

FROM THE HEAD OF THE 1969/70 LIFT LINE

Alas, we reluctantly approach the end of another ski season. But what a successful season it was, thanks to the splendid job done by the outgoing officers and all of the other members of the Club who served in various capacities such as trip chairmen, etc., or otherwise devoted time and effort to the Club's activities. To those people we say--as one would express appreciation to the vintners of a fine wine which has been savored--'1968/69 was a very good year! Thanks for making it so.'

Before this season's snows are completely melted, however, your new officers must begin looking ahead and planning for next year. The object of our Club is to promote and encourage individual and group interest in the sport of snow skiing. The other incoming officers and I are most anxious to further this objective through exciting, well-planned, well-organized, fun ski trips during the 1969/70 ski season; through interesting and entertaining programs at the monthly Club meetings; through an informative newsletter; and through such other activities as will promote the continued growth of active Club membership. Plans are already being formulated for next year's trips, as well as for some summer activities to enable us to get together for some just plain fun and good times during the 'off season.' The officers will be calling on various members of the Club to assist us in carrying out these plans. With the help, cooperation, and active participation of the membership, we are confident that 1969/70 will also prove to be 'a very good year' for Space City Ski Club.

NOTE: The familiar four page edition of Sitzmarke will return with the early blizzard of events this fall.

It saddened everyone to hear of the passing of Carlene Holloway on April 15, 1969. Memorial services were held here for Carlene on the 17th, and burial took place in her hometown, Rutland, Vermont on April 21. Our special thoughts are with Don and Don, Jr. on the loss of someone so dear. Carlene will always be remembered for her funny little laugh and her very winning ways.
