## SCSC BRINGS HOME THE GOLD!

### HEAD OF THE LIFTLINE

BY TOM MERCER

Ski trips are coming and going and all reports from trippers are good. I just returned from Copper Mountain and had another good one. I was happy to see that nearly 90% of the trip participants also raced in the cup race. It was great!!! Congrats to **George Hiraski** and **Harry Gaston** for winning golds!

**Shirley Andries** reports that the Nominating Committee has decided on the folks they believe can carry on the leadership of the club. Amazing how fast the end of the term comes!! The report with the names is found in this issue.

We have some real fine activities coming up in the spring and summer. Be sure to read the ads and sign up early. Again, if you have an idea, one that is new--different, talk to **Rudy** about presenting the idea to the Executive Committee.

You should be receiving your Directory shortly.

# SANTA ARRIVES FOR CHRISTMAS

The SCSC Christmas Party, held on December 13, 1984, at the Renaissance Restaurant, was a huge success. Santa Claus arrived with a bag of gifts for all the good little SCSCers.

Judging by the gifts Santa brought, he must have known that our group could be a little risqué.

The following names were drawn to receive gifts. (Photos clockwise from upper left).

Debbie Bergeron - Caviar Bath Soap

Tina Kendall - Naked Man Cup

Gordon Wise - Nipple Pencil Holder

Jan Livingston - Champagne Bubble Bath

Cathy Bocell - Sunglasses

Jim Plummer - G-String

# TEXANS INVADE THE CANADIAN ROCKIES

By Ann Batten,  
Bob Cruse, and Barbara Cruse

In the beginning 42 Space City skiers enthusiastically left 70° weather to conquer the Banff ski areas. Little did they know that this would be one of the coldest winters of minus 30-40 degrees. BR-R-R! Unaware of club tradition, **Barbara Dowler** and **Simon Cattle** almost missed the flight.

Little did we know that this would be a precedent for future activities on the trip. **Jean Walke** and **Karen Sheppard** asked for equal rights for aisle seats. **Ann Bevil**, **Ann Harvey**, **Jean Johnston**, and **Joyce Wuensch** proved that layovers enhance bridge games. Remaining undaunted, we occupied our time for five hours and then joined a tired flight crew who were quickly rejuvenated by the SCSC tradition of mocking the in-flight procedure. They especially enjoyed the antics of the self-made oxygen masks by **Ann Batten** and **Bob Cruse**. **Sue Millican** was known for reading *The Wall Street Journal* - on a ski trip?

Customs were a breeze except for **Lynn Williams**, **Larry Hysinger**, **Bob Speed**, and **Halcyon Pearson**. In the spirit of indulging, we were welcomed by **Denny Bartlett**, of Tortuga Express and discovered that we had arrived on Boxing Day, a national holiday - so no spirits. The newlyweds, **Jerry** and **Linda Fountain** had to retrieve their suitcases from Calgary after arriving in Banff.

After skiing the beautiful slopes of Sunshine, we experienced a new kind of Happy Hour. We partied by candlelight. What a way to meet new friends! Many found that these power failures occurred at inconvenient times. A good laugh and stories of being caught in the shower were shared.

Many braved minus 30 degree weather for an outdoor bar-b-que (in a tent). Bonfires never felt so good. **Dick Howard** entertained **Linda Licarione** and **Lewis Dawson** with "Put Another Log on the Fire."

**Bonnie Ambrose**, **Carol Collins**, and **Gracie Clouse** enjoyed the

smorgasborg in the hotel. You weren't getting them to go out in that weather. **Gracie Clouse** had beginner beginner's problems. No one told her how to put on boots or skis or that she had to ride the gondola for her lesson. Her husband sent an ace bandage and black-eyed peas without an opener. Needless to say, she is writing the SCSC first edition of *The Never Ever Ski Book*. She is a real trooper.

**Les Bennett** and **Margie McIntyre** were frequent club goers.

**Myron Kolpack** and **Cindy Lewis** are calculating the shortest distance between Corpus Christi and Dallas after meeting and enjoying the hayride.

**Rich Rose** is searching for the quickest route to Banff to rekindle his infatuation for his 20-year-old ski instructor. Cradle rocking, **Rich**? **Charlie Rau** threatened competition when he gave her his business card.

**Dick Howard** demonstrated his greatest fall without skis and **Kaye Truly's** surprise goose backfired when she discovered that the

"yellow jumpsuit" wasn't one of our members. **Barbara Sepulvado**, better known as "Crash," used Dick Howard as a landing pad when trying to stop. **Pam Logsden** and **Don Wiedeman** were last seen on a chair lift together. Meanwhile, on the human slalom, Linda Licarione "accidentally" tree skied.

There was never a dull moment provided by Lewis Dawson on the trip as he exercised such grace when trying the same jump three times and ending up in a break dance

fashion. We will long remember his expertise in hailing the only Iranian cab driver in Banff that asked, "Which way is the Banff Springs Hotel?" Lewis' next job will be tour director for the Banff cab drivers.

**Bonnie Ambrose** sustained a knee injury and received special attention. **Lynn Williams'** roommate is still looking for her since she spent half the time in Calgary and the other half in the bathroom. Someone did see her wrapped in a Canadian flag closing down the ballroom

on New Year's Eve. Our fearless ATC, Bob Cruse, is probably the only person to require a room call from Bob Truly for cracking a tooth on strawberry jelly. **Truly** was last seen figuring a deserved write-off for the trip. **Barbara Cruse**, who is expecting our next SCSC World Cup Racer, finally hired a cab after waiting an hour and a half.

Denny Williamson, Sales Manager for Chateau Lake Louise, treated our group to a royal Canadian welcome. Many braved the cold to enjoy a sleigh ride while Dick Howard and Ann Batten trailed the sleigh picking up fallen clothes in their dog sled. After dinner we discovered that our bus was missing, so we hijacked one and headed home. **George Hein's** harem changed each evening. How do you do it, George? **Paul Marcus** entertained a children's ski school with his acrobatics and received much applause. Was the fall really planned, Paul?

We spent New Year's Eve at the 5th best party place in the world attended by 3500 people. It's the only place to go! We added honorary members to our membership with Pearson and Muriel Griggs. **Gerry Simpson** and **Paul Wettring** competed to see who could dance with the most ladies.

**Charlie Rau**, Louis Dawson, Cindi Edin and Linda Licarione accepted Western's offer to party in New Orleans with only their ski clothes. (Western overbooked out of Salt Lake.)

Of course, on the way home the only ones to be checked by customs were those crazy sisters, **Debbie and Cindy Edin**, who refused to divulge their ages to anyone except the customs agents. Special thanks to Barbara Cruse for all of her help and to Western Airlines, Tortuga Express, Banff Club Ski, and Debby Williamson for their help in making this a great trip.

We came. We saw. We conquered, and certainly left our mark in Canada.
