ASPEN SKI TRIP INFORMATION

February 5-12, 1966

Dear Member:

The officers of the Space City Ski Club have organized the following schedule and itinerary for a week's skiing in Aspen, Colorado, February 5-12, 1966. In order to benefit from economic rates on transportation, lodging, etc., we need a maximum number of club members to go along. Plans are presently made for:

TRANSPORTATION

Leave Houston by Chartered airplane at 5:00 AM, Saturday, February 5, 1966. A first class breakfast and beverages will be served on the flight. Upon arrival in Grand Junction buses will be waiting at the airport to take us immediately to Aspen. Arrival time in Aspen will be approximately noon. Departure time from Aspen will be late afternoon Saturday, February 12, for Grand Junction. We will fly back to Houston and again dinner and drinks will be served. Arrival in Houston will be early Sunday morning, February 13.

LODGING

We have confirmed reservations for up to ninety (90) people at the Continental Inn in Aspen. The Continental is a few steps from the Aspen Mt. lifts and the Red Onion and has everything necessary for a fine week of frivolity - bar and restaurant, lounge with fireplace, heated pool, and Sauna. Our accommodations are in the new wing. There is one spacious room for eight with two baths, six rooms for six, eight rooms for four and a limited number of rooms for three and two. Married couples will have first call on the two's.

COST

Round trip transportation including buses from Houston-Grand Junction-Aspen-Grand Junction-Houston based on ninety (90) people is \$92.60 per person. The airplane will hold 103 people. Lodging cost per person for seven nights is \$44.10 for four, six, or eight in a room, \$51.45 for three, and \$66.15 for two. A deposit of \$50 per person is required to confirm our airplane and hold the hotel accommodations. We must have your deposit by December 1, 1965. This deposit is refundable until January 1, 1966, if necessary, but after that time it is still transferable to some other person.

SKI RENTALS AND TOW TICKETS

Skis, boots and poles are available for rent at a nominal cost---approximately \$25-\$30 per week. Lift tickets for the week will cost \$35-\$45. Three days of lessons (which is recommended as a minimum for those who have never or seldom skied) is \$20. There are various deals on combined lessons and lift tickets. Of course this Aspen Ski Trip is open only to members of the Space City Ski Club. We welcome anyone who wants to join our club and go along to Aspen with us. Let's all make plans NOW to spend one of the best week's vacation of your whole life. Round up your friends and let's go skiing! If you have any questions please feel free to contact any of the officers of the SCSC or the Aspen Ski Trip Committee.

Sincerely yours,

## ACCOMMODATIONS

Here's the room arrangements we finally worked out. Sorry, after telling you we would have only 4-person rooms, the Continental changed us back to the original 6-person rooms. The early birds with their money and reservations got the more choice arrangements. But all the rooms are new and large and should be satisfactory.

Persons with stars (\*) by their names have equipment reserved at Aspen Sports.

### CONTINENTAL INN

Numbers do not refer to rooms. Register upon arrival and find out your room number. Settle your own bill for room service and telephone.
