### A FEW WORDS CONCERNING CHARTER REGULATIONS:

- a. This trip is available only to dues paying members of the Space City Ski Club and their immediate families residing in the same household. Dues must be paid six months prior to flight time.....or any person wishing to go will be unable to do so.
- b. In order to secure an airplane(jet) for the date we want which is the first part of March, we MUST place a 10% deposit as soon as possible.....\$2,450.00 will hold the airplane, and is fully refundable up until one month (30 days) prior to flight time.
- c. It would be advisable to pay your dues for this year 1966-67 immediately. With the payment of dues, if you are interested in this European trip, include a \$50.00 deposit, or send your payment for dues and \$25.00 with an additional \$25.00 dues in 30 days.
- d. IMPORTANT:

Inasmuch as airlines are bound by strict regulations, and ANY violations could cause cancellation of the Charter, we ask that NO MEMBER take it upon himself to actively solicit IN WRITING (or otherwise) membership in the Space City Ski Club, with the sole intent to membership for THIS SPECIFIC TRIP ONLY. Let your officers handle this work.

Three programs are proposed for this trip to satisfy all people.

- (1) Charter Flight: Jet Houston - New York - Zurich.
