Hi Ya'll!

One crazy month is gone, and another one is here. What are your pandemic pastimes? My husband can tell when I'm bored because I pull stuff out of the refrig and pantry and make random recipes. I've found sweet potato enchiladas are tasty, but I recommend a pass on the brownies from old Girl Scout thin mints. I spend a fair amount of time in my flower beds - until the sun starts to blister or mosquitos try to carry me off. When I tire of cooking or gardening, I work on some on-line Spanish refresher courses. Trying to be productive, waiting for safer days. Our club activities are still significantly curtailed to protect the health of our members. As this is written, the August monthly dinner is still on, but the happy hour has been cancelled. As always, please consult the website and read the e-blasts for the most up-to-date information on club activi-

ties. The big news is that **2021 ski trip sign up began on August 17 at 7pm.** Since there are fewer trip options than in previous years, make sure you jump in early and reserve your place on your preferred trips. Dave Stotz has provided excellent instructions to guide you through website registration and payments – read his information in the weekly eblasts now so that you are ready to rock and roll for sign ups. And, don't forget the 2021 adventure trips. Sign up is open for the Bruges to Amsterdam Bike and Barge trip. The Greek Isle trip is sold out, but you can get on the wait list and cross your fingers!! Follow Marsha's updates for information on the rescheduled trip to New Zealand. Remember, we can all contribute to a healthier Houston by following the 3W guidelines for fighting Covid19 – Wash your hands, Wear your face covering, and make it Wide (6 feet). Looking forward to seeing everyone again. *Beverly*

We would like to recognize our members by posting your picture in the next Sitzmarke. Send me your favorite ski picture for the October issue! The picture needs to be at least one (1) mb in size for good resolution. If your picture is not used on the cover, we can use it within the publication. Let's reminisce about our great trips over the years. The cover picture is in Solitude, Utah and the white specks are snow! Please send your picture to dop@spacecity.org by October 1. **HAPPY SKIING!!!**

Hello fellow travelers!

I feel like I can say that again since we are signing up for 2021 trips. I know we don't know what the situation will be until nearer to actual travel time but we can hope and plan for now. And as of now, trip signup was just 48 hours ago and I was pleasantly surprised at the response. Two of the four ski trips show full at this time. The Summer/Fall adventure trips have also been reopened on the website – though the Greek Cruise is full. Please be aware that sometimes a trip is not full but may need a specific gender type to fill a spot or we might add a condo when we get enough of a wait list. So if you are interested contact the Trip Coordinator to get on a wait list. If you are getting out of the house con-

finement occasionally, come to the September 14th meeting at Warehouse 72 and hear more on the trips.

On the next page is the 2021 trip slate which I will show in each monthly Sitzmarke. Last time I mentioned New Zealand but left it off the table. It is a go for October 2021 and will be almost identical to the trip advertised last year which quite a few people had signed on to. And we are still considering a Florida Beach trip. Let George Sargent know if you are interested.

And as a reminder on the ski trips besides Breckenridge – **the offer for the IKON lift pass ends September 1st**. Typically there is another offer but at a slightly higher price. **See advertisement flyer at the end of this Sitzmarke.**

Don't Delay

Now for some even further out planning. As stated before, the April 2021 BidFest got postponed for obvious reasons and has been planned as a virtual meeting on Saturday, September 12th. So there will be no San Antonio Riverwalk or Downtown Austin roof top bars. Just plain hard work. It is not easy making the selections from the pre-select slate. I have a team helping me review these options. I would also like your input on whatever you like or don't like from the list below. Please feel free to email me.

See some of you soon at the September meeting!

I am having a hard time finding something to do to entertain myself as I am sure most of you are as well. I have put together countless jigsaw puzzles and remodeled my guest bathroom. I am ready to get things back to normal and see everyone in person.

To have some sort of contact, we are still having Zoom Happy Hours every other Thursday night. The Zoom get together is fun but only 12 to 18 people are joining us each time. Please dial in and join us. Most of the time Bil comes up with some type of questions or topics to talk about.

We had 18 members at our August Dinner at Yao's on Westheimer. The food was good and it was great to be able to see friends in person. Our September 26 Dinner will be at the Original Carrabba's on S. Voss. There will be no Happy Hours until things open back up.

We hope to have the Volunteer Party sometime this fall, however, at this time we just don't know when yet.

We will have the September meeting at Warehouse 72 on September 14. Watch the website and Eblasts to see any updates. Stages has published that they are opening back up in October, I have worked with them and our date is Nov 5 to see "Honky Tonk Laundry". We had already sold 4 of the purchased 13 tickets to see the show and it is now set up on the website to purchase the remaining tickets.

As the Governor announces what other things can open and the rules, we will get back to our activities.

For now, everyone please stay home and stay safe and we will get back to our fun activities once Houston opens back up.

Snowmass

WHY CHOOSE THIS TRIP?

The world-class resort of Snowmass has been among the list of favorite destinations requested by club members year after year and for good reason. Your trip will be coordinated by the dynamic duo of TC, Cindy Moore and ATC, Steve Ying who have a long history of providing top notch fun. This trip promises to continue the legacy.

Mountain View, Jeremy Swanson Snowmass

Skiing a Groomer,
Jesse Hoffman Snowmass

To start with, the first-class skiing deserves all the hype with its diverse terrain which offers something for everyone. If the extensive uncrowded, blue intermediate terrain of Snowmass isn't inviting enough, your lift tickets include access to three other nearby mountain resorts by just hopping on one of the quick, free buses. Celebrity-favorite Aspen and Aspen Highlands will challenge seasoned experts, while the slopes of Buttermilk will satisfy tamer skiers and riders. Just learning to ski or board? Snowmass has some of the world's best ski/board instruction. Plus, we ski out from our lodging onto an easy green close to the base.

Furthermore, this trip is not just about the skiing and boarding. Skiers and non-skiers can revel in all the area has to offer in other ways, including the facilities at the Top of the Village such as the heated pool, hot tubs, close by spas and

snow sports such as cross-country and snow shoeing. There is a vibrant slope side village bustling with shops and restaurants along with a new public plaza in the Base Village. Aspen offers world-class shopping including the bargain thrift shops of the rich and famous. Of course, everyone needs to experience the legendary après-ski and nightlife of Aspen.

ACCOMMODATIONS

We will be staying in deluxe two and three-bedroom condominiums at Top of the Village which is currently ranked #1 out of 23 in Snowmass Village by Trip Advisor. We have stayed here before and know they deserve that ranking. These true ski-in, ski-out feature washers/dryers in every unit, a full kitchen, a full bath for every two occupants, a heated pool and several hot tubs for après ski fun. Other amenities include high speed wireless internet, fireplaces, sauna and fitness room, elevators, private shuttles within Snowmass Village, on-site parking, and overnight ski tuning.

THE MOUNTAIN—MORE THAN JUST GREAT SKIING

Snowmass boasts a Nordic Trail System with 60 miles of FREE show shoe and cross-country skiing. There is also an Alpine Coaster at the top of Elk Camp that you shouldn't miss, as well as snowmobiling and dogsledding. The highly rated Spa at Viceroy Snowmass is a short 5-minute ride or 15-minute walk and is just one of several spas available to pamper you.

Since our last visit two years ago, Snowmass is in the midst of a \$600 million dollar expansion of their Base Village which is the largest mountain resort construction project in North America. It features a FREE ice-skating rink, patio with outdoor fire pits and Colorado's tallest indoor climbing wall. The

heart of Snowmass Base Village is the new community center known as the “The Collective” with a bar, restaurant, game arcade and live entertainment.

TSC events include a Welcome Party, Pub Crawl, Poker Run and Final Dinner/Dance

Why Choose This Trip

Space City Ski Club hasn't taken a trip to Jackson Hole since 2014, so you can consider this your once in a seven year opportunity!! Jackson Hole retains a very pure and authentic ski experience. Its scenery and wild vistas are meant to be enjoyed and photographed.

Tom Thomas

The Mountain

Jackson Hole Mountain Resort Base elevation is 6,311. There are 133 named trails that include 50% Expert, 40% Intermediate and 10% Beginner. Plenty of challenging terrain but also some good groomed slopes and corduroy for cruising! **The Tram is literally steps away from our hotel. No shuttle needed to get on the mountain.**

If Teton Village isn't enough to keep you busy, the town of Jackson is a 25 minute, cheap, bus or taxi ride away. The town has tons of galleries, shopping, dining and cowboy bars. Yeehaw!!

We are also close to Yellowstone National Park and various tours are available into the park—just be prepared for an all day excursion. Let me know if you need additional information. WHY CHOOSE THIS TRIP?

Greece, the name conjures images of magnificent ancient ruins, crystal blue seawater with sandy beaches, white stucco building with colorful rooftops perched on steep cliffs, and of course delightful foods. Now you can turn those images into reality by joining us on this once in a lifetime trip to the Greek islands whether you're looking to relax on picturesque islands with unspoiled sandy beaches or stimulate your senses in places that have marked ancient history. Come and be serenaded by the romance of the Aegean Sea and visit the most enchanting Greek island destinations dotted around the Aegean Sea, where culture, history, pristine beaches, and fishing villages suspended in time all await. Set foot on some of the most magnificent ancient ruins in the world when we visit Athens, Greece as part of your adventure.

Greece

Our journey spans 2 countries and starts in the magnificent ancient city of Athens, then we embark on a 7 night cruise starting in Turkey (Kusadasi) then visit some of Greece's most popular islands (Mykonos, Santorini, Ephesus, Rhodes, Santorini, Milos, and Olympia), and finally disembark back in Athens for another half day of sightseeing. There's also the option of extending your journey for another 2 nights in Athens to explore a city that you've read about in history books.
