## HEAD OF THE LIFTLINE

by Bill Kirk

Monday, May 11, was the Last General Meeting until September. Anyone who missed "Slope Operas," sure missed a **great** show. Great show, Sue and cast. Think of a good theme for next year's Follies, give Jerry a call, and volunteer to run it.

During the May Board of Directors meeting, **Bob Olson** and **Bob Cruise** were named to fill two vacancies on the board. **Cindy Garrett** will be SCSC representative with **Eric Holms** as alternate to the Texas Ski Council. We welcome them and thank them for volunteering their time to fill these positions. The TSC representatives will attend the May quarterly meeting and the election of officers. **Elaine Barnett** is moving to Dallas, much to our regret, and has resigned as Secretary. **Leona Schroeder** was elected by the Board of Directors to fill the position as Secretary. We welcome Leona to the Executive Committee.

The summer months are almost here with all the different activities that people enjoy during the summer. Your President got out his old chili pot and entered a chili cook-off at the Outpost in Clear Lake City and won the First Place Trophy. **Gloria Able**, **Mike Rooney** and **Bill Vasin** stopped by and sampled my great chili. Speaking about

summer activities, **Jerry Montgomery** has planned at least two or three activities a month and needs your support by signing up. The activities are either free or have a final payment date to reserve space on the activity. The reservations are booked on the number of paid participants and all extra space is cancelled as of the final payment date. During the summer months we have no monthly meetings and the *Sitzmarke* is your main source of information on activities.

Payments and information should be directed to the Activity Coordinator via mail and telephone. The *Guadalupe River Trip* is a lot of fun with a minimum of gear to bring and everything else is provided for one price. Hurry, there may be a cancellation; call **Jeri Hartman (H)** 392-5823. The *Summer Bash* on July 25 (see ad in this issue) at Camp Mirror Lake promises to be the best Bash yet. Final payment is **July 20**. Absolutely **NO** tickets sold at gate! The final payment date, again in this case, determines how many pounds of shrimp and other expenses are incurred to run the activity. Do not be left in Houston; mail your check and form to **Glynda Ad-dicks NOW**.

**Pam Holder**, VP Trips, has work-

ed out the final trip schedule. The Directors of Trips, **Cheryl Clements** and **Ray Naudain**, are busy working on air reservations for the early ski trips.

You will get tired of me reminding you about renewing your membership or bringing in a friend as a new member, but I would like to see the club reach the 1400 membership this year. **Remember to renew your membership now!**

See you at the Happy Hours or activities during the summer.

# ROAD RALLY

by Debbie Bergeron

On May 3, 1987, 80 SCSCers gathered in the Windsor Plaza parking lot to put their wit and skill to the test in navigating the streets of Houston for the 1987 Gimmick Road Rally. Although most participants took a right onto Richmond out of the parking lot as their first direction, Road Rally veterans **Ron Smith** and **Sandra Palmer** used a different strategy, departing out of the second entrance instead of the first, their voices trailing out the window ... "Don't worry, we know what we're doing!" They must have, because they were in the top 10 finishers!

**Mike Gerstenberger** and **Ron Noska's** answer to the question, "Two people who have similar philosophies about life" might be called "Jim and Tammy Bakker!" The answer was "Kindred Spirits."

**Donna Elliott**, an experienced SCSCer warned new Rally participants that the true test of two people's relationship is surviving the Road Rally! **Tina** and **T. J. Lassiter** can attest to this -- Tina came into the finish exasperated, saying they were filing for divorce in 30 minutes!

Now down to the presentation of awards:

Awarded to the team whose Porsche kept over-heating on the course were bottles of STP -- to **Rose Tortorici** and **Bob Rozich**.

Awarded to the slowest time: 3 hours and 15 minutes, were Houston City Maps to **Beth Nolan** and **Tom Williams**. They came in after the award presentation had begun!

This year's Rally marked a special occasion. A "Happy Anniversary" yard sign went to **Ann Batten** and **Glenn Bishop** whose very first date was on a SCSC Road Rally 4 years ago!

Awarded to the team with the second fewest answers were binoculars, to **Jim Hendrix** and **Gayle Irving**.

A special consolation award of trophies with burned rally cars on top for the team with fewest answers went to **Ron Kapchke** and **Kyla Stegemeier**. Now, for the real winners:

**3rd Place** trophies went to the team of **Jerry Pyle** and **Gail Queneville**

for 61 answers out of a possible 68 with 2 hours completion time. Also deserving recognition with 61 answers were **Ron Noska** and **Mike Gerstenberger** at 2 hours, 8 minutes, and **Ann Batten** and **Glenn Bishop** with 61 answers at 2 hours, 19 minutes.

**2nd Place** trophies went to **Jodie Parker** and **Cindy Cox** with a grand total of 65 answers in 2 hours 35 minutes. It was for both their very first Road Rally!

**1st Place** trophies went to a team who came into the finish exclaiming that they "fought a lot and drove fast," **Debbi Chrissinger** and **Woody Shifflett**. Great job, you two!

A door prize drawing was presented to **Lyn Crim** -- a \$20 gift certificate to the Hard Rock Cafe.

My sincere gratitude goes to several people for their efforts. First to **Dan Patrick**, the owner of our rendezvous point, **Dan & Nick's Sportsmarket** in Rice Village, and his manager, **Doug Matheson**, for opening up on a day they were scheduled to be closed. They did put SCSC's "name in lights" on their outdoor marquee. It read "Finish Line - Welcome Space City Ski Club."

A very special thanks goes to **Ted Bergeron**, my husband (alias "Mr. Congeniality"). He displayed great patience every time I asked him to help me recheck the course -- which is no small feat when you live in "South Dallas!"

Thanks to all the Participants --you were great! It was a pleasure (and relief) to see everyone having such a good time. I hope those of you who experienced "brain drain" from answering the questions have recuperated!

Last, but not least, a special mention to the team who persevered on the course so long that they **totally** missed the awards presentation, to **Layna Adams** and **David Turner**. We thought you two drove to Galveston!

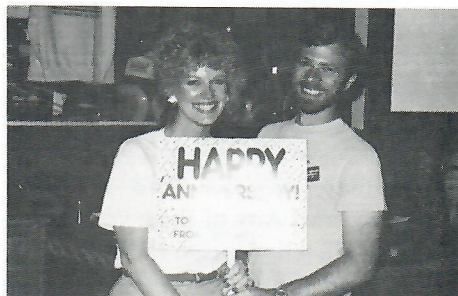

Rallyers receiving rules and instructions.

At the finish line, Dan & Nick's Sportsmarket, awaited Dan Patrick, Debbie and Ted Bergeron, and Doug Matheson.

Relieved Rallyers who made it in from the course.

Ann Batten and Glen Bishop -- 4th anniversary of first date, 1983 SCSC Road Rally.

Woody Shifflett and Debbie Chrissinger - 1st Place.

FINAL EDITION

## SPORTS

**Sherry Lewis**, head coach of the U. S. Space City Ski Team, said the conditions on the mountain were "awesome." At Telluride with 38 team members, Space City's performance was phenomenal. The team won 16 medals, four silver and 11 bronze. **Dale Allbritton**, **Charles Caplan**, **Mike Jackson**, **Horst Manhard** and **Peb Rock** all captured Silver medals. Along with their notable performance **Judy Allen**, **Art Camero**, **Bob Couple**, **Yours Truly**, **Gunner Heyne**, **Steve Lavoot**, **Sherry Lewis**, **Ron Rambin**, **Frank Reisenberg**, **Bob Wilbanks** and **Diane Yarberry** achieve bronze medals. The team's success has been attributed to **Hall Goodson's** special bean and tamale diet.

At the 82-year-old Sheridan bar the Fooze-ball and Dart Championships were held. The undisputed Fooze-ball champs were **Debbie Febles** and **Klaus Pratschker**. (*Klaus, did I spell it correctly?*) The dart board was dominated by the four-time national champion **Stan Kuper**.

## FASHIONS

The latest fashion craze this year was "Raccoon Eyes," colored zinc oxide and underwear. Leading the fashion mode were **Judy Allen**, **Art Camero**, **Charles Caplan**, **Bob Couple**, **Sherry Lewis** and **Diane Yarberry**. On the last day, they all skied in their undergarments. Any of these vogue individuals will tell you that the best way to get the "Raccoon Eye Effect" is to wear glasses (*like the ones Lauren Boyd wears*) several successive days in the intense sunshine. Why, you don't even need to go skiing to get them.

Another fashion trend setter was **Peb Rock** pictured below, wearing stylish headgear from the **Ann McIntyre** collection.

## CREPES & SPIRITS

At the **Dutton, Dutton, Nolen and Berglund** (Carol, Charles, Beth and Donna) condo, outstanding banana crepes reasonably priced were served for everyone's enjoyment. This one-of-

a-kind eating establishment has limited parking, so please come early.

The **Rambin's Wassail House** situated on the San Miguel River, with an unobstructed view of the mountains, serves the finest hot wassail in the Rockies. The Rambin's wine-making expertise paid off when they diversified to wassail. Remember reservations are required.

The German Culinary Kitchen with its visiting chefs Klaus Pratschker and Horst Manhard is known for exceptional steaks and designer napkins. **Ellen Manhard, Noni Pratschker, and Renate Heyne** cut the napkins so skillfully that even Mama Ninfa would be envious.

*Ellen Horst, Beth Nolen, Carol Dutton and Charles Dutton at the Crepes Gayla.*

## GOSSIP COLUMN

Did you know that **Molly Field** and **Terri Emerson** tried to pick up the operator at Lift No. 8 by riding round trip. Unfortunately for them and the others on the lift, it was not non-stop. After securing a rendezvous with the operator, Molly and Terri later claimed they did it to take pictures.

How do you get six days of skiing with a five-day pass? I don't know, but Lauren Boyd, Beth Nolen or Bob Wilbanks would be able to answer you. They are currently being investigated by the SEC (*Skiing Economics Commission*).

## WEATHER

Sunny, sunny, sunny with occasional avalanches.

## TRAVEL

The answer is Houston's Intercontinental, Denver's Stapleton, Montrose's Shoe-Box and finally a 65-mile bus trip and 12 hours later. The question is how do you get to Telluride Colorado.

## CLASSIFIEDS

## A Word About Negotiating With The Airlines....

Well, it is the time of year that strikes terror in the heart of your VP of Trips. Trying to understand the thinking of the airlines is truly a hair-pulling experience. After having spent numerous hours in discussions with airline representatives, I feel that I know the basic issues and I want to share these with you.

First of all, GROUPS (*this means SCSC*) are not a priority with the airlines today. With the advent of deregulation and cheap fares, the airlines effectively offer "group rates" every day. Additionally, the airlines have different fares on each seat on the airplane, i.e. 10% First Class, 80% regular fare, 5% reduced fare and maybe 5% special fare (*offered as a large promotion to compete with another carrier*). What SCSC tries to do, of course, is to get the lowest fares possible and then couple the "cheap seats" with the most advantageous flight times. As one airline Representative said to me, "Pam, would you give away your product at 50% if you knew that you could sell this product to someone else at full price?" Of course not! The carriers that offer the lowest fares are not having problems filling their planes, ergo, why negotiate?

So then we thought, "Well, how about chartering a plane?" According to Continental, "If we own the plane, we're flying it. We don't have them sitting in hangers." Additionally, with every charter you have the problem of flying the plane from point A to point B. At point B you either have a group

waiting to go back to point A or you pay to fly the plane back to point A empty. There went all the money we saved on the charter. (*We have the same problem coming back--fly the plane empty to point B to pick us up and then return to point A.*)

The other problem we have to consider is that many travel agencies reserve seats on the flights that we want as early as we do. So when we call the airline to reserve 42 seats, or 84, or whatever, we may find that there are only 38 seats on one flight, 56 on another, etc. This is where the compromise on flight times comes into play.

So please bear with me. I can assure you that every volunteer that has held this office has undergone the same torture and criticism from the membership. "Why did you do that???" Unfortunately, more often than not, it was the best compromise that could be negotiated. I truly wish it was as simple as many of you have experienced when you make your individual reservations. Working with the group desk at the airline certainly has its disadvantages. But, I'm doing my best to get as many of us to the slopes as possible at the lowest fares and when we want to be there.

Now, in case you're wondering about our mysterious masked marauder, it is none other than the "SCSC Air Pirate," Ray Naudain. Ray has been seen fencing fiercely with the airlines to protect the interests of SCSCers. We'll continue the saga....

Elaine and Ed Barnett Move to Dallas

## LEONA SCHROEDER APPOINTED CLUB SECRETARY FOR RECORD THIRD TIME

Following the resignation of Elaine Barnett as club secretary, Leona Schroeder has been appointed club secretary for the '87-'88 year. Leona served as secretary for the '80-'81 and '82-'83 years as well. Leona is a native Houstonian; graduate of Rice University with post graduate studies at the University of Texas in physical therapy. She has been a member of Space City Ski Club since 1977, serving as ATC for Winter Park in 1978, TC for Vail in 1979, club secretary in '80-'81 and '81-'82 and liftiliner from '82-'86. Leona operates an advertising specialties business, enjoys skiing, tennis, jogging, and water skiing. Congratulations, Leona!

A Trade-Off ... Gordon Wise turns the gavel over to Bill Kirk while Bill presents a plaque to Gordon.

It was a cold dark rainy night when this beautiful blonde dame burst into my office sobbing her uncle was kidnapped by her mother's stepsister. I watch her chest heave as I handed her my hankkerchief. *Does the rest of this story interest you?* Then join other SCSC members at a Murder Mystery Dinner where the distinction between the dinner guests and the murder mystery participants is non-existent.

## MURDER MYSTERY DINNER

Everyone will be in the evening's plot. Each person either tries to figure out who did it or else cover their tracks. You will receive instructions of who you are and your personality in advance.
