SCSC GOES WESTERN!

HEAD OF THE LIFTLINE

by Bill Kirk

Time sure seems to be flying by! Here we are about a month away from our first annual meeting at The GRAND. The September meeting is an all-important meeting to attend. Again we will be letting members in by groups, using tickets to try and control the crowd and make the Sign-up as painless as possible. So, try to get to The GRAND *early* and get a low number and be ready to go in when your block of numbers is called. There will be further updates concerning the first meeting in the September *Sitzmarke*. The GRAND is located on the corner of Westheimer and the West Loop (*just inside the loop*). Your 1987-88 membership cards will be attached to your September *Sitzmarke*. Be sure you bring your card and check-book to the General Meeting; only members are allowed to sign-up for ski trips.

The ski trip budget reviews were held July 21 and 22. It looks like your TCs and ATCs have done an excellent planning on their respective trips, keeping the costs down and still providing fun trips. See trips for more information.

The scheduled summer activities for August all sound like a lot of fun. A second Windsurfing outing at Texas City on August 2nd was a lot of fun. I believe we have a few members ready to buy their own boards. The *Mystery Dinner* on August 19th is full, but a cancellation may occur; call **Bob Frazier**. Shine up your boots and join the group at **Johnny B. Daltons** for C&W Dancing. Get there before 8:00 p.m. for free buffet and no cover charge. After 8:00 p.m. \$2.00 will be charged.

For years the membership have asked for SCSC name badges to wear on ski trips and other activities. This year they will be available at the Pins, Patches and Logo table. The badges will be sold individually; see the September *Sitzmarke* for further details. A new SCSC traveling banner to take on ski trips was also budgeted and approved by the Board.

Applications for membership continue to come in. Keep up the good work in recruiting your friends. I welcome everyone to another great year with SCSC.

"...It was a cold dark rainy night when this beautiful blonde dame burst into my office sobbing her uncle was kidnapped by her mother's stepsister. I watch her chest heave as I handed her my hankkerchief." Does the rest of this story interest you? Then join other SCSC members at a Murder Myster Dinner where the distinction between the dinner guests and the participants is non-existent.

Murder Mystery Dinner

(Who Dunnit by Candlelight)

Everyone will be in the evening's plot. Each person either tries to figure out who did it or else cover their tracks. You will receive instructions of who you are and your personality in advance. Come dressed for your part. This is not a spectator sport, everyone participates. Multiple mysteries running simultaneously!

SKI DESK

by Ray Naudain and Cheryl Clements

While Pam is enjoying her well-deserved vacation in Europe, Ray and I have been racking our brains in an effort to write an article that would stand up to Pam's.

The TC's and ATC's have had a busy month making final preparations for their trips and have obtained (*by the time you read this at least*) approval of their budgets. Preparation is well underway for the September meeting so that you may sign up for the trip(s) of your choice.

After reviewing the trip surveys you completed along with the locations skied over the past several years, the following trips have been scheduled for the 1987-1988 ski season.

Fall Round-up (Thanksgiving) is off to **Copper Mountain** on November 24 and returns November 29.

To accommodate those of you who like to ski over the Christmas-New Years' holidays, **Park City** is your destination on December 26 through January 2.

Texas Ski Week Traditional is being held at **Winter Park** January 9 through January 16 with a short trip being taken from January 12 through January 17. Come race with us!

If you want to experience a taste of Europe, then **Switzerland** is your destination January 30 through February 7.

Aspen Traditional is scheduled for January 23 through 30.

February brings Winter Shootout at **Keystone** during the week of February 10 through February 15.

Scenic **Breckenridge** is the resort of choice February 20 through February 27.

Banff, Canada is scheduled for TSC Final Showdown March 5 through March 12.

And last, but not least, the ski season will end with a trip to **Purgatory**, March 15 through March 20.

Hope this caught your attention and whets your appetite to ski this season. You'll find more detailed information in this publication on each trip.

Come and sign up for the trip of your choice at the September meeting and ski the world with SCSC. Above all, THINK SNOW!!!

1987-1988 SEASON

1987 SCSC GUADALUPE RIVER TRIP

by Jeri Hartman, A.C.

The Guadalupe River has flooded at Victoria and Cuero; Canyon Lake is twenty feet high (*only one foot below the spillway*)! Are we really going rafting on the Guadalupe? You bet we are! We are going to the river below the dam and above New Braunsfels. This part of the Guadalupe is controlled by the dam and they are only letting 100-150 CFS through the dam due to the flooding 60 miles south.

Despite street flooding in some areas of Houston on the departure date, 32 adventurous SCSC'ers arrived at the designated gathering place in time and departed by bus to the campsite on the Guadalupe River.

Special mention goes to **Liz Pratt** for coming all the way from Omaha, Nebraska to join us on this trip and to **Bob Rogers** and **Marguerite Tarinelli** who traveled the furthest from Fort Lauderdale, Florida to go on the trip.

We arrived at the campsite about 10:30 p.m., unloaded and set up camp and then it started raining! Are we going to have to call this Mercer's Camp-out West? It turned out that the rain stopped after about two hours and we were able to sleep peacefully for a few hours.

After a hardy breakfast on Saturday morning, it was time for us to be shuttled to the put-in spot for rafting on the river. With perfect timing, that's when we had another brief heavy

shower from the sky. This distracted many of us and we forgot to take beer on the river with us. What's this, SCSC'ers without any beer?

It turns out that that was the last time it rained for the entire weekend. The weather forecast was correct for once; they predicted a decreasing chance of showers and gradual clearing by Saturday -- amazing!

The first challenge of the river was Huaco Springs, a well-known white-water rapid and most of us made it through in fine form; however, **Cindy Chandler's** glasses were lost and a bailing bucket and paddle. After we made it through here, **Rick Sowash**, **Judy Horsley**, **Bob Rogers**, **Marguerite Tarinelli**, **Jack Coblentz** and **Madeline Coblentz** settled down and enjoyed the rafting and scenery on the beautiful Guadalupe River. On another raft **Donna Barnhill**, **Jan Eiffert** and **Patrice Reed** got geological commentary from **Tom Williams**. As the sun got hotter the water fights were more frequent. Raft riders **Dennis Grote**, **Pam Gillan**, **Alan Ferguson**, **David Ross**, and with **Ron Flowers** manning the buckets, scored the most hits in water fighting. After Huaco Springs, all the rafts made it through the rest of the white water areas with flying colors. The raft with **Ray Davis**, **Liz Pratt**, **Bob Mills**, **Sherra Nelson**, **Jane Osborne**, **Roger Osborne**, **John**

Woltemate and **Cheryl Vik** had the distinction of containing the most rowers.

Cindy Chandler, **Pam Sziy**, **Donna Barnhill**, **Tom Williams** and yours truly, **Jeri Hartman**, seemed to enjoy riding the rafts on dry land to deflate them more than on the water.

After a scrumptious dinner of grilled chicken and accompaniments, **Lyn Crim**, **Corky Ament**, **David Ross**, **Ron Flowers** and others were taken to Gruene Hall, Texas' oldest dance hall, by **Mark Evans** of Texas River Expeditions, our guides and hosts for the weekend.

Those of us who stayed at the campsite enjoyed telling and listening to funny stories and we really got a laugh with **Mike Moldofsky** over his attempt to walk on water.

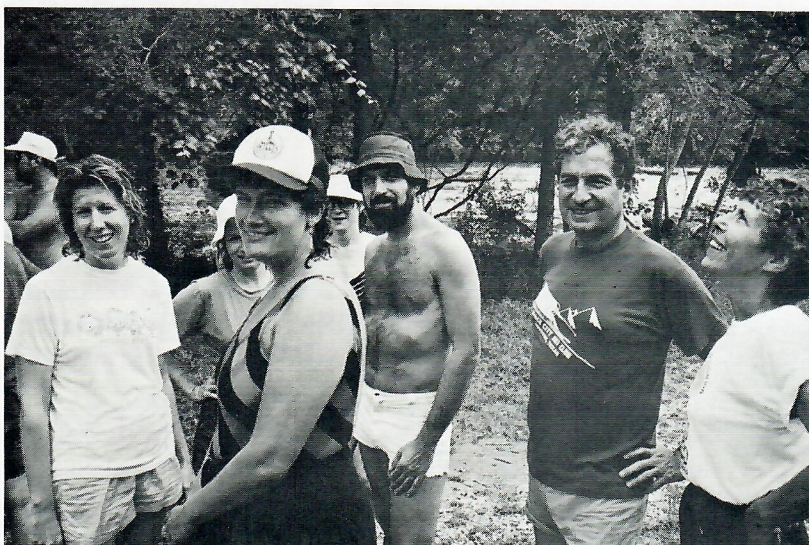

On Sunday morning it was time to pack up the camp and go to Prince Solms Park and the Tube Chute in New Braunfels for a few more hours of playing in the river. **Peggy Murphy**, **Anice Peterson** and **Michele Keating** found our SCSC tradition of long trains of tubes going through the chute quite a lot of fun. Regretfully, early Sunday afternoon it was time to board the bus and come back to the real world of Houston and our routine lives. It was a fun weekend and I thank all of the trip participants for making it such an enjoyable time.
