HEAD OF THE LIFTLINE

Almost Home Free

The term of this year's Executive Committee is quickly drawing to a close as evidenced by the nomination of officers for next year at the February meeting. Chairman Tom Mercer nominated the people his committee recommended for office. And Bob Cruse was nominated from the floor for the office of Vice President-Programs. Both Bob and Chuck Ratliff have been active members of the Club and have held positions of responsibility. We are lucky to have two people who both want to serve. We will hold the election at the March meeting, so be responsible members and come out and vote. For those of you on the Big Mountain trip, we will have ballots at the airport for you.

THAT'S JAKE/by Jake Vest

'I don't know when or under what circumstances man discovered fire, but I'm willing to bet it wasn't in a ski condo in Colorado.

Still Racing

SCSC was the big winner this year at Texas Ski Week at Steamboat Springs! Our racers managed to amass the most points ever for a TSC race and left second place Cowtown Ski Club back in the corral. Congratulations to our Steamboat racers - you are all off the hook for listening to my soap box sermons about racing!

Sundry Reminders

If you missed the February meeting and have been a member of SCSC for fifteen or more years, then you have a membership pin waiting for you. You can stop by the logo sales table and pick one up.

Lee Mixon will be coordinating the Photo Contest for the March meeting. If you still want to enter the contest, contact Lee ASAP so he can make arrangements for your entry.

We have a number of activities coming up as the ski season winds down and SCSCers come down with Spring Fever. Back by popular demand, Ken Moredock is coordinating another Skeet Shoot for March 18. Everyone had a great time the last time we did this, so we're doing it again. The Bluebonnet Bike Ride in Chappell Hill is April 8. The list is nearly full, so if you still want to sign up, get in touch with Tom Mercer. Pam Williams is taking a group to San Antonio for Fiesta the weekend of April 14th. If you're thinking of going on this trip, we need to know. Don't wait til the last minute (yes, I know that breaks SCSC tradition); there's money on the line for deposits. The same is true for the Jazz Festival Trip to New Orleans on April 28th. Bob Fried is leading the group of sax and clarinet fans for another fun-filled weekend in the party

capital of the South. So now is the time for all good men (and women) to come to the aid of their party (do they still make students in Typing 101 practice that?).

And one last note about our upcoming attractions: the April meeting will be the stage for our first ever (and maybe never again) "Out of Fashion" Style Show emceed by Peggy Donley and A. G. Davis. Sign up at the March meeting to show us your worst. (Now come on, we all have that stuff in our closets - dig deep!).

And Debbi "I can do everything" Chrissinger (TC Big Mountain, Follies Director and next year's Vice President-Publications) will be starting Follies rehearsals soon after her return from Big Mountain. So let's surprise her with the biggest list of volunteers ever for the Follies! We'll have a table for Follies sign-up at the March meeting.

That's All Folks!

For all the doubters from last month, here's another shot of the same two "Name the Faces". Yes, it really is Jim McIntyre...ask him!

This month's Face is one that hasn't really changed all that much over the years. Thirteen years ago he looked like this:

The answer is our "Ski Patrol" feature on page 13.

Anyone remember these guys? They're the SCSC representatives to the Bellaire Softball League back in 1979... the recipients of the "Consumption Award" at Bang's Ice House. After ten years, nine of them are still active members of SCSC. Can you pick them out? Answer is on page 18.

NEWS FROM THE SKI DESK by Cheryl Clements

As SCSC's '88-89 season is quickly coming to an end, our thoughts are focused on activities which lead us into warmer weather (hot where Houston is concerned) and ways to keep cool. Most of you haven't even begun thinking about skiing next year, but it is of constant concern that the officers of SCSC are continually evaluating the possibilities for trip locations for the next season. This is why it is very important for each of you, as a trip participant, to complete the Trip Critique. The critique not only gives you a chance to voice your opinion and grade your trip, but also gives you an opportunity to let us know where you would like to ski the next season. Remember, we get your feedback on these trips and preferences for next year's skiing only if you take the extra two minutes to complete the critique.

At this publication, we have 60 + skiers shooshing the trees and glaciers with TC Debbi Chrissinger and ATC Jim McIntyre in Big Mountain, Montana. I have a pledge that this group will do their ultimate best to clinch first place at this year's last Texas Ski Council trip. Good luck SCSC!

I would like to extend a special thanks to, first, DOT Gloria Rooney and DOT Floyd Hanks for the outstanding job they have done this year and for all of the time and hard work that has been donated to supervising their TCs and ATCs in making the '88-89 ski season the success it has been. Without these two volunteers, the work involved as VP of Trips would have been four-fold. Also, a

special thanks for those of you who have volunteered as TC and ATC -- Randy Pavelka, Elyse Turla (Thanksgiving-Keystone); Karen Friedsam, Ed Kanyuck (Christmas/New Years in Santa Fe a/k/a "Taos One"); Dick Bryant, Mike Rooney; Jeri Hartman, Dave McGehee; Tom Williams, Patrice Reed: A. G. Davis, Peggy Donley (TSW Traditional at Steamboat): Chuck Ratliff, B. J. Scott, Kim Page (Vail); Shirley Andries (Kitzbuhel): Corky Ament, Donna Repka (Telluride); Rose Tortorici (Taos); John Rice, Kathy Walsh (Breckenridge); Debbi Chrissinger, Jim McIntyre (Big Mountain); and Bob Nielsen, Craig Tharpe (Winter Park -Family). Without these volunteers, SCSC's '88-89 ski season would not have happened. A VERY BIG THANKS TO ALL OF YOU FOR JOBS WELL DONE!

Speaking of volunteers, it's not too early to think about volunteering for next season. We're recruiting now. A volunteer form for the '89-90 season will appear in the April edition of the Sitzmarke. Let's make our 25th ski season something to remember. Volunteer for TC or ATC. Get involved and make things happen. Remember, the membership of SCSC makes this Club what it is -- a wellrespected and recognized club throughout the Texas Ski Council and throughout the resort areas we ski. Let's continue this tradition for yet another 25 years, but the only way is for YOU to VOLUNTEER.

See you at the meeting.

TEXAS SKI WEEK

STEAMBOAT I

by Mike Rooney

We've been dreaming of going to Steamboat Springs since September and at 6:32 A.M. 44 eager skiers began what has been named one of the Best Texas Ski Weeks ever.

The plane was no hassle, all luggage arrived safely at Denver, and the bus was cramped - so what. We wanted the slopes! Yours truly was in deep dodo for leaving Gloria Rooney's new Head skies at the luggage ramp in Denver. Thanks to her patience and a sympathetic Continental luggage clerk, the skis arrived safely with Trip II.

Hirasaki went immediately to the lifts while most of us were unpacking. Sunday the weather got a lot colder and windy. No one realized how cold it had been till Sharon Inman showed up with a patch of frostbite. Sunday night we had a group spaghetti dinner at the T. C.'s Condo with a set of strict rules about name tags. Howard Pailet was our enforcer. Ask Cheryl Clements how strict we were.

Monday the Texas Ski Council had a combination Casino and Dancing Party. Great time was had by those who wanted free beer - live music - a little gambling, for charity - free beer -win prizes - free beer. Seen enjoying themselves were Allen Cerny, Dave Rosenthal, Barry Schecter, and Merrilyn Harvey. Space City almost won the Poker Run but got edged out by a Royal Flush. We had seven and they had eight.

Wednesday found us looking at fresh powder; over 12 inches fell dur-

Spaghetti chefs Mike Rooney and Howard Pailet. ing the night and through Wednesday. Al Bird and Cindy Overton claimed

they got lost, but made it back to the lifts by dead-reckoning. A few folks used this day to shop and visit some of Steamboat Springs hot springs. Carter and Marianne Smith, Vern Oliver, and Susan Salvage made the "MOON" club while at one of the springs.

STEAMBOAT II

by Jeri Hartman and Dave McGehee

The Steamboat II Group were ready for the week of great skiing and serious partying that we had for Texas Ski Week - Traditional at Steamboat. Before the week was over, we had numerous adventures both on and off the slopes and are now left with some great memories and photos.

The trip to Denver on Continental Airlines was relatively quiet except for the assistance SCSC provided to the flight attendants. With organization by **John Cook**, we managed to get all of the baggage on the Colorado Charters bus and we were on our way to Steamboat Springs.

After a cold day of "frostbite skiing" on Sunday, the group and our special guest, Don Thomas, president of Texas Ski Council, gathered at TC Jeri Hartman's condo for an excellent spaghetti dinner. Jeri had the assistance of several, including special chef Conrad Butts (already famous for cooking a "mean" pot of boiling water), Mark Travland, Cathy Travland, Harry Gaston, Sam Ross, Glenn Hilman and Laura Boyd. We learned at dinner that Happy Birthday wishes were in order for Merlyn Harger who, prior to dinner, blew up an inflatable birthday cake rather than blowing out birthday candles. It was also revealed that

Debbie Bailey twisted her knee on her first (ever) day of skiing, but she didn't let that stop her. After a couple of days recuperating and the encouragement of **Danny Bailey** and **Keith White**, she did recover and ski several days. When everyone had enough spaghetti and salad, we taxied over to (cont'd on pg. 17)

The bus trip to Steamboat went by quickly, so quickly in fact that **Ken Chute's** correct guess on our arrival time at the Lodge was the earliest time guessed. A home cooked breakfast is enjoyed by Floyd Hanks and Ginger Howard.

Maybe that's what prompted Rita Tucker to say "If it's over eight feet, I can accommodate it!" Sunday evening ended (for some) with a trip into downtown Steamboat for our group dinner.

Monday was another great ski day. However, that's when the group started losing track of our TC, Tom Williams. (Believe me, it gets worse!) Tom spent the rest of the week in all-day lessons. In fact, we think he's the only person to ever take two all-day lessons in one day!

Tuesday night was our official TSC welcome party and casino night. Everyone at the party was a prospective member of the "Honorable Order of Blue Noses,", led by Rita Tucker, Chris Jolowsky, Pam Sanes, Patrice

STEAMBOAT IV

by Peggy Donley and A. G. Davis

We all met again on January 10, 1989 at Intercontinental Airport. The participants made it easy for the TC and ATC by arriving with time to spare for boarding the flight to Denver. In particular, Virginia "Ginny" Lootens was glad to be at the airport as she was a willing last minute replacement.

Ginny, along with other first time ski trip takers questioned what was going on when we started passing out dixie cups with strings attached (compliments of Jerry Montgomery), but quickly caught on to the Space City **Drill.** The plane ride was interesting in that we left Houston late, but arrived in Denver early--much to the concern of Mike Montgomery, who was one of the volunteers that went to look for our buses--which had not arrived at the airport. Fortunately, they arrived before most of the group collected their luggage and arrived at the bus loading area. Because there were sixty (actually sixty-two because Sharon Zill and Linda Licarione from the long trip hitched a ride), we split up into two buses. We all found our designated bus, quickly loaded the luggage and headed to Steamboat. The smaller bus, which seemed to have a lot of beer drinkers. took slightly longer because of a couple of extra unscheduled "pit" stops.

Upon arrival in Steamboat we thought we had a welcoming committee, but quickly learned that Dave McGehee, Tom Williams and Rita Tucker had only waited up to make sure Linda and Sharon arrived. Thanks, Gang!!!

Everyone made it to their respective condos quickly because all wanted to be on the slopes early, except the condo with **Doris Hemsworth**, Nancy Staples, Lee Hall, Gary Sequeira and Ginny Lootens -- they made it to the condo, but learned quickly how to start a ski trip right by having a toast with the complimentary bottle of wine provided by Steamboat Resorts.

The next morning several eager participants met Duncan Draper with Steamboat Springs and were well on their way to getting their ID pictures when Paul Wottering, Margrit Carter, Ed Hankey and Marc Kohler, all of whom could not get on the SCSC trip, but came to ski and party with us anyway, arrived. At the orientation meeting "Condo Bags" (compliments of Jerry Montgomery, A. G. Davis and Peggy Donley) containing such ski necessities as Keri lotion, sun screen, candy and flashlights!?! (more on this later) were passed out.

After renting skis at Terry Sports (who did a great job of getting everyone fitted) most of the group headed for the slopes. Carmen Rodriguez, Joyce Margarce, Sherra Nelson and Ruth Deaton took the Never Ever Skied Lesson. Carmen came off the slopes convinced she'd never ski again--she ended up on some slopes she'd have preferred not to go on the first day. It took Jose Rodriguez

(her new husband) most of the rest of the week to convince her skiing can be fun. Joe Gaerlan was also a fairly new skier, but he adapted quickly--his comment at the end on the trip was "Steamboat was a great place to ski."

Since it snowed the first day, there was a lot of powder causing Robert Mills, Tony Huerta and Tania Andrasko to complain about how their calves were "Mooing". All of them enjoyed the powder, though. The whole

Despite the 6:00 a.m. gathering time for Vail I at Intercontinental Airport, all 60 SCSCers made it. Ken Mordock kept up his tradition of being the last one to show. Would you believe no lines at the airport? Thanks to Continental's organized group check-in, there was time to grab a quick bite to eat before the 8:15 departure. Kim Page knows how to make friends and influence people. The ticket agent decided to change her seat to 4-C (yes, First Class). The group didn't hold it against her for too long.

As the clock ticked down to a more presentable waking hour, Vail II made their way to Hobby Airport for their 10:20 flight, also on Continental. There were no problems until last minute replacement, Helen Shilling was not feeling well upon arrival at Denver Airport.

After breakfast, first time skiers

NOooo. Had the fever. What did you expect to happen? Expectd to have the best experience in my whole life and came out just that

What happened? I learned to ski in just three days. I met real nice people; in fact, I met Layna Adams on that trip. Fun, fun, fun! We all had a ball. What surprised you the most? The ex-

tent of the joy I felt for skiing.

What has been the most unforgettable experience? Well, there is a lot. What most people do not want to hear is about the racing. So, um, there was this little group of us (Bob Olsen, Jim Plummer, Bill Brooks and myself) and we were nicknamed the "Gourmets Un-Ruly". Olsen and I cooked, and Plummer and Brooks cleaned up. We figured that it was much cheaper to cook and invite the girls for dinner and then the rest of the group later. We ended up one night with everyone in our condo after dinner and that's when we were given the nickname. This went on for about the next three years everywhere we went.

SKI PATROL

Name: SY LIEBERGOT

When was the first trip you went on? 1983, January.

JERRY MONTGOMERY, Nominee for President

Jerry joined Space City Ski Club in 1980, and went on Texas Ski Week as a first-year member. He has skied with Space City on at least one trip each year since.

He served as the ATC to Big Mountain (Final Showdown) in 1984, and TC to Cortina, Italy in 1986. In 1987 Jerry was nominated and served as Vice President-Programs, and is currently on the Board of Directors.

In addition to skiing, he enjoys running, tennis, and scuba diving. Professionally, Jerry is 'a Vice-President of Texas' largest food

broker. He has served as an officer in several trade related organizations and civic groups as well.

Some goals that Jerry sees for the President of SCSC are to support the other officers in offering trips and activities desired by the membership, to continue the strong financial stability from the past, and to insure that new members find an atmosphere that will offer involvement and friendliness.

CHUCK RATLIFF, Nominee for Vice-President, Programs

Chuck is a native Texan and has been an active member of SCSC since 1983.

Chuck has been a participant on eleven Ski Club trips and numerous non-ski activities. He organized Team Trivial Pursuit Nights at the Club meetings, as well as the 1988 Country & Western Dance Night at "Wild West." Also in 1988, he was the Assistant Trip Coordinator for the Aspen trip. This past season he served as Trip Coordinator on the Vail I trip.

He feels that there are a lot of great people with innovative ideas in SCSC, and looks forward to sharing those ideas.

BOB CRUSE, Nominee for Vice-President, Programs

Bob has been an active member of SCSC since 1981 and has participated in seven ski trips and numerous non-ski activities. Every year Bob has volunteered to help out somewhere within the Club. These include working at the membership table, running Mercer's Campout, Liftliner, ATC to Banff, TC to Austria, Director of Trips, and Board of Directors.

Before joining SCSC, Bob was organizing skiing trips, canoeing trips, and campouts for groups of people. He enjoys planning and working with people. Bob is always talking with

new members about volunteering to help out in the Club.

Bob works for Life-Tech, Inc., where he is the General Service Manager. Life-Tech manufactures medical equipment and sells worldwide. In Bob's position, he deals with customers in solving electronic problems as well as reselling the company to the customer.

As Vice President of Programs, he would seek out new ideas for activities and would promote his belief that the best way to enjoy SCSC is to volunteer.

DEBBI CHRISSINGER, Nominee for Vice-President, Publications

Debbi hails from Indiana, where she learned (?) to ski in 1976. She joined SCSC in 1985, but did not take a Club trip until Texas Ski Week 1987 to Steamboat. Since then her skiing has improved, and she has taken trips with the Club to Taos, Banff, Santa Fe, and Vail.

In spring of 1987 she ran the Memorial Day activity trip to Cozumel and participated in the Follies. In the fall, she was ATC for the Thanksgiving trip to Copper Mountain. This year Debbi is TC for Big Mountain in Montana, and Director of Follies, 1989.

Debbi has helped Beth Nolen this year on the *Sitzmarke* by securing advertising accounts and assisted with articles and photos. She claims Bob Wilbank's influence several years ago got her interested in doing the *Sitzmarke*.

Debbi is looking forward to the opportunity to serve the Club as Editor. She is eager to rejuvenate some of the popular items from the past as well as add new and exciting journalism for 1989-90. She welcomes your coments and suggestions.

During the current 1988-1989 season, she has served as a Director of Trips. Other experiences as an officer with volunteer organizations have included Vice -Commodore and member of the Board of Governors of a local sailing club and various offices held in homeowners' associations.

Gloria is employed by Texas Instruments as a Sales Manager, responsible for selling memory chips to the major computer companies. When she's not working (for fun or profit!), she spends her time relaxing by sailing Galveston Bay aboard "High Spirits" with husband, Mike.

BLAISE GUERRERO, Nominee for Treasurer

Blaise is a native Houstonian and still enjoys the "Big City." He has been employed by AT&T for 20 years as a System Technician. An avid outdoorsman, Blaise lists his hobbies as skiing, scuba diving, softball, and hunting.

He has been a member of Space City Ski Club since 1981 and has skied with the Club at Park City, Breckenridge, Banff, Steamboat, Crested Butte, and Cortina. He has assisted in running the Road Rally, served as Liftliner and Liftliner Chairman, as well as ATC in 1985, TC in 1986, and Director of Trips in 1987.

As Treasurer, Blaise is enthusiastic about bringing his experience together with his enjoyment of working with fellow club members.

Race day was Thursday. Olga Moya claimed the WIMP award for not wanting to race, but the course was excellent and as a club we earned a total of 3,874 points for FIRST PLACE. Of the total medal winners our trip was responsible for 30%.

At the Lost Dog: Sam Ross, Katie Tron, Tom Hogle, Stan Woods, Michele Keating, Charlie Roberts, Donna Naskrent, Tom Danowski and Bob Job.

Skiing on Monday was terrific, but still cold. Tom (The Mountain Man) Hogle led a group to the top of the mountain and claimed he liked it at -46° (with wind chill factor). Perhaps he should have been roommates with John (Ski the Trees) Anderson, who tried to keep his bedroom below 60° . Also, there was a rumor Pam Gillam discovered that ski

Tuesday was another good day of skiing. It has been said that Sonia Oliver with Jane Stepchinski and others giggled all the way down "Giggle Gulch". On Tuesday night Craig Tharpe got her purse and therefore money to spend (cont'd on pg. 20)

Reed, Lee Mixon, and Dave McGehee of Steamboat II. Initiates even included one of the bartenders!

GROUP DINNER: Louise Talen, Bob Basch, Frank Reisenberg, Lee Mixon, Ray Fincher, Carolyn Smith and Rita Tucker.

Wednesday found everyone enjoying 21" of fresh powder on the mountain. Everyone, that is, except Floyd Hanks and Ginger Howard, who went dog sledding. "What did the doggies eat for dinner?" That night found all four Steamboat trips at their worst, in fine form for our tacky party. How many people were "approved" by Condo(m) Inspector #303? Dave Ross (alias sock jock), was that a

banana in your pocket or were you just glad to see us? During the party a group, led by **Dave** and **Winnie Pullin**, decided to head to CT's (or was it CJ's, TC's or HB's?) for some dancing in their tacky outfits. People on the streets really must have wondered about these folks from Texas, especially Dave Pullin, who demonstrated that "real men don't wear coats".

Thursday was race day, time for SCSC to "show their stuff." Bronze medals were won by Vic Fowler, Karl Gautschi, Roger Hamilton, Floyd Hanks, John Mullen, Robert Todd and Brian Watts. Silver medals were won by Bob Basch, Terry Chamness, Rick Jaeger and Frank Reisenberg. Terri Ullrich, a SCSC member who made the trip with the Dallas ski club, won a silver medal in the senior women's individual races. While the NASTAR races were being held, what was going on next door? Ask Jane Hamilton and Patrice Reed how their first-ever try on the Marlboro course went!

GALVESTON MARDI GRAS

by Rhonda Ross

On Saturday, February 4, 1989, 65 hearty (foolhearty) SCSC members boarded two buses in a quest for the Galveston Mardi Gras. Melinda Jelks

Love your lavender locks, Melinda!

volunteered to be the "commander" of bus "B". Thanks Melinda! Fully expecting to be turned back at the Galveston Causeway because of the icy and slippery road conditions, the true partiers availed themselves of every bit of warm clothing in their closets and every drop of alcohol at their command to complete the journey. In fact, trippers on Bus "A" were so warmly clad, that they had to ask the bus driver to turn down the heat. Strange thing was, he hadn't even turned it on!

Warmly clad Bus A riders Charles Goodrich, Terry Cummings, John Thayer, Linda Licarione and Jan Livingston.

Manuel Valle got the prize for "fuzziest" by dressing as a fur-clad reindeer.

When it became apparent that the weather conditions were going to be horrid, emergency preparations were necessary to fortify us for the cold. **Dee Brown** prepared an old family recipe for Wassail. Bus "A" loved it so much that before leaving the departure point,

warming up with wassail: Beth Nolen, Tim Morton, Lorelle Pottick and Betty Tindall.

all of the special ingredient had disappeared! Vern Oliver came to the rescue and hiked down to a nearby liquor store to buy a half-gallon of demon rum. Charles Goodrich accompanied him because he had inadvertently left his cognac at home and needed to

replenish his stock. Fortified with an extra quantity of rum, both buses set off for Galveston. It's a good thing there was plenty of alcohol on the buses because it was slow going until past the second pickup location in Clear Lake.

There were so many cars going backwards and over guard rails, as well as ambulances and police cars and rubber-neckers, that the Wassail was completely gone (as was the rum) by the time Galveston was reached.

Because of the unscheduled rumstop and the slow moving traffic, by the time bus "B" reached Clear Lake it was completely out of beer! Jim McLaughlin, (always handy when it comes to collecting money) in a wink of an eye had collected \$40.00 which he never had to use because bus "A" had barely touched their beer. A quick beer transfer was made in the Wal-Mart Shopping Center and the journey resumed.

The sandwiches on the bus "B" didn't last long enough to share with those loading up at NASA. Michelle Lamb, Merlin Harger, Bob Fried, Shirley Lange and B. J. Scott had to content themselves with brownies, chocolate chip cookies and tortilla chips. The group reached Galveston about 3:30, just in time to hear Otis Day and the Knights on the balcony of Old Galveston Square. That's when everybody really started partying. The flying glitter, noise makers, poppers, food and street dancing, as well as the exuberance of the crowd, was catching and helped keep us warm.

Recognize anyone? Front row partiers are Bill Kirk, Beth Nolen, Pam Williams and Corky Ament.

Friday night was the awards party, a bit crowded but we did some big, end of the trip, PARTYING. **Dick Bryant** was telling how he knows how much fun he's had by how bad he abuses his body. Is it true that he got his black eye by Break Dancing?

Saturday we left Steamboat hoping the Curse of Steamboat Springs is true. "YOU WILL ALWAYS COME BACK TO THE BOAT."

STEAMBOAT III (cont'd from pg. 18)

Friday, our last day of skiing, dawned clear and cold, but SCSC'ers didn't let -20 degrees stop them! That night the TSC Awards Party and dance was held on the mountain, and it was "jammin". Actually, the party theme was "ugly jams". SCSC continued our quest for the Cup by winning first place in Division 1 with a total of 3,874 points, the most points ever scored during Texas Ski Week.

Saturday also dawned clear and cold (try - 15 degrees!). We all loaded our gear, piled on the bus and wondered why it was almost as cold inside as out. No heat, that's why!

Keeping warm on the bus — Lee Mixon, Melanie Green, Kim Johnson, Patrice Reed.

What's a good way to generate hot air? No, not that way - by singing! Frank Reisenberg, our barbershop tenor, was

the songleader. If that didn't warm us up, Sharon Zill did by sharing Playgirl's Mr. February with everyone who wanted a peek. Greg Picard, Mark Picard and Babs Dovidas warmed up as a family, as did Jon and Laurel Welkey. Brenda Gillis spent most of the ride hidden - was she warm? Ray Fincher, was that you going incognito under that red hat? We got to the airport and checked our luggage with an hour to spare. The medical masks were passed out again and the crew really loved the SCSC routine - so much so, in fact, that we got free red and white wine the entire trip back. Tom Williams, our TC and a great lover of white wine, didn't get any, though. Why? He was still in Denver, waiting outside the women's restroom, or so he says. What really happened, Tom? You can tell us! Maybe he confided in his suitemates, Glen Von Gonten and Susan Krosky.

joined the other Space City groups for the Tacky Party. Naomi Jones did not win 'tackiest' that night but deserves honorable mention for being caught outside her condo in her underwear.

Guess Who???

Roger Holzman provided us all a tacky lesson by teaching us the meaning of "Bonk Aid". Harry Gaston and Cheryl Houge were not the most tacky, but their costumes did have the most tacks. There were also rumors that safe sex was rampant at the party.

Naturally, all survived the party with clear heads (Ha!), ready for Thursday's Texas Ski Council Race. Charlie Roberts in his moose cap was quite recognizable in the videos. Many thanks go to John Thayer for being such a great race director and supplying several Space City racers with "hummers" and "snow flakes" for the extra shot of courage. The SCSC team captured first place in the Texas Ski Week - Traditional club races and set a new record for the most points ever earned. Congratulations to Steamboat II's medal winners: John Cook (G), Tom Danowski (S), Dennis Bentley (S), Merlyn Harger (S), Mike Birowski (S), Harry Gaston (S), John Thayer (B), Dave McGehee (B), Billie Nowak (B), Cheryl Houge (B), and Eunice Young (B). Those racers who had the best times were invited to compete in Friday's individual races. Congratulations to Harry for winning third place in the Senior Men's Division. At Now that the trip is over, the following burning questions can be asked (and answered):

Should West Side be renamed "Back Side" in honor of Louise Talen?

How many phone numbers did John "J.R." Mullen collect?

How many men bought Kim Johnson and Melanie Green dinner?

Is it true Carolyn Smith's ski instructor carried her on his back down Why Not?

When the How come Lee Mixon got to share a condo with three women - what is it he's got?

Katie Grant and Sue Landis - why don't your shoes fit?

Debbie Oliver and Louise Talen never saw their suitemates Karl and **Lotty Gautschi** - they were too busy being barflies!

Trip Coordinators: Tom Williams (Steamboat III), Jeri Hartman (Steamboat II), Dick Bryant (Steamboat I).

the Awards Party there was much confusion, not only did they announce the wrong person as the winner, but they also gave Harry a woman's sweater. Sorry about all that, Harry, but we hear that Cheryl is enjoying the sweater.

Romance seems to have been in the air at Steamboat. During the trip Callen Pasak proposed marriage to Rosalyn Garner and she accepted --congratulations. Laura Boyd and Glenn Hilman, who met on a trip to Steamboat last year, returned together this year.

With the great accommodations and hospitality shown to us at The Lodge at Steamboat and the excellent facilities of Steamboat Ski Corp., not surprisingly, we all came back feeling we had partied and skied to the limit.

group was tired after a heavy day of skiing, but most showed up for the SCSC group "Tacky Party". The folks in the Steamboat IV group were relatively calm, although Jerry Montgomery kept offering everyone "chocolate nuggets" from his commode and Tom Mercer "let go" of his usually sedate character and got into the mood of the party with his "horns".

It only took one day on the slopes and the Tacky Party for the women in condo A106, Rosanne Clark, Nancy Meier, Sharen Seversen, Peggy Schillinger, Joyce Margarce and Marsha Lutz to have their phone ringing off the wall (taking them back to their college days). In fact, they obviously did not spread the word that they were condomates because over morning coffee they discovered that several of them had been asked to dinner by the same two "slope hustlers!!!"

James Richter finally caught up with the group on Thursday after staying in Denver to visit his son. It took him all day to get to Steamboat because his morning flight was cancelled. He arrived at the Texas Ski Council Happy Hour in time to

find tripmate Rosanne Clark winning all the awards for Texas Trivia. Just ask Rosanne "What was the cradle of Texas Liberty?" **Dick Howard** also managed to come up with a trivia answer or two.

After the happy hours several of the group routinely progressed to the "Inferno" where one night Marsha Lutz, Rosanne Clark and Nancy Meier were seen shedding their underwear because they got a little warm. My guess is the guys in C301--Allen Parsons, Wade Brown, Wes Brown, Ron Harvey, Loren Gulledge and Mike Montgomery, better known as Loren's Group were around to watch. Tommy Thompson was also known to be around the Inferno, as well as the Hot Tub, when any of the women from A106 were around.

As the week progressed Charles Luschon and Chuck Lechlider introduced new member Ginny Lootens to the finer points of skiing--coffee and Grand Marnier in the evening-guaranteed to relax and prepare one for the next day on the slopes!! Doris Hemsworth was also learning some finer points, but in connection with Liar's Poker--she wants to thank all the guys who gave her pointers--she plans to use her winnings for her next ski trip!

We quickly realized the condo with Bill Kirk, Ray Davis, Glen Bishop, Pam Holder and Tom Mercer contained some veterans of SCSC ski trips. They leisurely got up, had breakfast and headed for the slopes around 9:00 a.m. The newer SCSC members, such as Sharen Seversen and Marsha Lutz tried to get 7 days of skiing into 4 by hitting the slopes early and staying late.

Taking the Lift Up

Instructions for riding are posted at every lift. Read them. If you are unsure, ask the lift attendant for help. While you wait in line, watch how others ride.

It's just good ski etiquette to wait your turn in line. Only on-duty ski patrolmen and students in class with an instructor may cut the line.

Before Starting Down

Loosen up your muscles before taking

off. A long, cold ride uphill may take

up to 40 minutes. Since you've been in

one position for most of this time,

you're bound to be stiff. It's wise to get

your blood flowing again and warm

those muscles you are about to use.

VAIL I & II

(cont'd from pg. 13)

Chuck Ratliff, Michael Moldofsky, Sharon Taylor, Susan Tilotta, and Kim Page lost all inhibitions after drinking Vail Ale and Face Shots and participated in the Trails End Hand Jive Contest. Prize ... Sex-on-the-Beach! Ed Cain entered the bar stating. "This was my best day of skiing ever!"

Not being on skies for three years did not keep Jerry Pyle from following Phil Unruh down Black Diamonds. After several pitchers of beer, Tom Okamoto and Mark Russek took B. J. Scott and Dee Brown on a foot tour of Vail - in search of the bus stop. We now know who not to follow!

Monday greeted us with Sunshine!! We quickly found out that Dee Brown had no problems skiing downhill - standing still was the problem. Sy Liebergot perfected a new downhill position - now known as the "Liebergot Crucifix Position". Trying

to out-maneuver Diane Yarberry, Gene (Crash) Davis tried to make a lasting impression on Vail's back bowls, e.g. his face imprint in the snow.

Monday night's separate Vail I & II Happy Hours had B. J. Scott and Kim Page playing bouncers to clear the condos so they could hit the town.

Tuesday brought beautiful weather again. Bill Morgan claims this was due to his good clean living. After five bottles of wine at The Cook Shack, Gene Davis, Patti Richards, Randy Pavelka, Michael Moldofsky and Kim Page took off to China Bowl. Michael Moldofsky did a beautiful face plant, broke his ski pole off at the handle and survived to ski another day.

STEAMBOAT IV (cont'd from pg. 21)

Kathy and Charles Morgan were the resident photographers. Because of Charles' "surgery" before the trip he couldn't ski, so Kathy willingly let him take her dog sledding, snowmobiling, and hot air ballooning. Not only did they get videos of these activities, but they also filmed the Tacky Party, Awards Party and the "Race Down the Mountain". Robert Mills and Sherra Nelson also tried the dogsledding. Ed and Ellen Missavage, Joe Daly and Allison Terzakis also took part in an extracurricular activity--unfortunately it was the highly touted sleigh ride--the problem was the night they went the temperature went to -20 degrees. As they were told when they began the ride--"an experience you will remember"--whether they wanted to or not!

The final day of skiing was extremely eventful for the group that made it to Ragnor's for lunch. Rosanne Clark, Dick Howard, Bob Wilbanks (it's hard to get rid of that guy!), Terry McGuinness, Dan Whitis, and Darrell Donaldson shared four bottles of wine before hitting the slopes

for a final afternoon of skiing. Guess it was a good thing more of us didn't show up--with the wine flowing, there might have been a few collisions on the slopes. Speaking of collisions, we had an unfortunate incident on the slopes-

A. G. Davis, wearing his jams and lookin' fine was skiing his last run down, lost control and had to be carried down the mountain by sled by a petite ski patrol person called Turin!! Terry McGuinness apparently had a collision of another kind when one of the lift attendants gave him a "Cross body check" because he only went out halfway to the chair.

Steamboat IV showed up in force at all the parties. We particularly had a great time at the Awards Party when we watched our trip leader, A. G. Davis walk away with second place in the ugly jam contest and Pam Holder accepted the Texas Ski Council Trophy for the races.

A. G. Davis. (Warning! This vehicle makes wide turns!)

The following individuals helped SCSC accumulate the most points ever in the Nastar Races: Chuck Lechlider, Terry McGuinness. Wade Brown, Marsha Lutz, Nancy Staples, Don Moore, Doris Hemsworth, Tony Huerta, Charles Goodrich, Joe Daleo, Sharen Seversen, Allen Parons, Kevin Devers, Allison Terzakis, Peggy Schillinger, Norman Rund, Ed Missavage. A number of our group accumulated bronze medals while earning their points: Bill Kirk, Gary Sequeira, Jerry Montgomery, Dick Howard, Loren

Gulledge, Pam Holder, Tania Andrasko, Paul Wottering, Margrit Carter, Lee Hall, Glen Bishop, Ed Booth and Ed Hankey. Silver medals were won by Scott Peterson, Tom Mercer, Steve Benson and Ron Honefenger. Also credit needs to be given to Nastar newcomers Chuck Deaton and Sherra Nelson. Both fell coming out of the gate, but kept trying, unfortunately without success, to complete the course. Thanks to all of the above for a terrific job.

Saturday evening found just Steamboat IV still on the mountain. We were one short as Chris Maddux decided to cut his trip short and went back with the other trips. Guess all powder the first day wore him out! The last evening together gave us the opportunity to view the Morgans' videos. Every condo contributed to a great dinner, with Charles Morgan throwing together great "Loophole Spaghetti". At the dinner we voted on and presented awards (donated by Sun and Ski) for the following categories: Brightest Outfit--Nancy Staples (cont'd on pg. 26)

FIRST PLACE! Trip participants, Chairman of the Board Bill Kirk and President Pam Holder with the Texas Ski Week Trophy.

The Old Straw Hat Ski Club from New Jersey invited SCSC to Happy Hour at Nick's on Tuesday night. Rose Russom became SCSC's connection with OSHSC.

Leona Schroeder received a phone call from home - business sometimes takes precedence over fun on the slopes. We missed you.

Wednesday brought the Treasure Hunt. Clues were given and the race was on. After two and a half days of skiing by Ted and Debbie Bergeron to find the perfect hiding place for the treasure hunt clues, the treasure was found by an 8 year old girl from England before any of our group could find it. Luckily Ted and Debbie were taking Claude Cavenaugh and Sandy Bialas up to the Treasure to video tape the winners when the first group came through. Winners of the \$105.00 Treasure were Tom Okamoto and Ron and Roberta Rambin. Ted did receive a phone call from the little girl that afternoon wanting to know what she had won.

Treasure Hunt Coordinators Debbie and Ted Bergeron with winners Tom Okamoto, Roberta and Ron Rambin.

Jerry Pyle lost the cap to his ski pole....if you have ever skied with Jerry, you know what a disaster this was.

Camera man "Jean" Claude Cavenaugh took a group up for some action filming. The only money made on this film will be from blackmail; you won't be viewing it on ESPN. Claude took the camera down its first Black Run and the camera and Claude survived. The camera also survived assistant cameraman Mark Russek.

Wednesday night brought the group together for pizza and games. The pizza arrived and the Space City Piranhas dived in! Jim McIntyre and Ed Cain were red-faced during the

balloon game of which Sharon Taylor, Helen Zuliana, Viva Morgan and Marilyn Cronan were winners. Pete Thorpe and Manuel Valle were seen in some compromising positions to win the other contest.

Ed Cain, Dee Brown and Jim McIntyre.

Pete Thorpe and Manvel Valle passing the balloon.

Bob and Marilyn Davis were seen taking off to celebrate the 10-year anniversary of their meeting at the bar where they met.

Thursday Mark Russek and Dee Brown went cross-country skiing in the Back Bowls of Beaver Creek. Howard Rodriguez tried snowboarding - he claims that the brain damage was minimal. Marilyn Cronan ventured to Beaver Creek without husband Mike Cronan and carried her own skis (a first). How many people did you behead? Now we know why she keeps you around, Mike.

For our Thursday night sleigh ride the moon was almost full and the sky was full of stars. SCSC was joined by Old Straw Hat Ski Club. Lois Danielson, Peb and Susan Rock opted for warmth and stayed inside. Just to name a few who enjoyed the ride: Laurie Homberg, Earl Dishman, Joan Istre, Patrice Hogan, Marlene Maher, Lucy Fred, Martin and Glenda Mauk, Suzan and Van Miles.

Marlene Maher and Jerry Pyle on sleigh ride.

ABOVE: Enough sleighing - let's eat! Chuck Johnson, Jim Minica, Susan Tilotta, Claude Cavenaugh, Sandy Bialas, Patrice Hogan, Jack Rafferson, Dee Shoppe, Pete Thorpe. BELOW: Mike and Marilyn Cronan, Debbie and Ted Bergeron.

After the sleigh ride, Kim Page took her ATC Social Director duties to Altitude and introduced Meryl Holly, Pete Thorpe, and Barbara Smith to the Scottish Monoboard team.

For your information:

• Fred Schaffert became an expert at removing fuzz balls from women's sweaters.

- Viva Morgan learned which shoe goes on the right foot.
- Woody Shiflett cannot walk 100 yards to dinner.
- Debbi Crissinger almost became the Late Debbi Crissinger due to waking up her roommates Beth Nolen, Donna Berglund and Woody Shiflett by pulling off the covers at 6:30 a.m. (But guys....she made breakfast!)
- Valerie McCutchen hauled all the ingredients for gumbo to Vail and cooked dinner for hubby Don McCutchen, George Zupp, Alden Mackey and Ken Moredock.
- Bill Cochran had more trouble with icy steps that the slopes.
- Dee Shoppe was seen doing Ledges (a portion of the Womens Downhill).
- Ralph Montigo was the designated photographer for Vail II and did a wonderful job.
- Trying to get into Howard's skiing space, Gloria Hodge sprained her knee.
- Sharon Taylor found a cheap way to take pictures don't put film in your camera.
- Kristi Kemp had mail waiting when we arrived.

- If you ever want to find Roy Caviness just listen for "Yeah Baby".
- Carmen and Mary Flores know where and where not to shop in Vail.
- Jim Minica and Chuck Johnson spent a lot of time helping Kim carry ice chests, boxes, etc. (Thanks!)
- Helen Shilling, with her Doctor's expertise, finally diagnosed her illness as measles. Was it the spots that did it, Helen?
- We've all heard of the Lone Ranger but how about the "Lone Skier". Tom Honeycheck was seen on the slopes but **never** anywhere else.
- Carolyn Wills was seen skiing lots of moguls. Is that why you invited the masseuse from Breckenridge?
- Manuel Valle, Sy Liebergot, **Bob Baker**, Lucy Fred, **John Gilbert** and
 Marlene Maher were seen taking advantage of the Vail cuisine.
- Vail II had 35 ATC's Your TC thanks you.
- Skiing with Lynn Havlik and Kresh Rados, Tessa Havlik got lots of pointers.
- Sue Walker spent all week looking for a skating rink with no luck.

MARDI GRAS (cont'd from pg. 19)

The idea of bleacher seats was good, but unfortunately they were not warmed and it got mighty cold sitting and waiting for the parade that was about an hour late to begin. Ray Naudain brought along some of his famous liqueurs which helped keep that chill out of our bones.

Bill Kirk, Merlyn Harger, Rhonda Ross and Ray Naudain waiting for the parade.

Glynnda Addicks, Layna Adams, Nancy Boelsen, Georgia Pavey, Kevin McHugh, Bob Fried, Manuel Valle and Cissy Dutcher spent a little time on the Strand but soon went to a favorite bar of Cissy's to dance away the time until

the parade. After the parade, they returned to that bar and were some of the last ones to return to the buses. In an attempt to keep warm, Dee Brown and Melinda Jelks tried out for the T.S.U. band as strutters. They almost got the job until the police made them go back to their bleacher seats.

More parade watchers: Gene Davis, Beverly Merritt, B. J. Scott, Mark Russek, Tom Williams, Barbara Niland and Ginger Howard.

The weather proved too much for some of the most hearty and bus "B", plus ten from bus "A" left Galveston around 10:30 p.m. Because it had been

announced many times that the buses would leave no later than 11:00 o'clock p.m., the remaining bus waited for the stragglers to return. Jan Livingston, who had last been seen with some French Navy Officers, finally returned to the bus parking lot and the second bus left on time with no injuries or frostbite and lots of good times to share with those who hadn't been gutsy enough to make the trip.

Thanks go to Trisha of Legends, Clauzelle of Visuals and Dana Wardell for donating hair cuts and facials to winners of the "best mask" contests. Male winners were John Chomiak and Landon Kelsey. Lorelle Pottick and Melinda Jelks won for the females. Couple winners were Barbara Niland and Tom Williams and Beverly Merritt and John Thayer. Thanks everyone for your enthusiasm!

Despite the weather, everyone had a great time and again showed that SCSC has spirit and stamina even under sub-zero conditions.

GROWTH AND ATTRITION

Membership turnover in ski clubs is often as high as 30% per year. Often, this is a function of our high percentage of single members -- they become "attached" to someone and their life takes a different direction. Some of this attrition is due, however, to new members feeling "left out" or not part of the "in group" (or groups). Some clubs, such as the Flying Dutchmen of Reading, PA, The Wichita (KS) Ski Club and the Texas Twisters (Lubbock) have organized programs to prevent this problem, but many of us ignore the new member or visitor to our detriment. We need "new blood" and one way to insure this is to simply "be friendly" at meetings and other functions. DON'T LET A NEW OR PROSPECTIVE MEMBER FEEL OUT OF PLACE AT YOUR FUNC-

TIONS. Look for the signs of this problem: Is your memberships' average age getting older? What is your rate of membership turnover? If these figures are too high, you may need to move to attract new and possibly younger members -- and above all, do what you can to keep your veteran members.

While these factors deplete our membership numbers, we often are prohibited by finances and/or I.R.S. rulings from soliciting new members through the public media via advertising. One of the ways that we can "get the word out" as to who and what we are (how many people do you know who still think that a ski club is an organization of expert or avid skiers who also perhaps like to party?) is to increase your public relations activities within your community. (See September 1988 issue.) Another is to work on publicity on a national level. Write the major ski magazines and ask

why they seldom discuss ski clubs. If any of you have contacts within the national media, put us in contact with them or -- better yet -- tell them what ski clubs are all about and describe us as an almost underground movement in todays' social matrix. (The media always seems to be interested in "exposing" hidden movements.)

Seriously, if we could get more national publicity as a group of organizations, we would see our membership recruitment efforts increase markedly. Anyone with any ideas on this subject or on the subject of local publicity for clubs, please contact this publication and we will give those ideas exposure among the clubs.

Remember, the larger we grow the better buying and marketing power we will have as a group.

STEAMBOAT IV (cont'd from pg. 23)

Left to right: Virgnia Looter, Nancy Staples, Doris Hemsworth. Nancy shows her condomates her award for "Brightest Outfit".

(tangerine shows up well on the mountain); Most in style outfit--Jerry Montgomery (one piece black and blue suit looked terrific); Most out of style--Tania Andrasko (people claim she's been wearing one of her outfits since 1979--still looks good!); Widest Wedge--Peggy Donley (someday she'll stop being a beginner); Best Face Plant--Glenn Bishop (four on the first day!), Most indiscriminate skier--A. G. Davis (must have been the Jams!); Buried at the bar--Loren's Group (quite a group of party goers!). The evening was capped off with one final night of partying at the Inferno.

Sunday found us packing up and heading back to Houston. Marc Heard and Bob Porter were both apparently

eager to be on the road as both were among the many that helped to get the luggage loaded. Again we had a couple of hitchhikers as Cheryl Clements and John Cook worked in an extra day and came back with us. The bus trip back was once again entertaining for the smaller bus. Funny what not having a bathroom on board does. The bus had not gone too far outside Steamboat when it had to make an unofficial "pit stop" along side the highway for Mike Montgomery and Allen Parsons. We discussed leaving them behind, but were glad we didn't when they participated in the two hours plus of joke telling.

Finally back at Stapleton we departed on time. Once again we treated the flight crew to the Space City Drill, but this time we assisted them with pointing out the lighting on the aircraft by squeezing our little pocket flashlights at the appropriate time. We did become a little concerned, however, when one of the flight attendants requested a flashlight for the pilot--especially since we landed at night.

A special thanks needs to be given to the TC and ATC's condomates-Pam Holder, Tom Mercer, Glenn Bishop, Bill Kirk, Ray Davis, Jerry Montgomery, Dick Howard, Tommy Thompson, Kathy Morgan and Charles Morgan. By condo-ing with the TC and ATC they ended up "volunteering" more than any of them probably planned.

We had a great bunch of people on our trip and would sign up in a minute to return to the mountains with all the participants of **Steamboat IV**. The group that took the sleigh ride said it best: "The skiing was perfect, the people friendly and the group lots of fun"--no one wanted to leave!!!! **Thanks participants for a SUPER trip.**

ATC Peggy Donley and TC A. G. Davis — the only casualties on the short trip. Good thing they had so many participants willing to help them put the Spaghetti Dinner Shindig on.

VAIL I & II

(cont'd from pg. 25)

NASTAR Notes:

- Gene Davis wins silver medal skiing to "Paul Harvey Good Day".
- Jim McLaughlin brings goggles just for racing remembers them at middle of course.
- Van Miles tries new technique -skiing with one pole and one glove. He may start a fad the only one with a faster time that day was the pace setter.
- Buddy Soland and Ed Cain were seen many times on the course. Do it till you get it right.
- Medals won: Van Miles and Ralph Montigo - Gold, Gene Davis -Silver, Karl and Lotty Gautschi -Bronze.

Sorry if we missed anyone.

Friday, **Tim Morton** was seen digging in the trash can. He now has a new set of poles.

Marty and Cindy Budinsky tried snowmobiling Friday. Marty buried his machine in waist deep snow. Guess that's what happens when you try to turn in mid-air. Cindy complained of her legs hurting. Guess she was a little saddle sore.

Patti Richards became Fred Schaffert on Friday so he could help **Danna Sutton** with her luggage. What an excuse Fred!

As Vail I hit the slopes for the last day of skiing, Vail II packed bags and did last minute shopping. Another ontime flight from Continental brought them home on schedule.

Let's go home! Sandy Bialas, Tom Okamoto, Dee Brown, Carolyn Wills, Howard Rodriguez, Helen Zuliani, B. J. Scott and Ralph Montigo.

Saturday, with a few die hards hitting the slopes for a few more hours, Vail I packed up to leave. Time was spent at Denver airport bar with Sy Liebergot entertaining everyone by building things on the table.

If you can't hang 'um, stack 'um! Debbie Bergeron and Sy Liebergot at Stapleton Airport.

Special thanks to the crew and Simba for service above and beyond

the call of duty. Thanks to Continental for door prizes, on time flights and extra group check-in help. Also thanks to Sporthaus Lindner, Oshmans, Sun & Ski Sports, and Ski Houston for door prizes.

Chuck, B. J., and Kim want to thank all the participants on Vail I and II for making this a wonderful trip for all!!
