Stereo Earphones and In-Flight movies on return flight have been requested.

NOTES:

We will be advised of our exact flight timetable, which will include a brief (60 minutes) fuelstop at J. F. Kennedy Airport, New York, (great for last-minute tax-free shopping for cigarettes, visiting with friends, etc.)

AIR FRANCE will also schedule a brief stop in PARIS on the direct flight to MUNICH, for those who may wish to begin in Paris.

We will remain overnight in Munich, to enjoy Fasching (Carnival) before being driven (2-1/2 hours) by luxurious private motorcoaches through the scenic Alpine wonderland to KITZBUHEL, for a week's skiing. On the second Sunday we drive via Innsbruck to ST. MORITZ, perhaps the most renowned of all ski resorts, for the second half of our European Skiing holiday.

PAYMENT:

Reservations for this fabulous trip are limited to the actual seating capacity of our Jetliner and hotel reservations. Please complete the enclosed reservation form and mail it to Bob Smith promptly, because reservations will be filled on a FIRST COME-FIRST SERVED basis.

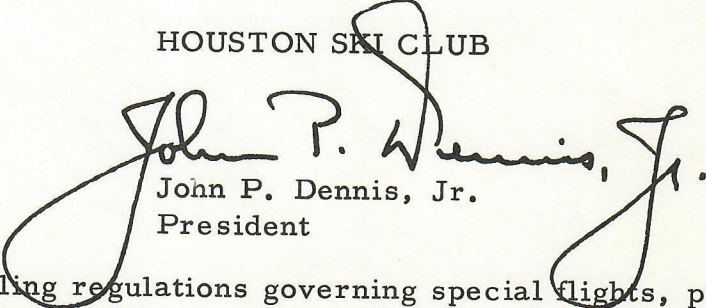

A deposit of \$100.00 per person is required with successive monthly payments of \$100.00 per person until full payment received (must be completely paid by January 15). Late registrants will be wait-listed, as the limited accommodations are expected to be booked up in short order. We already have several checks, which will be numbered and deposited as applications are received. \$90 of the deposit payment is refundable up to November 15, should anyone be forced to cancel. To qualify for a full refund after this date, a standby replacement from the waiting list must assume the cancelling member's reservation. Any reservation is transferable to another eligible member.

This ski-vacation package is an unmatched opportunity, even exceeding last year's trip! A similar trip - taken individually - would cost over twice as much. We derive maximum discount benefits from the combination of special flight-arrangements, and group ski-resort bookings, through the cooperation of the travel-organization coordinating our arrangements on the Continent with the specially chartered AIR FRANCE flights.
