ASPEN TRIP

A complete success, all have agreed. Over 110 members were in Aspen last month. A complete summary will be given at the meeting. MEMBERSHIP AND GUESTS

Your guests are always welcome at any meeting or party. If you know of any interested persons, bring them along and we will get their names on our mailing list.

EASTER TRIP - "SCHOOL TEACHER SPECIAL"

Tentative arrangements are departure Thursday afternoon, April 15 and return Monday morning, April 19. Estimated all-inclusive cost is about \$100.00. Taos is an excellent area and well known for its fine Spring skiing. More information at the meeting.

ELECTION OF OFFICERS

A meeting will be held in April for the purpose of electing officers for the coming year. Date and place will be announced later.

Besides getting together for a party or two the Club can provide other events. We know most of our members like to travel and like outdoor sports. The club has the ability to organize group trips of all kinds, not just skiing trips, and we want to know what else you would like to do.

We won't be meeting monthly over the summer but you'll hear from us occasionally with plans for some party or event.

Check the items below that you are interested in. If you would be willing to help organize a party or trip please put your name beside that particular event and contact one of the officers.
