Hello Friends

Spring is here! To my amazement, just about everything obliterated by the February freeze has resprouted. My roses are just going crazy! It makes me happy and hopeful to see regrowth and beautiful blooms. And it also made me really happy to see sooooo many people turn out for the April club meeting. I saw dear friends that I haven't seen at all, or only on Zoom, for almost a year. Most people are 'vaxed up' and happy that their antibody superpowers are fully kicked in.

Well, speaking of Zoom, I am pretty 'Zoomed-out' after the TSC virtual Bidfest sessions on Friday, Saturday

and Sunday, April 9-11. But it was worth it – we are excited about the TSC selection of wonderful ski and adventure trips for 2022 and 2023. Check out Marsha's article for the particulars. And you already know about the full roster of 2022 trips. Our 2022 trip leaders will soon begin planning and advertising for their trips. Information will be posted to the website as details are nailed down. I am so ready to restart travel, and the first steps are underway! I'm also so ready to enjoy the dinners, activities, and happy hours that Lynn has scheduled. She is busy helping us restart the socializing that we have all missed so much.

This information will also be on the website and will be included in the weekly eblasts. Be sure to check both for all the updates.

In the meantime, go out and smell your roses!

Countdown to Lift Off

**Marsha Lutz,
Vice President of
Trips**

Hi there!

Last month I wrote about the 50 or so SCSC lucky participants that were able to ski in either Jackson Hole or Snowbird. I have one more person to add to the list of skiers. Yours truly. I know there were several others that managed to get to the slopes on their own, but I was pleasantly surprised that I was able to go to Breckenridge for 4 nights over Easter weekend. They still had the 2 household per condo limit so not everyone in our group was

able to go, sorry to say. Other than that rule, along with wearing masks while in the lift line and eating outside for our ski day lunches on the mountain (reservations only for indoor tables), the rest was mostly the same as usual. It was so nice to be out on the slopes and we had great spring weather- blue skies, warm temps, no wind, and amazingly good snow. Breck and many resorts have decided to stay open into May so some of you may still find an opportunity to go on a trip.

Countdown to Lift Off, Cont'd

As far as SCSC trips, the 3rd and remaining trip of 2021 is the Grand Canyon/Zion adventure. Those 30 participants will enjoy the beauty of the American West for 4 days. Currently there is one opening for a female and one opening for a male. Just a reminder due to the uncertainties of international travel the Bruges to Amsterdam bike/barge and the Greece trips have been postponed to similar timeframes in 2022. The New Zealand trip had to be canceled. Check with the TCs for details whether you are carrying forward your participation or are newly interested now that we have new dates.

The trips in the table below were listed last month but now they all have a Trip Coordinator. These TCs [will have more](#) info for you soon. The trip to Vail and to Yosemite are in the proposal phase so stay tuned.

Countdown to Lift Off, Cont'd

As announced on the website and the last couple of weekly email blast updates, the Texas Ski Council trips were selected on April 11 in a virtual BidFest.

- ◆ Fall Expedition 2022: Russia, Sept. 2022 (Exact dates to be determined)
- ◆ Traditional 2023: Snowmass, CO, Jan 14-21, 2023
- ◆ Winter Expedition 2023: Ischgl-Samnaun, Austria, Jan 21-28, 2023, (date may be moved to prevent overlap with Trad)
- ◆ Winter Shootout 2023: Steamboat, CO, Feb 11-18, 2023
- ◆ Final Showdown 2023: Lake Louise, Canada Mar 11-18, 2023

I am sure many of you that were on Jill Nanney's planned trip to Russia in June 2020 were disappointed it got cancelled but now you have a chance to do it in Sept. 2022 with Jill at the helm again.

I won't be looking for TCs for the 2023 ski trips yet – it is just too far out to plan. TSC started planning 2 years out for two reasons – so preferred lodging could more likely be secured since many councils plan 2 years out and to allow the clubs to plan trips the year before without repeat destinations if so desired. So that is done and now we wait a bit while we plan for and enjoy the rest of 2021 and 2022.

Yay – the travel world is coming back and that is a path I will definitely be on! Hope to see you along the way.

Memories of South Africa By Melinda Hughes VP of Marketing

In 2014, the club embarked on a trip of a lifetime. We flew to South Africa to experience the Garden Route. I never thought that I would see the majestic animals of this country in my lifetime. Space City made it possible and the friends we made along the way was an amazing bonus. This issue will be dedicated to this trip.

YAY!!! I think we are getting closer to back to normal with more people getting their vaccine shots and ready to get out. At the end of April, we started back with In-person Happy Hours and I have a date for the Volunteer Party.

Our 3rd shot at Trivia at Warehouse 72 was on March 20 and they won several of the games, thanks to Jeff Cross and Craig Campbell. I am planning on it becoming a monthly event and it will be on Friday night instead of Saturday from now on.

The March Dinner at Mia's Table on Gessner had a good turnout and we got a separate room with a waitress which made it nice that we each did not have to go to the counter and order.

The April meeting had 60 people show up with a few new faces. One couple had just moved to Houston and found us on Facebook. They are skiers, so I talked to them about our activities and Marsha talked to

them about the ski trips. We had a moment of silence for Debbie Moser's passing. She will be greatly missed especially by me for all the help she gave me on varied activities thru the last few years. Marsha gave an update on trips and what trips were selected at Bid fest. I handed out a calendar of activities through June. There are still a lot of things in the planning stages so, at the May meeting, I will hand out a

Dennis Hughes capturing the action! calendar

for the summer through August.

Trivia was on Friday April 23 and our April Dinner was at Blue Agave on April 24. Our first live Happy Hour in a year was at FM Kitchen on Shepherd. They offered a Rib Eye Steak Dinner with twice baked potato for \$20. I have to order and pay in advance for how many we want so I collected money for those interested at the meeting.

Our last meeting until September is on May 10 at Warehouse 72, be sure and attend to see what all is planned for the summer. Bil Cusack is having a Disc Golf game on May 22 and that same date is the monthly Dinner which will be at George's Pasteria. This is owned by George and Rene Reed who are members of our club so be sure and come to support them. Karen Leeson is going to have a bike ride along White Oak Bayou on May 23.

Our Happy Hour is on May 27 at Bungalow Heights and they will also be offering a Steak Dinner that night along with all the rest of their menu.

Linda Kuper and I have come up with a date for the Volunteer Party of June 12. Invitations have gone out. If you volunteered and did not receive an invitation, call Lynn.

I am still looking to set up more activities for this summer. If anyone has a suggestion of where would be fun to go, please let me know.

Please keep signing up for activities early and don't wait until the last minute. Several places, I have to let know days in advance of how many are coming.

Why Choose This Trip?

My wife and I first went to the Grand Canyon in 1969. About 15 years later, we visited Zion and

both the North and South rims with our children. That started a long association with the Grand Canyon, where I organized 14 adventure trips with almost 400 people over the next 30 years. Many SCSC members have been on those Rim to Rim hiking adventures. You may have been to Zion and the Grand Canyon, but you missed what I will show you, including the amazing North Rim.

This is your chance to join me on a trip with SCSC next September, 2021. Travel with me as I show you the best way to maximize your experience on this scenic trip with the chance to hike a little bit of two of the top ten adventure hikes of the world. If you are not a hiker, you will still be able to see and enjoy these two great National Parks. There will be lots of opportunities to stop and gawk at amazing sights.

What is the Plan?

We fly to Las Vegas on an early Saturday morning flight via an early Southwest Airlines flight; but you can choose your own airline with an early arrival to Las Vegas. We will pick up our four 15 passenger vans with 7 or 8 people in each van. The drive to Springdale is only about 170 miles, so we will arrive in time for an afternoon visit to Zion to hike or sight see. You can join me as I lead a hike up into the famous Zion Narrows for a short distance on the next afternoon as one of the several options.

After our two nights at Zion, we leave Zion on Monday through the east side with more view stops. A stop at Kanab will acquaint you with that area of lower Utah on our drive to the North Rim.

The North Rim has spectacular views and is surrounded with forest of Ponderosa Pines. It averages 1,000 to 1,500 feet higher than the South Rim! It is isolated from the crowds of the South Rim and provides for a great laid back and relaxing afternoon and evening. We will eat dinner at the famous North Rim Lodge and also enjoy what many people say is one of the best Bloody Mary's in the world. An optional afternoon drive to Point Imperial is often considered the greatest viewpoint on the North Rim. We will continue to Cape Royal to see Angels Window and great views of the Canyon and the south rim.

On Tuesday, our 3rd day, we will drive around to the South Rim with several stops, including down at the Colorado River to dip your hands into the 55 degree water coming out of Glen Canyon Dam, and maybe see raft companies launching trips down the 270 mile trip through the Canyon. The stop at Marble Canyon over the Colorado River may include sights of Condors under the bridge. The drive along the south rim of the Grand Canyon will take in the incredible views with stops for pictures.

Our arrival to Grand Canyon Village on Tuesday will be in the afternoon giving everyone a chance to wander the south rim area, including possibly walking down a little bit of one of the two rim to rim corridor trails, Bright Angel or South Kaibab. I will be leading a 1.8 mile round trip hike down the South Kaibab to **Ooh-Aah point!** Remember, down is optional, and up is mandatory. For those that want to see much of the south rim without walking much, take the Hermits Trail shuttle out and back. Most people never get the chance to do that.

On Wednesday morning, you may want to get up early and see the sunrise over the Canyon, then head back for breakfast at the Maswik or even Break-

fast at the El Tovar. However, we will be leaving at 7:00 AM for one last great view of the Canyon at Yavapai point.

Our trip back to Vegas will include stops briefly in Williams, then a quirky stop at Grand Canyon Caverns. We probably won't have time to actually go in the Cavern, but you can find out about it.

Finally, we will do a drive through Hoover Dam and brief stop to see the Dam and Lake Mead.

Trip Lodging

Our lodging at Zion will be the La Quinta at Springdale, which is less than 1.5 miles from the Park front entrance. From April through October, access into Zion Canyon is by shuttle bus only right outside the La Quinta. The shuttle will take you to 9 stops on the Zion Canyon Scenic Drive. You can get out at one of the stops depending on which hike you'll be conquering for the day or just to stop and stroll along the Virgin River. The La Quinta is in great walking distance to all of the eateries and shopping in Springdale.

Our lodging at the North Rim will be in the rustic Frontier Cabins. These are conveniently located close to the North Rim Grand Canyon lodge and the amazing views at the Lodge. Plan on relaxing on the back patio looking out to the south rim between Roaring Springs Canyon and Transept Canyon.

The Lodging at the South Rim will be at the Yavapai Lodge, close to the other major "On Rim" locations to sight see and have dinner. The south rim shuttle provides ease of exploration to the "over rim" sights near Grand Canyon Village

We return to Las Vegas about 3:00 PM for our return home or perhaps some of the group will decide to do an extension in Las Vegas (Lost Wages).

This trip will fill quickly, possibly in a couple days. Don't miss out. It is very possible this trip will be full before the publication of the September Sitzmarke. If so, get on the wait list.

Look on the SCSC website for more pictures and detailed information.
