# First GRAND Trip is About to Leave for The SNOW!!

## Head of the Lifeline by RON SMITH

Here we are getting ready for our third meeting of the year. I hope you are having fun because everything has so far gone quite smooth. If you are on one of the trips which leave during December or January, then you will need to make your final payment during the month of November. The trips which do not fill will be reduced to a lower level of participation by the Executive Committee during the month of November. What this means to you, the skier, is that you must make up your mind to take a December or January ski trip NOW! Those of you on the end of a long waiting list may wish to look at one of the trips which has not yet filled (*check the TRIP SCHEDULE for the trip you would like to take*).

HAPPY HOUR continues to be a success for those who enjoy good company, cheap drinks and munchies. This month's special will be at CODY'S. Check the *Sitzmarke* for time and location.

Sign-up time is now for the Christmas Formal on December 7th. I promise we will not be bombed on this date as Pearl Harbor was some forty odd years ago. This is one activity which will end up being a night to remember. See **Cindy Chandler** to sign up for this at the November meeting.

Speaking of the November meeting, we are having our annual style show for ski wear and furs for the winter season. I have been told we will have surprizes and prizes, so come to look and possibly win.

Several of our members who have been in the club for awhile, as opposed to old members such as your

Prez, have told me that the meetings are more enjoyable in our new location. I invite all of you who have not come to our new location to do so this November 11, 1985. And last, for the lucky 60 on the Keystone trip -**THINK SNOW!!**

### ASPEN SKIING COMPANY ANNOUNCES \$27 MILLION IN MOUNTAIN IMPROVEMENTS

This season, Aspen Mountain will open 78 more acres of America's most famous ski mountain. It's part of Aspen Skiing Company's three-year, \$27 million improvement plan, which includes two new quad chairs this year. What's more, you can ski Aspen Mountain, Buttermilk Mountain and Snowmass for just \$18 a day.\*

For lodging information, reservations or to order the PASSPORT TO ASPEN/SNOWMASS winter brochure, call Aspen Resort Association at 303-925-9000 or Snowmass Resort Association at 303-923-2010. For group lift tickets call Director of Sales, Aspen Skiing Company, 303-925-1220.

**ASPEN SKIING COMPANY**

\*Based on 6 of 7 day, 3 mountain low season lift ticket, good November 28-December 20, 1985; January 4-31, April 5-13, 1986. Add Aspen Highlands with purchase of 4 Area ticket. (This ticket was sold as a coupon booklet last season. This year's format is to be determined.)

September is traditionally, a month of firsts - first day of fall, first football game, first chance to sign up for your ski vacation - and this year on September 15, a brand-new first-ever event for SCSC took place: a shrimp boil at San Jo Cove, a private resort on Lake Conroe. More than 120 people showed up to pig out on piles of pacific prawns and get in a whole day of summery activities on the water. There were a number of people so anxious to find out what this event would be like that they drove up the night before and camped out! Among those braving the wilds and mosquitoes were **Michelle Lamb, Merlyn Harger, Bob Wilbanks, Bill Kirk, Billie Novak, Layna Adams, Ray Naudain, Bob and Melissa Frazier, Charlie Craig, Marcy Knox, A. G. Davis, and A. G. Davis's "baby"** (a power boat) showed up at the crack of dawn. More people trickled in as the noon hour approached, but the beer did not. Cokes were there, and so was the wine, but big-time beer drinkers **Jim Plummer and Ron Smith** were becoming edgy. Just as I was about to be thrown into the lake, the brew arrived - WHEW! Not long afterward, the caterer arrived and people left their sunbathing to queue up at the pavillion. **Cissy Dutcher, Francis Nowak, Flo Prince, and Pam Pallet** were seen with eyes growing wider and wider as a whole pound of chilled jumbo shrimp, plus all the trimmings, was piled on each plate. **Russ Morris**, of course, went back for thirds! The meal, plus huge old pecan trees, and a hint of fall in the air made for a lovely picnic. Despite the over generous serving portions, enough was left over to nibble on the rest of the afternoon.

After eating, a crowd gathered in front of a portable TV to watch the Oilers get beat, among them **Tom Mercer, Ron Rambin, Easy Thayer, Sy Liebergot, Ray Davis, and Woody Shiflett. Becky Hall** was determined to learn how to windsurf and joined the others at the waterfront while **Jan Livingston** bravely chased off a group of uninvited intruders who wished to share our picnic! The afternoon was spent frisbee chasing (and grassburr plucking!), windsurfing, paddleboating, sunbathing, beer drinking, and joke telling -- all to the beat of a loud salsa band at a Mexican Independence Day celebration up the road, which provided an afternoon of free music for US as well.

**Ed and Elaine Barnett** later started a volleyball game. Then the sun began to sink, the crowd dwindled -- and still a dozen pounds of shrimp left! But **Jeri Rotenberg** and her friends showed up and claimed it for themselves and took it off our hands. A handful of die-hard partyers remained after dark and moved the party to T & J's in Willis where they reportedly closed it down! All in all, the event was a huge success and I want to thank **Jo Ann** at San Jo Cove, **Sylvia** at Feedstore Catering, **David** at Olympia Seafood, **A. G. Davis**, who helped me at the sign-up table and brought his boat to the event, all else who shared their lawn chairs, water craft, good jokes, and willingness to make the drive up and try out a new (and hopefully annual) event. And thanks to **Jan Livingston** and all her valuable advice on everything, because for me, this was a "first ever" time I have coordinated an SCSC anything!

## SKIER'S RESPONSIBILITY CODE

*There are elements of risk in skiing that common sense and personal awareness can help reduce.*

- 1** Ski under control and in such a manner you can stop or avoid other skiers or objects.

- 2** When skiing down hill or overtaking another skier, you must avoid the skier below you.

- 3** You must not stop where you obstruct a trail or are not visible from above.

- 4** When entering a trail or starting downhill, yield to other skiers.

- 5** All skiers must wear retention straps or other devices to help prevent runaway skis.

- 6** You shall keep off closed trails and posted areas and observe all posted signs.

## SKI TIPS FOR THE BEGINNER

### Taking the Lift Up

Instructions for riding are posted at every lift. Read them. If you are unsure, ask the lift attendant for help. While you wait in line, watch how others ride.

It's just good ski etiquette to wait your turn in line. Only on-duty ski patrolmen and students in class with an instructor may cut the line.

### Before Starting Down

Loosen up your muscles before taking off. A long, cold ride uphill may take up to 40 minutes. Since you've been in one position for most of this time, you're bound to be stiff. It's wise to get your blood flowing again and warm those muscles you are about to use. Then, choose the hill that best fits your ability.

### Choosing the Slope

Choose the hill that best fits your ability. Every ski area has a map of trails and runs to guide you. Check with the ski instructor or ski patrolman. Don't be afraid to ask. Skiers are friendly and anxious to help. Be honest about your skills. Keep away from hills that frighten you. It'll still be there when you're ready for it.

When it's powder, it's incredible — "cold smoke," it's been called. Two gondola systems to keep you warm and dry on those great powder days.

**LIGHT DRY SNOW!** Big Sky will not be an ordinary ski vacation if you are in the least bit adventurous — cross-country ski, snowmobile, or ride snowcoach to an ancient, sacred land populated by elk, moose, buffalo, and eagles. # SKI DESK UPDATE

by Bill Kirk

At the time of this update nine (9) trips are full with waiting lists. The remaining trips have openings. The Aspen Traditional is full and I would recommend transferring to the Snowmass I Trip. You would definitely make Texas Ski Week and the shuttle to Aspen only takes 15 minutes. The Snowmass trips are staying at the "Enclave" condo, a very nice lodging property. Short on time, Snowmass III has openings. There are a few openings on the Keystone and Steamboat trips, so contact the respective Trip Chairman now. The trip to Park City is still open, for those of you who like skiing the powder, this trip is great. The Banff/Lake Louise Trip also has a few openings. If you are on the *waiting list* for Badgastein, you may want to consider the trip to Canada.

Some reminders concerning the Standing Rules on *Trip Cancellations* and *Transfer*. The definition of *Participant* and *Waiting List*:

**Participant:** On trip and deposit check deposited in bank

**Waiting List:** Not on trip - TC holding deposit - waiting for someone to cancel off trip

**Trip Cancellation:** A participant **must notify TC in writing** when he/she withdraws from the trip. A participant may forfeit his full deposit if he fails to notify TC prior to published final payment. A minimum charge of \$10.00 will be assessed for each trip cancellation and such charges will be increased by \$5.00 per month for each cancellation.

**Transfer:** The transfer can only occur if member is transferring from participant list to participant list, not a waiting list. The transfer form is completed. The participant transferring will be expected to make up the difference on the deposit fee to the new trip. Transfer fee is \$5.00

**Waiting List:** Tell the TC that you would like your deposit check returned and take to the trip that has an opening. Since the check (deposit) is made out to S.C.S.C., you can change the *comment* area to the trip you are getting on. You can NOT transfer from participant list to waiting list without first cancelling and paying the fees.

Be sure to attend your pre-trip meeting. Going to Badgastein, remember you **NEED PASSPORT**, photo and extended returning plans.

**Check page 10 for the complete Trip Schedule with phone numbers and prices.**

## SNOWMASS I

Come with us and celebrate at SNOWMASS! Treat yourself to an unforgettable Texas Ski Week at one of the world's premier ski resorts. You will stay at the luxurious Enclave Condos (ski-in/ski-out access) offering all the amenities you desire including outdoor sauna/pool.

## SNOWMASS TSW

Since Snowmass is a destination resort, you will not be in competition with local skiers for services. Sixty percent of the runs are rated intermediate level, 15% easy and 25% expert.

If you should get tired of creating memories at Snowmass, you can take a bus to Aspen where you will find over 100 restaurants, two theaters, plenty of off-mountain sports and a night life that is second to none. Aspen is only 20 minutes away by shuttle and Buttermilk Mountain is even closer.

Snowmass offers cross country skiing, sleigh rides, dog sled rides, heated swimming pools, Jacuzzis and 20 restaurants.

Put this all together with full days of skiing, Nastar Races, Fun Race, unlimited free access to Marlboro Ski Challenge Course.

After skiing, you can take pleasure in Texas Ski Week's off-mountain activities which include chili cook-offs, hot air balloon races, and theme parties (ten gallon hat and pajama) with live entertainment.

## NEW YEAR'S

The West as it was meant to be -- wide open, welcome and just a little bit wild. Join us for a New Year's celebration that you'll never forget on the mountain of Billy Kidd. Ski the second largest mountain in Colorado, famous for its champagne powder that swirls over your knees as you explore miles of skiing terrain. Additional runs off of Sunshine Peak have been opened to test your skills.

Our forty-two SCSC skiers will be staying at Timber Run complete with an outdoor heated pool, sauna, popular lounge and three outdoor hot tubs, one of which has been reserved for our private party one night. Gorilla juice will be served abundantly! Timber Run's convenient shuttle every fifteen minutes will whisk you to the slopes, the shops or the night life.

We have planned a gala New Year's Eve party featuring live entertainment, a wine and cheese party, happy hours most afternoons and an optional group dinner at Steamboat's finest Italian restaurant. Besides the excellent skiing, you will have the opportunity to try hot air ballooning over picturesque Steamboat, excellent cross country trails which include moonlight tours, beautiful sleigh rides down the original stage road, and much more.

## PARK CITY

Don't miss this trip to Park City. Forty-four ski loving SCSC members will enjoy a short bus trip (once we get to Salt Lake - 2 hrs.) and those who can't wait will be able to ski the same day we travel, Saturday January 25th.

We'll be accommodated at the Park Station Condos, close to the new Town lift; in the old town area, which is central to the shopping and night life. Each two -bedroom, two-bath condo has a complete kitchen, fireplace, cable TV, and there is an ice rink, spa, indoor and outdoor hot tubs, and swimming pool in the complex.

Also, there are several areas to ski. Deer Valley and Park West are within a free shuttle's ride and Alta, Snowbird, Brighton, and Solitude are within a day's backcountry ski tour.

There is snowcat, helicopter and cross-country skiing; snowmobile tours, hot air ballooning, dinner sleigh rides and even a gambler's tour to Nevada available for extracurricular activities.

Be sure to reserve your seat to ski this fabulous area. The powder should be the best of the year.

## PURGATORY

"COMIN' ON STRONG" From the moment you arrive you'll notice the difference. Located in the beautiful San Juan Mountains, Purgatory is Colorado's largest southwest ski resort, with an average annual snowfall in excess of 300 inches and a mountain with over 35 miles of ski trails. Everyone can enjoy their favorite run from beginner slopes to the most experienced skier. "The Legends," which until this season was only accessible via helicopter, will offer an additional 120 acres of advanced intermediate and expert terrain, serviced by a triple chair lift.

This short trip is planned to include 3 1/2 days of skiing and fun filled parties. After a day on the slopes, retire to the Cascade Village condos and put your feet up in the Flume Lounge and enjoy cocktails while viewing the breathtaking scenery; or relax in the indoor heated pool and hot tub; or gaze at the stars from the outdoor hot tub.

If this is not enough to convince you that this is the trip to take, you must know that the Trip price includes lift tickets. Now don't be shy, because this package will interest all who need a long weekend to get away at a price only available through SCSC. Remember, only 36 lucky skiers will be going.

WE REVELED! WE CAROUSED! WE JOINED THE FESTIVITIES AT

# The TEXAS RENAISSANCE FESTIVAL

by Lynn Danhauser

As the fog slowly lifted from the face of the land giving rise to a day full of sunshine, 41 hearty lords and ladies embarked on a journey which promised merriment, revelry, and (of course) drunken debauchery. Fearing to be left out, **John and Katie Terzakis** were the last to arrive hoping to squeeze on the fateful coach. With drinks flowing freely (but alas, not the air conditioning) and humble servants **Lynn Danhauser** and **Joan Burbuck** at the helm, the journey began on a raucous note as each in the group fought with dollar in hand to choose their lucky number in the game of bus tire roulette. **Tina Kindell, T. J. Lassiter,** and **Graham Barnes** even bought second chances in the game. **Jack Alspaugh** jumped for joy when the bus later stopped on his lucky number, cutting his leg in the process. Wife - **Judy Alspaugh** happily accepted the \$48 winnings on his behalf. To further the spirit of camaraderie, teams of 6 or 7 players dug deep in their pockets for the scavenger hunt to come up with combs, safety pins, scissors, quarters, nail files, coupons, and more. In the end, **Layna Adams, Margie Lord, Bob Wilbanks, Elaine Siebe,** and **Craig and Gini Meyers** were the victors. The spoils - candy-filled pumpkins. Were they really worth all that effort?

Upon our speedy arrival at the festival, Lynn Danhauser, **Harold Eaton,** and **Judy Alspaugh** had their faces embellished with hues of turquoise and purple sprinkled with glitter while **Jack Alspaugh** and **Ed Cain** had firey dragons painted on theirs. Not to be outdone, **Craig Meyers** felt the artistry of the face painters deserved a more extensive canvas and had the top of his head painted. **Mike Gerstenberger,** on the other hand, chose to let his fart be captured in the ogre's bag after which the ogre exclaimed, "Yep, it's a keeper!" **B. J. Scott** had her hair braided while **Elaine Siebe** danced with the gypsies. **Mike Rooney** volunteered **Gloria Able** to take the swords out of the sword swallower's mouth. **Meredith Cowan** and **Mary Nuerre** kissed the mud wrestlers, but **Mary** wanted more and challenged them to make her a mud sandwich.

While **Jack Alspaugh, Ed Cain,** and **Bill Kirk** were fixated on the 'grande oompah' belly dancer on stage, **Eileen Kowis** and **Joan Zuckerman** sent another one to dance behind **Harold Eaton.** He never even noticed, however, since the gyrating dancer on stage had his undivided attention. Lots of wenches on the trip were interested in eating meat on a stick, but **Kathy Walsh** and **Clara Marshall** preferred to sup on the King's hairy balls (coconuts). Lord **Ron Naska** beat Lord **Mike Gerstenberger** at bocce ball and received a King's Proclamation saying that he rolled the King's balls. Take that my ladies!

When **Jeri Hartman, Dana Wardell, Clarice Coffey, Milt Kramer, Carol Barnes, Rose Tortorici, Debbi Chrissinger, Rudy Naquin,** and **Joe Linder** finally headed for the bus

TOP LEFT: Okay, Harold, you can only stuff so much money into the Belly Dancer's pants! Jack Alspaugh, Mary Nuerre and Bill Kirk look on in amazement and envy. TOP RIGHT: Elaine Siebe, Bob Wilbanks, Layna Adams and Margie Lord at the Jousting Tournament.

LEFT: Definitely not one of our members! RIGHT TOP: Giant turkey leg being tackled by Bill Kirk. RIGHT BOTTOM: Recognize anyone? BELOW, LEFT: Harold Eaton, Mary Nuerre, Ed Cain and the wounded Jack Alspaugh getting tipsy. CENTER: Our fearless leader, Lynn Danhauser getting into the spirit of the festival. RIGHT: Ed Cain and the firey dragon.

all the while dreading the hot journey that would follow, low and behold, the bus had disappeared! In its place stood a gleaming, orange-seated, and air-conditioned coach which Jack Alspaugh promptly christened by breaking a full bottle of Bloody Mary mix. The drinks flowed so heavily on the trip back to the kingdom of Houston that an extra stop at the local grocery was needed to replenish the supplies. A final game of Renaissance trivia was won by **Terry Comeaux** who knew not only that the King's name was George but that Guttenbergs first name was Johannes. As the weary travelers approached their final destina-

tion, a rainbow appeared in the distance. All in all, it had been a fine day.

Many thanks to **Harold Eaton** who opened his home to those hearty party-goers **Bob Wilbanks, Lynn Danhauser, Layna Adams, Terry Comeaux, Elaine Siebe, Bill Kirk,** and **Judy** and **Jack Alspaugh** who had energy enough to partaketh of his indoor hot tub to warm their weary muscles. Much appreciation also goes to **Terry Comeaux** and his magic fingers which massaged the tired feet of this humble, but grateful, servant. Thanks everyone for making the Renaissance Festival a great trip!

ABOVE LEFT: Gini Meyers admiring the dragon on the top of Craig's head. RIGHT: The racous gang returns to the Kingdom of Houston.

BELOW LEFT: Another end-of-the famous hot tube parties! RIGHT: Harold Eaton, Dana Wardell and Joe Lindner enjoying the King's Brew in Sherwood Forest.

## Hints to Foil Ski Thieves

★ **NEVER LEAVE SKIS ON A CAR RACK.** Put them inside the car or trunk. If you're staying at a lodge, keep them in your room.

★ **MARK YOUR SKIS PLAINLY WITH YOUR NAME AND ADDRESS.** Your local ski shop can engrave them for you. A pair of unmarked skis is more tempting to thieves.

★ **USE THE DIVIDE AND CONFUSE SYSTEM.** Separate skis to two different locations when you go in the lodge or stop for lunch.

★ **IF YOU ARE USING CABLE LOCKS,** if possible run the cable through part of the binding so it can't be easily unscrewed.

★ **EPOXY THE SCREW HEADS ON YOUR BINDINGS.** This makes removal of the binding almost impossible.

★ **IF YOU ARE ONE OF THE UNFORTUNATE SKIERS THAT WILL BE RIPPED OFF THIS YEAR, HERE ARE SOME VALUABLE TIPS ON WHAT TO DO.** Run, don't walk to the lodge management or security personnel. The faster you report your loss, the better the chance the thief can be stopped before he/she leaves the area. Notify the police immediately.

*To avoid Problems* - rent boots and skis at the same shop.

**Exercise:**

This is a must for your safety and the utmost enjoyment of your trip. Exercise arms, legs, etc. every day for at least two months before the trip leaves. (Ice skating, bicycling, and running up and downhill are good exercises.)

**Pre-Trip Party:**

This is for last minute information and changes for your trip. Roommates are finalized. It's for your benefit to go.

**Numbers:**

Leave the number of the lodging and plane flight no's with someone at home or office so that you can be reached in case of emergencies. Also the Trip Chairperson's name and Club Name might be useful, as well as the trip itinerary - since some trips may involve a large amount of travel time.

**Special Information:**

Be sure and tell your Trip Chairperson about any special medical problems. Also who to notify in the event of an accident. The Trip Chairperson should know in advance if you want in non-smoking section on the airlines.

**Baggage:**

It is desired to have only ONE bag per person. At some point in each trip, everyone must carry his or her OWN luggage and equipment. DO NOT take more than you are willing to carry two city blocks (uphill in the snow at 10°F.). Your luggage is usually tagged at the ski area for the return trip, be sure and keep your luggage number. Your name must be on your luggage, skis, outer bag of skis and ski boots. Boots must be in a bag in order to be checked.

**DURING THE TRIP:**

Remember, you represent S.C.S.C. and Houston, Texas at all times.

Club Pins and patches are available to you for easy identification on the slopes (everyone looks alike in ski wear). Decals are also available for your luggage to help identify it when in a large group. Turtle Neck Sweaters and T-Shirts are also available.
