SITZMARKE

OFF TO THE RACES
BATTLE OF THE SEXES
TSC RULES CHANGE

FIRST MEETING WELL ATTENDED

—HEAD OF THE LIFTLINE—

BY TOM MERCER

SHORT TAKES FROM THE TOP

It was a good turn out for the first meeting of the 1984-85 ski season. Half the membership attended. And, by the way, the bartenders were running to refill their bars. The SCSCers have not forgotten how to belt a few down.

We had a few miscues, but that's to be expected. All in all the first meeting went well. The sound system will be better—which means the old system may be coming out of the closet.

I know we are all interested in talking to the young lady or young man next to us, but when we try to run our short business meeting, please bring it down an octave. When we have speakers from ski areas or from ski companies, it is embarrassing for the club if the speaker has to fight over all the talking. We are asking for a short period of your attention, because what is said up front may affect the operations of your club or you may miss some valuable information concerning your

trip, activity, or ski equipment.

At the next meeting we will have our annual swap shop. If you have some ski items in good shape, contact Rudy so your stuff can be included.

The trips are doing well—some better than others. For those of you who are new to waiting lists, take heart—usually, I say usually, most people on waiting lists get called to participate on the trip.

MEETING
MONDAY
OCTOBER 8

Just a note: If you have an interesting article concerning skiing or racing, please drop it off to Charla and if we have space we will print it.

I hope you enjoyed the first and hope we see you at the second. As they say "Be careful out there"—and get in shape. It's ski time.

DELTA DOWNS HORSE RACES

by Mike Gerstengerger

The whole group prepares for departure!

What a Sunday that was! The Space City Ski group ventured to Vinton, Louisiana August 26 to see fast action on the track while enjoying good times off the track. Not all scheduled 40 participants showed Sunday morning at departure time. We had snacks, drinking, and total leisure aboard the chartered bus enroute to and from the races. Once there, both the veteran and rookie gamblers showed their winning and losing ways on how to bet the horses. Everyone did win, however, on a fine meal in Beaumont on the return trip.

As far as big winners - who really knows? I know that the **Joe and Janie Dar** combo won five Exactas and one Daily Double, and **Letha Jackson** won money on just about every race. **Dave Metzger**, before final results on a photo finish, promised drinks to everyone based on

his prediction; however, after the results showed him wrong, no one could locate Dave.

I understand **Karen McKeon** won an Exacta Race in which afterwards Dave Metzger took her away and didn't return for about an hour??? **Clara Marshall** was at least five for five on every bet she made until suddenly the ceiling fell.

Then there was **Ron Noska**. It was rumored Ron had packed his home computer with him, and that he was the #1 bookie at the track. We don't know how much money he won, but the IRS is still checking him out. **Donna Wilkerson**, from her extravagant betting, became known as "Longshot Donna." I received a tip on one horse in the last race and told everyone to bet on this **sure** win. Well, the horse didn't even place, and I'm still hearing about it!

Janie Dar gets my vote for be-

ing #1 waitress on the bus, and **Ben Jordan** gets the prize for eating every kind of snack or food the track offered. **John Rice** lost so bad, he had to borrow money to eat in Beaumont, and upon arrival in Beaumont, Debbie Jordan's husband "accidently?" spilled a full Bloody Mary on top of her head.

One surprise I had arranged was a race in honor of Space City Ski Club and was noted as such in the program and announced at the track. Presenting the trophy to the horse, jockey, trainer, and owner were **Mike Gerstenberger, Clara Marshall, and Joe and Janie Dar**. In recognition of the event, Delta Downs presented a very nice plaque to the club.

To sum it up, the trip proved to be a great success whether one wagered or not, and all had a good time from start to finish.

**"Last year we rented our skis

It was our BEST ski week ever!"**

"Breeze took care
of everything."

"Instead of dragging all of our gear through a crowded airport we had the latest model equipment waiting for us at our ski area destination. Breeze even guaranteed our reservation with a written confirmation."

We each rented over \$450.00 worth of equipment for only \$8.00 a day and Jenny's junior rental was FREE.

For your best ski week ever, call the central reservation toll free number and make your next ski vacation a BREEZE."

SCSC RACQUETBALL TOURNAMENT

by Bonnie Hughes

On August 18, at the Westchase Racquet Club, a tournament was held that pitted friend against friend and brother against brother. Friends **John Rice** and **Ron Noska** came an hour early to warm up. Little did they know that they would be playing each other in the first round. The brothers' grudge match was between **Blaise** and **Rudy Guerrero** to which each said the other lied about their ability level. Rudy kept asking where the oxygen tank was.

Thanks to **Don Friedeman's** last minute entry, the tournament ladder had to be reshuffled the night before, but it was worth it because he won a trophy.

The women were not happy just playing other women so they challenged the men between matches. **Bonnie Lloyd** was seen playing Eddie Burke and **Layna Adams** playing Rudy

Left to right: Resting between sets are Ron Noska, John Rice, Jim Zbranek, Mike Gerstenberger and Jay Laviolette.

Guerrero.

One of the hottest matches was at the end of the tournament, after almost three hours of play, when **Lupe Hernandez** and **John Rice** went into the court to decide who would win first and who would win second place in the men's C Division. John collapsed onto the floor after the match was completed.

Everyone was sweating profusely, especially **Jim Zbranek** who was dripping perspiration onto the score board poster.

Jay Laviolette, our Robert Redford look-alike, proved to be "The Natural" by winning first place in the men's A-B Division.

After four hours of play and two coolers of gatorade, the first and se-

cond place winners of each division were awarded trophies and the third place winners bronze medallions. The men's C Division, because of its large number of entrants, was also given a fourth place award.

A special thanks to **Rodney Hughes** for keeping track of scores, wins and courts. Listed below are the winners of the tournament.

"WE WON"

The Texas Ski Cup Rules are Changed.

Sharpen your ski edges and double your exercise program, because Space City is back in the race for the TEXAS SKI CUP. We were instrumental in persuading the Texas Ski Council to change the race rules for determining the winner of the Texas Ski Cup. The rules are now fair for all clubs, both large and small alike.

Under the new rules, three identical Texas Ski Cups will be awarded, one for the larger clubs, one for the medium size clubs and one for the smaller clubs, with EQUAL prestige attributed to all three cups. In order for this new formula to work properly, it is important for members of the larger ski clubs to make certain the winners of the other two cups feel just as proud of their fete as we do.

Here are the groupings for next season:

Large Clubs

Alpine
Austin
Cowtown
Dallas
Space City

Medium Clubs

Armadillo
Clear Lake
Flatlanders
Houston
San Antonio
Texas Twisters

Small Clubs

Lone Star
Los Amigos
Powder Hounds
St. Bernard
Texins
Wolf Creek
