard Paillet's** team of **Jeff Mayer, Barbara Huey, and Sharon Grayum**. They won the tournament and walked away with the first place trophies. Rumor has it that a long trail of sand followed Jeff to his car after the tournament was over. Second place trophies were awarded to the final group of the day, **Glenn Bishop, Tom Mercer, Chris Sangster, and Jon Bowden**, who snuck in under the cover of darkness and booted **Don Kingsley's** team of **Martin and Nancy Thom and Brenda Mullins** out of second place by one stroke. Glenn and Tom credited their success to the beer gods.

Second Place Team: Chris Sangster, Tom Mercer, Glenn Bishop and Jon Bowden.

Closest to Hole winner Ed Anderson (2nd from right) with teammates Stuart Traver, Nadine Lange and Fred Wells.

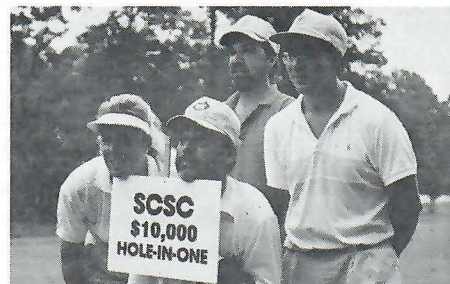

**Ted Bergeron's** group of **Tom Okamoto, Barry Young, and Becky Hall** was the first group off and were responsible for placing all the proximity signs for the straightest drive and closest to the hole contests. Unfortunately, they didn't win a thing. **Ed Anderson** won the closest to the hole award on Hole Five. However, his team of **Fred Wells, Stuart Traver, and Nadine Lange** said that was the only shot he hit all day. Once again, the women provided some outstanding

Straightest Drive winner Ron Noska with teammates Linda Licarione, Mike Gerstenberger and Keith Dixon.

play. If it hadn't been for Nadine's good putting the aforementioned team would have limped in with a much worse score. **Blake Phillips** won closest to the hole on Hole 11, edging **Robbin Anderson** out by two feet and his team of **Farrald Belote, Jim Felker and Bobby Goolsby** chided him for not getting it any closer. **Mike Gerstenberger** rumored that **Ron Noska** hit a wedge on Hole 2 to edge out **Nadine Lange** for straightest drive. Nadine had hit it to within three feet. Congratulations to these winners, they each won a \$50 Gift Certificate to the Pro Shop.

As the groups reached Hole 17, nerves became a little more tense and concentration reached its peak for this was the hole everyone couldn't wait to play. To swing at the ball with a chance to win \$10,000 was everyone's dream. **Sue Harris**, our hole-in-one monitor was there. **Beverly Merritt and Jeri Hartman**, our photographers, were there to catch the moment on film. Group after group played through but alas, no one got a hole-in-one. **Scott Brain** did, however, give his group of **Todd Brain, Chris Ransom, and John**

Wishful thinking - Becky Hall, Ted Bergeron, Barry Young and Tom Okamoto think of what could have been.

**Rice** a thrill by hitting his ball to within four feet of the hole.

The "we had more fun than anyone else" award went to the group of **Marty Ambrose, Steve Pearlman, Susan Sonnier, and Kathleen Hanaman**. Was there something extra in their cooler? And who were Steve and Marty berating in the parking lot after the tournament? Look for that information in the **Gulf Coast Golfer**.

**Bill Anderson**, last year's winner, came back to defend his title with the team of **Ed Shinn, Shann Slaven, and Dana Wardell**. Even though they didn't repeat, they did have a great time. **Joe Murphy's** team of **Rick Wilkins, Jim Davis, and Bob Hevle** have vowed to keep trying until they get it right. I hope to see them with trophies next year.

Many thanks to **Cindy Byard** and **Sue Harris** for helping out at check-in and to **Beverly Merritt and Jeri Hartman** for the photography. Thanks also to **Robert Singletary** and his staff of professionals at the **Woodlands Country Club** and to the catering service for the beer and soft drinks everyone enjoyed. See you on the links.

## COMMUNITY SERVICE

At the October meeting, Space City added a new sign-up table at the meetings called Community Service. **The American Kidney Fund** was the first organization to use the table when they sold tickets for their Casino Night. We plan to continue to have the table available at meetings for other interested members to promote their favorite community activity. The following guidelines have been established for a member to take advantage of this table:

1. A member of Space City must be actively participating in the charity event and be willing to sit at the table to promote the event.
2. A request must be turned in to the Vice-President of Programs at least two months prior to the charity event function the member wishes to promote.
3. The Executive Committee will then determine whether SCSC will be able to allow the member to promote the event at its meetings.

If you have any questions or would like further information, please contact **Peggy Donley**, Vice-President of Programs at **656-6864 (O)** or **437-5467 (H)**.
